PREPARED EXCLUSIVELY FOR THE JOURNAL.

## Now Ready for Work!

I have leased the garage of Jess Landholm, in Murdock, and am prepared to care for work on any kind of a car. Personal attention given to all work. Auto Supplies, Accessories, Gasoline and Oils. Best service.

**THEO. CARNES**  
Murdock, Nebraska.

Jess Landholm was looking after some business matters in Omaha for a short time on last Wednesday. Mr. Walter Stolz and family of Milford, Nebr., were visiting at the home of Arthur Rikli, last Sunday. Mrs. Wm. Langhorst of Wabash was a visitor for the day on last Wednesday at the home of her friend, Mrs. W. O. Gillespie of Murdock. Mrs. George Utt, has been visiting in Omaha for the past week with a sister and a daughter, where she has been enjoying the week very pleasantly. Christ Neben, purchased a new De Lavel separator last Saturday, from the local dealer. No other kind would do; he has tried one for seventeen years. Mr. and Mrs. L. Neitzel paid a visit to A. Rikli last Sunday. Mr. Rikli in his disabled condition is not able to leave home and is always glad for a visit from his old friends. Henry Angwert the manager of the Murdock Mercantile store at Murdock was a business visitor on last Wednesday at Omaha, where he was making purchases for the store. Herman Kupke was a visitor, having a load of hogs for the stock market, and which were carried there by the faithful truck of E. W. Thimman, who keep going nearly night and day. Mr. and Mrs. Gayle McDonald and the children of Hampton, where Mr. McDonald is one of the rural carriers, running out of that town, were over last Sunday and enjoyed the day most pleasantly. H. W. Tool was busy on last Wednesday building a brooder house for Wm. Stock, which will be a portion of the equipment of the poultry raising apparatus of the farm of this gentleman and his wife. George Trunkenbolz, the proprietor of the Trunkenbolz oil interests in Cass county, having stations at Estle, Elmwood, Murdock and Newhaska, as well as Union, was in Murdock on last Wednesday, looking after some business matters for a short time. Mr. and Mrs. Kenneth Tool who make their home at Ullyses were spending last Sunday with the parents of Mr. Tool in Murdock, they driving over in their car for the occasion, and enjoying a visit here for the occasion, then returning to their work at the bank in Ullyses. Postmaster and Mrs. L. B. Gorthey entertained for the evening and for a six thirty o'clock dinner at their home in Murdock on Tuesday of last week Miss Mildred Posler and Miss Edna Lewis, both instructors in the Murdock schools and at which time a most pleasant evening was spent. Mr. and Mrs. F. A. Melvin moved to the Mrs. Emil Kuehn property last week, they getting things over early in the week, that they might get arranged before the week end. This will make a good home for them and with a good fence will keep the boy in and allow at the same time much space in which to play.

The week started very nicely on last Monday when at the home of Mr. and Mrs. August Wendt there arrived a very diminutive little lady, who came to bless the home and make it her very own. And she will for she will be mistress of the place and no doubt. All concerned are doing nicely, the happy father and fond mother are expressing much joy. On last Sunday evening Mr. and Mrs. L. B. Gorthey had as their guests at their home in Murdock, Mr. and Mrs. Arthur Jones of Weeping Water, and Mr. and Mrs. Clifford Jones of Lincoln, and all enjoyed the occasion very much. They partook of a birthday dinner as it was the birthday of Mr. Clifford Jones, and the birthday of Grandmother Vanderberg occurring the following Sunday, April 1st, when she was 87 years of age.

**Will Hold Food Sale.**  
On April 7th, the Ladies Aid will have a food sale in the afternoon and evening, and will serve coffee and sandwiches, in the Old Bank building. Everybody invited.

**Hold Fine Gathering.**  
Mr. and Mrs. Fred Luetchens had a very sociable gathering at their home on last Sunday, March 25th. Among those being present were: Grandmother Luetchens, Grandmother Schewepe, Grandmother Ruge, Mr. and Mrs. William Vogt and children, Mr. Donald Fredenburg and the good wife, Henry Brand, Mr. and Mrs. Herbert Gehlert and children, Mr. and Mrs. H. F. Schewepe and children, Mr. and Mrs. Will Luetchens and children, Mr. Mrs. H. F. Luetchens and children and Mrs. Fred Prentice and children of Elmwood.

Everyone had a delightful time and all are wishing to come back again for a good dinner.

