

Greenwood Department!

Prepared in the Interest of the People of Greenwood and Surrounding Vicinity

John E. Stradley was a visitor at Raymond one day last week, where he went to look after some business matters.

Mr. and Mrs. E. L. McDonald were visiting and looking after some business matters in Omaha on Wednesday of last week.

Henry Armstrong departed last Monday for Fort Worth, where he goes to visit with the good wife, who is teaching in the schools there.

Robert Burks and wife, with their son, were visiting last Sunday at the home of Mr. and Mrs. Art Skinner, of Alvo, driving over in their car for the occasion.

John C. Lomeyer, the man who claims to be neutral, was a visitor in Omaha on last Tuesday evening, being called to the metropolis to look after some business.

Henry Brockmueller, from near Raymond, is delivering market produce on Wednesday at the Farmers elevator in Greenwood, and getting it off when the price was pretty good.

M. R. Lyon, who with the family, has been making his home near Atkinson, in the northern portion of the state, moved to Greenwood and will farm here the coming season.

Mrs. E. A. Landon was a visitor for the day last Tuesday at the home of Mr. and Mrs. E. E. Buck, at Ashland, and where she visited the twins which are such a fine looking pair of babies.

E. H. Gray, who is a finished decorator and paper hanger, was assisting Fred Ethrege last week in completely refurnishing the Ethrege home, and sure those boys were making the place look fine.

There has been much grain and especially wheat marketed during the past few weeks and quite a bit of wheat. The advance in price has had much to do with the generous deliveries.

The Christian church of Greenwood has prepared for the giving of a play in the near future, which is known as "Bashful Mr. Bobbs," and which will be presented at the Masonic building.

Harry Kaston, who recently purchased a farm near the Lancaster county line, was moving to the new home early last week, and getting ready to get the farm work as soon as it is ready.

On last Sunday, March 11th, at the Christian church there was given a most enjoyable entertainment by the male quartet, which was enjoyed by the very large crowd that was present for the occasion.

Miss Blanche Bright has moved into town and will not be engaged actively in farming this season. The farm will be conducted by O. K. Yardley this year, who moves to the farm from a place near Ashland.

The King's daughters met on last Friday at the home of Mrs. Kibbey, where they looked after business of the class and also had a most sociable time and were entertained by the genial hostess with a delightful lunch.

Al Ethrege is very much pleased with a trailer, which he has constructed for use with his car, and well he should be, for he has made an excellent job of its construction, and the trailer should serve him well.

Watson Howard had a hatch of a large incubator come off last week, with very satisfactory results. At this time Mr. Howard is getting a large number of eggs every day from his celebrated strain of White Leghorn layers.

J. E. Almy, who is an instructor in the state university, was over to Greenwood one day last week and was looking after the delivery of grain from his farm near here to the elevators, believing it a good time to market the grain.

Jacob Witt, who looks after the road not otherwise patrolled in Salt Creek precinct, has been rustling hard to keep them in the best of condition and has succeeded very well, for they were in fine shape last week when we were there.

At an evening session of the 500 club of Greenwood last Tuesday, a good sized crowd was in attendance and a most enjoyable evening was had. The gold medal was won by Mrs. Pearly Clymer and the consolation went to Mrs. A. F. Wetke.

On last Saturday the district meeting of the Encampment of the I. O. O. F., was held at Lincoln, where

members of lodges from all over the district were in attendance, and from Greenwood there were a large number of them enjoying the occasion.

Dewey Headley and the family were over to Eagle on last Saturday to enjoy the Greenwood basketball team winning the cup in the west.

Cass county basketball tournament, they playing three games and winning over the Elmwood, the Avoca and Eagle teams.

Harry Reddick, who has been making his home in Lincoln for some time, was visiting with his mother in Greenwood for a few days during the past week. Harry, however, was not feeling the best, having just had a tussle with la grippe. He is much better now, however.

The spring work season is coming on with a rush and the blacksmiths all over the county are busy now.

S. S. Peterson, the local smith, who is a hustler when it comes to working, has almost been covered up with the work that has come to his place of business, and could use another man, but cannot find a suitable one at this time.

