"Merry Stitches" Meet.

Saturday, March 24th, at the home of Dorothy and Louise Foster the "Merry Stitches" 4-W club was reorganized.

The club will be known as the "Merry Mixers" as they will undertake the problems of first year cooking. This is a fourth year club, the other projects completed being two years of sewing and one of hot school lunches.

Officers elected were: Helen Watkins, president; Margaret Murray, vice-president; Helen Fahrlander, secretary-treasurer.

It was decided to have the next meeting a potato meeting and the president also appointed Kathryn McCarrall and Dorothy Foster to demonstrate measuring ingredients.

A goal set by the club was for 500 recipes. Several of the girls also decided to keep the Food Habit Score card. After the business meeting adjourned the girls made candy. The next meeting will be held April 7th beginning promptly at 2:30 at the home of the leader, Mrs. R. E. Foster.

Mrs. Saxon Dies Sunday.

On last Sunday at the home of her son, Floyd Saxon, Mrs. George W. Saxon who has been very poorly following a stroke of paralysis some weeks since, passed away at the age of seventy-two years. Every attention was given Grandmother Saxon, but to no avail. The funeral was held on Wednesday. A fuller account of the life of this excellent woman will be given in a later issue of this paper.

A Solid Institution.

The Bank of Union which is serving a large clientele, has been enjoying a large degree of prosperity under the present management, and the people whom it serves should be well satisfied with the institution, which speaks much for the stability of the bustling city of Union. They have just issued a bank statement, intended for the first quarter of 1928, and which shows \$72,000 better than September 30th, 1927, and \$42,000 better than at the end of last year.

Appreciate the Help.

The Senior class of the Union high school entertained the young men who are assisting in the production of the class play which is soon to be played, "The Hoodoo," and showing their appreciation for the help rendered took the young men to Nebraska City, where they gave them an evening at the moving picture show.

Woman's Club Meet.

The Extension division of the Union Women's club met with Mrs. Hansel Tuesday afternoon, Mar. 20. At this time we were given the darning and patching lesson. Plans were finished for our local achievement day, March 27, and plans were made for the county achievement day which will be held Thursday, April 19 at Weeping Water. At the close of the meeting, Mrs. Hansel served delicious refreshments. The next

CUNNINGHAM IN CUSTODY

Philadelphia, March 26.—Thomas W. Cunningham, treasurer of the republican state committee, who refused to tell senate committee the source of \$50,000 he contributed to the William S. Vare senatorial campaign fund in the primary of 1926, was "in custody" thirty-four minutes today on a warrant charging him with contempt of the senate. Cunningham, who is sheriff of Philadelphia county, surrendered to a senate deputy sergeant-at-arms and was released on \$1,000 bail in habeas corpus proceedings, which will come up for a hearing April 5.

In the brief proceeding before Judge Oliver B. Dickinson in the federal district court, it was indicated that Cunningham will fight the contempt charge on the ground that the United States senate has no jurisdiction to investigate primary election contests.

DENIES DISCRIMINATION

Washington, March 26.—Denial was made today by the United States civil service commission of charges made by Representative Fish, republican, of New York, that the commission discriminates against war veterans. "It is the commission's wish to aid veterans in every lawful way and it does so," said a statement issued by the commission.

Barber Applicants Must Perform for Board

Applicants for Licenses Must Demonstrate On Patron, Barber Board Rules.

Fifteen applicants for licenses to practice barbering in Nebraska who have indicated their desire to participate in the first examination conducted by the state barber board, to be held April 9 in Lincoln, will each have to bring along a subject to work upon in order to demonstrate his or her capacity with razor, clippers, and shears.

Notice to this effect is being mailed by the barber board to every applicant. The place where the trying out will be held is a room at 232 South Tenth street, where headquarters of the master barbers' association has been established. In the same building with a barber supply house. Chairs and other equipment will be provided there, which would not be available at the capitol; but each applicant must bring along his own barber tools.

Shaving and shaving operations are scheduled to begin at 9:30 a. m. on April 9. This will be only part of the examination, however, as candidates will have to answer questions showing their knowledge of the requirements of the barber law in regard to towels, sterilizing tools, etc.; how to treat an accidental razor cut on a patron's face; how massages should be given and lotions administered; and other salient points pertaining to the trade.

Secretary H. J. Walker of the state

barber board does not want the impression to go out that the examination will offer an opportunity to the general public to get free shaves and haircuts. That phase of the affair is merely incidental to find out whether the applicants are qualified. However, it is expected that most of the subjects who appear with the candidates will be picked up in Lincoln, as one coming from a distance would hardly wish to go to the expense of bringing along a fellow townsman.

Besides demonstrating their ability to cut hair and shave off whiskers in the approved manner, to massage faces, shampoo heads, rub in tonics, and the like, every prospective barber must produce a certificate

showing that he has been examined for contagious diseases and found free from them.

The fifteen applicants now in sight for the first quiz at Lincoln is likely to be increased to twenty or more before the date arrives.

On April 11, the barber board will conduct a similar examination at Omaha, in the Castle hotel, beginning at 10 o'clock. About two dozen persons have already registered for that one.

Which Can Serve You Best?

There are eight republicans in the race for Congress in this district. Six from the city and two farmers. Both of the farmer candidates are especially well qualified to give the First District an able, efficient and active representation at Washington. THOMAS L. HALL, former member of the Nebraska State Railway Commission, is one of these farmer candidates. A graduate of the University of Nebraska. Six years banking experience. Nine years successful practice of law. Nine years on the Nebraska State Railway Commission. For the past seven years actively engaged in farming his 320 acres that represents his life's savings. He stands for any measure that will place agriculture on an equal basis with other industries. Believes in a radical curtailment of government expenses. He is, and always has been for the 18th amendment and the rigid enforcement of the Volstead act.
