Andy Nelson, Old Resident, Dies at York

Aged Gentleman In Poor Health for Number of Years Succumbs to His Long Illness.

From Tuesday's Daily—
 This morning a message was received here by Hans Seiver, secretary of the local Odd Fellows lodge informing him of the death last night at the I. O. O. F. Home at York, Nebraska, of Andrew Nelson, former resident of Plattsmouth and who has for the past two years made his home at the Home at York.
 Mr. Nelson, who was 77 years of age, has made his home in Plattsmouth for the past forty years, coming here from his home in Sweden and was for thirty-five years engaged in work with the Burlington, largely in the boiler house of the company at the local shops. His failing health made necessary his retirement until his condition made it necessary for him having almost constant care and which caused him to go to the Odd Fellows Home where he has since resided. Mr. Nelson was unmarried and as far as known had no relatives in this country.
 The news of the death of Mr. Nelson brings a great regret from the many old time friends in this community as he was a very genial and pleasant gentleman altho of a retiring nature, but the friends that

he had made will long remember him as a splendid man and a true friend.

The happy event took place at seven o'clock Friday, July 27th, at the home of the bride's parents, Mr. and Mrs. Nels Lindskog, 241 south 28th St. The great uncle of the bride, Rev. D. M.  An informal reception followed the ceremony.
 Mr. Heebner, who is now the assistant cashier of the Farmers and Merchants Bank of Imperial, Nebr., is a Nehawka young man, having been born and grew to manhood in this community. He left here a few years ago and went to the western part of the state and now has a bright future in the banking business with the firm he is now associated with. He took his bride direct to Imperial where they will make their home.
 The many friends of Mr. Heebner in this community will be glad to hear of this happy event and will join us in extending the newlyweds our heartiest congratulations.—Nehawka Enterprise.

First Suit Filed to Clean Up Taxes on Real Estate

Move to Place Long Delinquent Property on Tax List by Selling to New Owners.

From Tuesday's Daily—
 The first suit to be filed in the campaign to clean up and again place on the tax list property that has large accumulation of taxes, has been filed by County Attorney W. G. Kieck and covers property that is desirable is the large amount of taxes is cleared up and the property sold and placed in the hands of those who will see that the property taxes are paid.

The suit involves tracts of property in several parts of the city, including the lots at the corner of Main and Richey streets, the land occupied by the former Sharp machine shops and the Alfa-Maize mill on Third and Pearl streets as well as two buildings on lower Main street, one of which has been empty for some time and the other one which is used only by living apartments on the second floor of the building. The last two buildings are those known as the Pearlman building and that erected by Peters & Richards a number of years ago. Another piece of property that is involved in the action is that at the corner of Seventh and Main street.

It is hoped by these actions to clear up the taxes on the property or at least to realize something of the amount that is due the state, county and city and to again make the property one on which the regular return of taxes may be expected each year.

Fred Engel, Veteran Salesman, Passes Away

Well Known in This City Where He Has Visited Trade for the Past Forty-Eight Years.

From Monday's Daily—
 The death of Fred Engel, 79, one of the oldest traveling men in the west known in this city, occurred Sunday noon at his home, 4907 North 24th street, Omaha, following an illness of several weeks.
 Mr. Engel has traveled for the firm of McCord-Brady Co., of Omaha for the past forty-eight years and was a well known and loved figure among the commercial salesmen of eastern Nebraska and western Iowa. He was a familiar figure in Plattsmouth as he had made this city as a part of his territory since starting with the Omaha wholesale house and enjoyed a large acquaintance among the business men of this city, who learn with regret of his passing.

Mr. Engel was born in Burlington, Iowa, in 1849 and sold groceries for the Burlington wholesale grocery in the pioneer days of Iowa. He was married on July 1, 1878, and the friends of the family had planned a golden wedding observance but the illness of Mr. Engel prevented this being held. The deceased came to Omaha at an early day and built his present home in 1886, this being then in the country districts of Omaha altho it is now in the heart of the city. He is survived by his widow, a brother, John Engel of Duncan, Nebraska, and two grandchildren, Frederick and Elizabeth Engel, Hebeopos.
 The death of Mr. Engel brings a great regret to the host of friends in this city and who share with the family the sorrow that has come to them in their loss.

JIMMY MAKES GOOD START

From Monday's Daily—
 Jimmy Kowicz, who has been pitching here as Jimmy Eaton, made his debut in the Nebraska State league Sunday, pitching a bang up game for the North Platte Buffaloes against Beatrice. Jimmy held the Beatrice team to four scattered hits and scored a shutout, 4 to 0 against the Blues. Jimmy also made a hit to his record for the day. The friends of the young man here awaited the game with a great deal of interest and were pleased with his success at the opening game. The North Platte team will find Jim a most valuable man in their line up without a doubt.

WASHOUTS DELAY TRAINS

Sunday the Burlington train service from the west was crippled by the fact of washouts on the lines of the road in western Nebraska, bad storms in the vicinity of McCook making it necessary to detour the trains over other lines to Omaha and causing several hours delay in the east bound trains. Train No. 6, due here at 7:15 was annulled owing to the delay in the running time. This part of the state escaped the storm but enjoyed the wonderfully fine cool weather that came as a great relief after the extreme heated spell.

SICK FOLKS DOING WELL

From Tuesday's Daily—
 The reports from the Methodist hospital at Omaha state that Mrs. Fred Lugsch is doing very nicely, as is little Miss Dorothea Mae Duxbury. The two patients now are in the same room at the hospital and find much pleasure in the company to each other and which makes the time pass more pleasantly. The cases are not serious and rapid recovery for both is foreshadowed.

Stray Dogs are Menace to a Community

Rabies Not Caused by Lack of Water or Hot Weather, But by a Germ, Says Dr. Wilson.

Rabies in dogs is caused by a germ and not by lack of water, hot weather or teasing by children, says Dr. W. H. Wilson, chief of the state bureau of health, in answer to newspaper items. He says rabies is spread by a rabid dog biting other dogs and the disease is passed along. He points out that a rabid dog will die in ten days and thus confinement for observation is urged. Delay in the use of antirabic treatment by human beings is fatal, he says.