The Rev. H. L. Grassmuck, pastor of the Christian church of Greenwood, was called to Bethany to deliver an address at Cotner university to a graduating class of young ministers, and a very fine idea, as they called one out of the midst of the battle for the Lord in the field work, with the inspiration of the work, to deliver an address to those young ministers, who will soon be doing yeoman service in the cause of the Master.

The I. O. O. F. lodge of Greenwood are doing some very good work with their lodge at this time and on last regular meeting conferred the initiatory degree on B. E. Grady.

Mr. Grady, who is an excellent citizen, will also make one of the best of Odd Fellows. Besides the making of an Odd Fellow of this gentleman, they also had something to eat, which is one of the traits of all good Odd Fellows, and they demonstrated they were there in that respect as well as other qualities characteristic of the order.

Visited the Masonic Home Last Sunday, C. E. Calfee and the good wife, their daughter Miss Vallette, and Mrs. W. T. Jones, of Lincoln, a sister of Mrs. Calfee, who was visiting at the Calfee home, visited at the Nebraska Masonic home, in Plattsmouth, where they enjoyed the day most pleasantly with an uncle of the ladies, Robert Currah, who is making his home at that institution in his declining years.

Will Hold Rally Day The Christian church of Greenwood is planning on holding about the middle of May, the exact date being uncertain at this time, a rally day, including a well appointed program. At this time there will be two teams touring the country and especially the Mississippi valley, and they will arrive here on the date set for the meeting, so by keeping in touch with the teams the meeting here will be arranged to suit the date. The members of these teams will have a message for the people and it will be well to keep this matter in hand and be sure and attend this rally day meeting.

General Kensington Meet The General Kensington of Greenwood met on last Friday evening at the I. O. O. F. hall, where they enjoyed a most delightful evening with games and a general good time, and entertained their husbands for the evening. Among the other things they had a most delightful luncheon which the ladies knew well would please the men, for they do like to eat, and they had a plenty of what was the best.

Sells Fine Cattle There were shipped from the Wood Brothers farm near Greenwood during the past week, two very fine Hereford bulls, one a two-year-old and the other a calf, each bringing good prices. The older of the animals brought some \$750, while the younger one brought \$250. They went to a point in Texas and were accompanied by Mr. Neilson, who has been employed on the farm.

Have Pleasant Evening The members of the Masonic lodge at their last regular meeting, which occurred on last Tuesday, after the conclusion of the regular work, had a drill team exhibition which was greatly enjoyed and was also followed by a luncheon that provided a great deal of enjoyment for the members of the organization.

Eagle Now Has a Well Organized Public Library

Efforts of Veteran Editor for Past Few Years Brings Forth Results in Public Library.

The meeting last Thursday evening to organize the Eagle Library association was fairly well attended notwithstanding the sick list and others busy with play rehearsals and social activities. The meeting was called to order by Rev. Korbitz, chairman of the committee, and after a thorough discussion of the library matter, and the best way to proceed, it was decided to organize at once and get under way.

The following officers were elected: President—J. A. Gardner. Vice President—V. Trumble. Secretary—G. Reitter. Librarian—F. W. Korbitz.

These, with J. H. Adee, will also form the executive board. After this the matter of finance was discussed, and it was agreed that a membership campaign or drive should be put on to enlist the support of the community in an active development of a library all might be proud of. It was left to the president to appoint this committee, but as there is so much illness in the community it has been suggested to him that the drive be delayed for a week or two.

An invitation was extended to Miss Williams, secretary of the State Library Commission at Lincoln, to come out and advise us as to modern methods of conduct and building a library and she came Wednesday morning. She was well pleased with the progress made and the manner in which the library had been conducted, but suggested some changes in records which would more readily enable the officers to make their annual reports to the state association, which, in order to get financial aid from public funds must now be made as an association, properly organized.

Crete Takes Game from the Blue and White

Hard Fought Game Goes to the Fast Saline County Quintet in the Second Round.

From Friday's Daily—The Crete quintet, rated as one of the best and probable winner of the 1927 state tourney, eliminated the Plattsmouth team from the tournament this morning in a hard fought battle that was won by the Saline county team by the score of 14 to 6.

