New Baseball League Proposed for This Section

Omaha Teams, Plattsmouth, Nebraska City and Louisville Proposed In New Loop.

baseball management the proposition would make a good fast league.

The teams that are tentatively proposed for the new loop are the Knights of Columbus, Vinton Street Merchants, North Side Athletic clubs of Omaha, Plattsmouth, Nebraska City and Louisville.

The local team had planned on playing independent ball this year Very Pleasing and dropping from the Sarpy-Cass County league in which they have played for the past two seasons, many believing that more games at home would stimulate the local interest in the great national pastime, but they will give the new league serious consideration as it will embrace a number of fast and aggressive teams that should make a hot race for the league leadership.

The Nebraska City team has played independent ball throughout and what views the team there will have on the proposed league will be taken up by the sponsors of the new or ganization and it is hoped that the fast and aggressive Otoe team can be landed in the league camp as it would give a new field of operation and help in the league interest.

A meeting of the various teams is planned for Sunday at Omaha, when ing figure in the high school faculty the final plans will be discussed and during his services here and has the status of the organization deter-
