

Mrs. Siemoneit Rallying Nicely from Wounds

Altho Suffering From a Great Loss of Blood, Victim of Farm Shooting Seems Improved.

From Saturday's Daily— Mrs. Fritz Siemoneit, victim of the wild shooting ory of Joe Altschaffe, farm hand of the Siemoneit family, is now showing the most pleasing improvement at the Immanuel hospital in Omaha to which place she was hurried early Friday morning after the shooting.

The greatest danger to Mrs. Siemoneit has been the fact that she suffered such an enormous loss of blood as the result of the wounds and which was flowing for almost an hour before the patient was able to be placed in the hands of a physician.

The lady has shown the utmost courage and her conduct at the time of the shooting was most heroic in her return to the house to rescue her daughter and also to try and summon help while the house was being riddled by the shot gun shells and the hired man still intent on his work of wiping out the Siemoneit family. There are very few men or women that would have showed the courage displayed by this lady who bleeding from severe wounds and in the face of almost certain death tried to summon help.

Her most severe wound has been that inflicted in the left shoulder, this being very badly shattered and which offers the greatest problem to the attending surgeons as the muscles and tendons are torn and lacerated by the effects of the shots and while the arm may be stiff as the result of the injuries, every effort will be made to get the arm restored to its former usefulness.

Mr. Siemoneit returned home last evening from the hospital where he had spent the day with the wife and he reports that she was resting as easily as was possible with the wounds and the attendant shock that had been suffered as the result of the shooting. The patient was given nourishment at the hospital and seemed to be regaining a part of her strength, despite the great amount of blood that she had lost as the result of the wounds.

The many friends trust that the patient may continue to improve until she is able to return home here and resume her usual activities but she will probably have to spend some time at the hospital.

GIVES DELIGHTFUL LECTURE

From Friday's Daily— Last evening the residents of the city who are lovers of art and the development of this important phase of our civilization, were given a real treat when the Lewis and Clark chapter of the Delphians presented Mr. Frank Atwood Almy of Omaha in his illustrated lecture on the history and development of art.

The lecture opened with the lecturer taking up the work of Cimabue, one of the earliest known artists of the thirteenth century and known as the father of modern school of art. The speaker took up the Flemish, Dutch, German, French and Spanish and traced the various studies down to the present time.

The lecture was illustrated with slides, showing a great many of the types of famous paintings of the various countries and their development which was a very able assistance to the thorough lecture of Mr. Almy.

The talk brought the study of art down to the modern day and was one of the most pleasing and thorough that has been heard in this city in many years.

The lecture covered fully the course of the year's study of art by the Delphian society and was especially enjoyed by the ladies of this well known educational society.

The speaker was introduced in a very pleasing manner by Miss Barbara Gering, president of the Lewis and Clark chapter and who covered in outline of the chapter work in her remarks.

KUNZ-BORNEMEIER

On Thursday, June 14, 1928, at six P. M., at the beautiful country home of Mr. and Mrs. C. D. Kunz, occurred the marriage of their daughter Gladys Dorothy to Henry E. Bornemeier.

The ceremony was performed in the presence of the immediate families. Alfred Bornemeier sang a tenor solo, "Because" accompanied by Ella Bornemeier Kunz, and the wedding march, "Lohengrin" was played by Norma Kunz. The marriage lines were read by the Rev. Chas. Lewien. After the ceremony a bounteous dinner was served in the dining room. The guests found their places with place cards in the form of flower girls and brides.

The bride was dressed in a beautiful navy blue georgette and carried a shower bouquet of blue tea rose buds tied with white tulle. The groom wore a suit of navy blue.

The house was decorated in white crepe paper and a white wedding bell. Both bride and groom are graduates of the Elmwood High School. The groom has been engaged in farming and the bride has helped in the duties on the farm with her parents. The happy couple will reside on the farm three miles north and one mile west of Elmwood.

The many friends of both the bride and groom extend to them the best wishes for a long happy and prosperous voyage for life's matrimonial sea.—Elmwood Leader-Echo.

Some powerful sermons against intolerance would help the world.

ENTERTAINS AT BRIDGE

From Thursday's Daily— The beautiful home of Mrs. J. E. Wiles on Chicago avenue was the scene of two of the most charming social events of the early summer season, Wednesday afternoon and evening. Mrs. Wiles and Mrs. J. W. Crabill and Mrs. L. L. Wiles entertained jointly in the first two of a series of social events.

The home was brilliant with the decorations of pink roses, the color scheme being used at both the afternoon and evening entertainments, the roses with their bright color and the general artistic arrangement of the home made the event more than usually pleasant.

The first of the series was a 1 o'clock bridge luncheon and at which the guests numbered some twenty-eight ladies. In the playing Mrs. H. A. Schneider was awarded the first prize for her skill, Mrs. R. W. Clem-

ent, second and Mrs. Frank L. Cummins the consolation prize.

In the evening another delightful period of bridge was enjoyed with some thirty-six guests in attendance and in the contests Mrs. C. E. Hartford received the first prize, Mrs. J. G. Maury, second and Mrs. Emil J. Hill, the consolation.

In the serving and entertaining the hostesses were assisted by the Misses Marguerite and Helen Wiles, Alice Crabill and Harriett Northcutt of Omaha.

Lone Bandit Gets Loot of \$50,000 in Train Holdup

Robber Leaves Train at Michigan town, and Flees in Waiting Auto.

Blissfield, Mich., June 22.—A bandit held up the express car of the Detroit-Toledo New York Central passenger train here tonight and escaped with a money shipment estimated at 50 thousand dollars, according to reports to the local officials. The robber, who is believed to have boarded the train at Detroit, hurried the bound express messenger onto the station platform as the train slowed down here and then leaped off the train himself and

boarded a waiting automobile in which he made his escape.

The robber obtained about 50 thousand dollars in currency from one bag and rifled a number of others, according to the messenger. The 50 thousand dollars was in bills of small denomination, the messenger said.

Attention of persons on the station platform was attracted to the messenger bound hand and foot, and little notice was taken of the robber as he dropped down from the express car here.

Released from his bonds, the messenger said he was sorting mail when someone from behind pressed a gun to his back. The loot was placed in a hand bag and the robber then went through the other bags leisurely until the train reached here, according to the messenger.

Police believe the robber had accomplished waiting for him in the automobile here. Authorities of all surrounding towns were immediately

notified to be on the lookout for the robber car, but at a late hour no trace of the machine or the fugitives had been found.

The robber was described by the messenger, according to police, as being little more than a boy, fashionably dressed in a blue suit, tan shoes and a light felt hat. The messenger said he is about five feet ten inches tall and weighs about 160 pounds.—World-Herald.

KLAN HOLDS MEETING

From Friday's Daily— Last evening a meeting was held at the American Legion auditorium under the auspices of the Ku Klux Klan, which had rented the building for the meeting and at which there was present one of the leading workers of the order from Lincoln.

The meeting was devoted largely to the discussion of the political issues of the day and directed prin-

cipally against the candidacy of Governor Alfred E. Smith for the democratic nomination for president. The speaker devoted some time to the exposition of the organization's opposition to the New York governor and also to the discussion of many points of the Klan's attitude toward national government and the religious position of the order.

The meeting was of a public nature as many invitations had been sent to residents here who were not members to attend the meeting.

Mrs. H. W. Heinemen of Columbus, Nebraska, arrived here yesterday afternoon and will enjoy a visit here for several days with her son, Dr. P. T. Heinemen and wife and will be joined here Sunday by Mr. Heinemen, who will also enjoy a visit here with the son.
