most wonderful phrases ever created, namely: "Forgive us our trespasses as we forgive those who trespass against us." What a wonderful proposition! We are asking that the same treatment be given us as we are willing to give to the other fellow. If we forgive as we are looking to be forgiven, then indeed are we signally blessed, but if we murmur these

words and have hatred in our hearts. then indeed is it a very sham, and we are getting in the end just the thing which we asked, for we are asking in sincerity just the attitude we hold to the other fellow. Let us,

therefore, pray with an understand- Journal Stockman, of South Omaha.