**Head for the West—But Come Back!**  
Two of the popular young men of the vicinity decided they would like to get out into the world a little bit and see how big it really is. So they set off in the direction of West. Day after day they traveled, until they came to a little city by the name of Ord. As they traveled through the streets of this city, they happened to meet two very beautiful girls and at once formed their friendship. In a few weeks they returned, bringing their friends with them. They all enjoyed a most wonderful time. And later a cousin of these friends of Ord, who also gained many friends, and who had come to take them home in the near future.

**Lost a Casting.**  
I lost a casting belonging to a stump puller, about eight inches long, between church north of Murdock, and my home. Call Herman Kupke, Murdock, Nebraska.

**Marking Intersections.**  
The state of Nebraska, in order

to make the traveling on the roads by autos safe, have devised a new plan for marking intersections which touch state and federal highways, and approaches thereto more safe. A sign is placed four hundred feet from all crossroad intersections of highways, back on the side roads, which requires the automobiles approaching and entering highways shall stop before they enter, in order that they may not be hit by the swiftly moving cars on the highways. The stopping requires that when the stop is made that the driver must make observation before entering the highway. John Eppings, the patrolman, has been installing their signs on his section of the highway.

Resar, exhibiting committees for Elmwood church were elected. They would like to have all club members exhibit something at this meeting. Please mark all garments. Mrs. C. Kupke is committee on transportation. Each member was asked to pay twenty cents to pay hall rent.

It was decided each member pay fifty cents dues next year since there is some expense to the club.—Publicity Committee.

**Pilgrims Abroad**  
It was the glorious sunshine and the beauty of a awakening nature that called the pilgrims early Sunday morning to get ready and go, to enjoy this privilege, of a wonderful trip to the capital city, there to worship with our "East Lincoln church" where Rev. O. W. Matzke is the beloved pastor. We enjoyed the Sunday school session, for one hour, which was followed by a refreshing service that brought the congregation face to face with the sterner realities of everyday life. The discourse was based on the text found in Luke 9:51. Last sentence. Theme: "The Unfinished Task." (a) Jesus knew His task; (b) he went to finish the same, nothing could divert him. This was a fine introduction to the Lenten season that reminds the church of the price it has cost the Son of Man, to redeem the world.

It was a glorious beginning of a perfect day. Thus another milestone is passed in our pilgrimage.

**Herman Kupke Sick.**  
Saturday morning Herman Kupke was suddenly taken very sick and after a consultation it was thought best to take him to a hospital, where his illness could be best looked after. Just what was the cause of the illness we did not learn, but are hoping that he may soon be well again.

**Will Open Up Garage.**  
We met Ronald Schlichtemeier last week, who has just purchased the garage at Elmwood, and who has made a complete revolution in the way the place is being conducted. Ronald is expecting to have an opening day on the fourteenth of this month, at which time he will have a number of the celebrated Whippet cars, and Willys-Knight and will have men there to demonstrate and explain the good quality of these excellent cars, as well as demonstrate them to the people interested. Ronald has been disposing of a number of these cars and will give some very substantial presents with the purchase of gasoline on the opening day. Look for his ad to appear in these columns in the near future.

## P-T-A MEETS

The Parent-Teachers association of the New Hope school in district No. 60, near Murray, held a very fine meeting the past week and one that was filled with the greatest interest and which had an attendance of some sixty of the friends and patrons of the school.

A playlet, "Tangles," was offered by the members of the association and the members of the cast, well chosen in their parts, gave a very fine presentation of this play. A number of the children of the school gave a song and pantomime, "The Tin Pan Parade," that was very much enjoyed by all of the party. Mrs. Guy Wiles was heard in a very entertaining negro dialect number that reflected the greatest credit on this lady. A harp solo by Stephen Beckner and a recitation by Mary Hiclen Dill, two of the young people of the school.

The ladies conducted the sale of pies at the entertainment that realized them a very neat sum.

The New Hope school is taught by Miss Gladys Meisinger, one of the accomplished young teachers of the county and who has been very successful in her work.

She was able to be at the home of her parents in Omaha and during the latter part of the week was able to return home again.

At the regular meeting of the Modern Woodmen of America, there was something more of a stir than usual, when it was noted about that the camp would enjoy the episode of Alexander Hamilton Humble, as he attempted to ride the M. W. A. goat, which had been fed and groomed for the occasion. The animal was foxy, but Brother Humble was also game and with the many capers which the Bla-bla-bla cut, the rider was able to hold to the long hair and in the end came out safe and sound. He surely knows more about woodcraft than he did before and is glad he does.
