RED CROWN ETHYL GASOLINE gives every motor a higher range of power for hill climbing, for responsiveness in traffic or when you want to jump past the car ahead. Deep mud, loose sand or hard going of any kind can't make your motor knock.

A tonic for every motor

and Smoother Operation

- More Power

This new and improved fuel acts like a tonic. There is, nothing like genuine Red Crown Ethyl Gasoline for power and economy, whether your machine is new or half worn out.

Carbon doesn't cause knocks, because the higher the compression is, the better Red Crown Ethyl Gasoline works.

It is always reliable, quick starting Red Crown Gasoline combined with Ethyl Brand of Anti-Knock Compound - a matchless combination for power, speed, quiet operation and economy.

Sold by reliable dealers and at Red Crown Service Stations everywhere in Nebraska.