The score at the end of the first half was 6 to 0 in favor of Crete, Plattsmouth failing to score in the first half.

The Crete team falses one of the best forms of any team at the state tourney and in their battle with Havlock on Thursday night were able to hold them at will while in the Plattsmouth game they felt the difference in the fast and speedy Cass county team and who held the Crete team to a narrow margin to win.

The Crete team flases one of the mer of the St. Paul-Kearney game this evening at the coliseum and on Saturday will clash in the finals, as the prospects are that the Crete team will pass through the semi-finals without danger of defeat.

Crete scored but two field goals in the entire game and the winning scores were made on the free throws as the close guarding of the Plattsmouth penalized them and the deadly shooting eye of Crete was the winning factor for them.

St. Paul Upsets Dope in State Cage Tourney

Defeats Crete, Favorite for Champion After Crete Eliminates the Platters.

From Saturday's Daily—The greatest surprise in the Nebraska high school basketball tourney was pulled last night when the frisky St. Paul quintet, Loup valley champions, kicked over the dope bucket and eliminated Crete, the general favorite for the class A tourney honors by the score of 18 to 14.

The victory of St. Paul came as a blow to the hopes of Crete who had won in the morning game from Plattsmouth after a grueling game that seemingly had taken a greater toll of the energy of the Crete tossers than was apparent and which handicapped them when the St. Paul five swept them off their feet at the start and Crete was not able to step out in front through the game, although at the first quarter the score was tied 4 to 4 at the half, the second was 11 to 8 for St. Paul and the third quarter found the St. Paul team leading 14 to 5.

Grand Island will face the St. Paul team in the final battle of the tourney and the championship goes to the central western part of the state for the first time in many years as Crete was the last of the eastern Nebraska teams to remain in the going.

How It Happened to Us The Platters in their game Friday morning were demolished via the free throw route as the penalties laid on the locals were the cause of their defeat. Westcott star forward, being banished from the game in the last quarter on personal fouls and all of the team having one or two checked against them.

The score at the half, 6 to 0 for Crete with Hokus starting for his team both on the defensive and offensive play, as he scored two of the three field goals that Crete made and also four free tosses, Belka, center of the Crete team scored the other field goal.

The scoring for Plattsmouth was by Westcott and Perry with one field goal apiece while Perry connected for two free throws. The floor work of Hatt and Galloway for the Platters was the only rift in the gloom of the losing fight as they maintained a strong defensive against the Saline team.

The tabulated score of the game was as follows:

Plattsmouth—	FG	FT	PF	TP
Hatt, f	0	0	1	0
Westcott, f	1	0	4	2
Perry, c	1	2	1	4
Galloway, g	0	0	2	0

SUNSHINE CLUB NEWS Cass county's only Four-H Canning club met at the home of Miss Genevieve Daugherty Saturday afternoon, March 3, 1928 with five members, the local leader and the assistant leader.

The meeting was promptly called to order by the president. The secretary's report was read and approved. Dues were voted on and carried. The members decided to retain Edith Robertson as reporter, even though she has moved near Eagle, and will defray her expenses. All joined in singing a Four-H club song. Miss Christensen introduced a new "quotation" feature in her program plans. Marvel Skinner read "Opportunity" a poem in accord with Four-H ideals. Sunrise roll call revealed that the members had canned 11 jars of meats.

In the judging that followed, Irene Rueter's jar of canned beef won 1st, and Clara Rueter's 2nd. In canned tenderloin Marvel Skinner's was voted best. In canned chicken the jar of thighs won over the jar of wings. Jars of link sausage and ribs of pork were judged and scored the merits of clear liquid, clear glass, perfect sealing, attractive packing, salt, lids, and rubbers were brought out, and Mrs. Dougherty and her niece, Miss Delores Hill, served sweet buns with minced meat, pickles, white cake and fruit salad with whipped cream. The dessert was made by Miss Genevieve. Next, the members posed with their jars and Mrs. Robertson took their pictures in various groupings. April 14th is the date set for the April meeting, at which time Lesson VII will be taken up.
