Nab Two Convicts from Lincoln in Hot Chase

Iowa Deputies Nip Attempt to Rescue Wounded Pal; Win Desperate Automobile Race.

Sioux City, Ia., Aug. 29.—After a thrilling chase from Sioux City to Hinton, Ia., near here, and back to James, Ia., two escaped convicts from the Nebraska penitentiary were captured Tuesday afternoon by Woodbury and Plymouth county deputy sheriffs.

The convicts are Henry Wehde and Fred Ulrich. Hugo Wehde, brother of Henry, was with the men when they were taken into custody. Henry Wehde, who had been wounded here Sunday and taken to a local hospital, where he was rescued by the other two men Monday morning, could not get out of the car which deputies captured. He was brought back to Sioux City. The other two were taken to Lemars.

Bundle Him Off.
Hugo Wehde and John Ulrich took Henry Wehde about 9 o'clock Tuesday morning from St. Joseph hospital. They entered the room he was occupying, wrapped him in a sheet, took his clothes from a closet and carried him out a back door of the hospital.

The two convicts were serving sentences in the Nebraska prison for a Dakota county burglary. They stole an auto at Emerson, Neb., and drove to Fargo, N. D., where they stole another car and came to Sioux City.

Got Out August 5.
Lincoln, Neb., Aug. 29.—John Ulrich, 17, and Henry J. Wehde, 21, escaped from the Nebraska reformatory August 5. They broke from a line of prisoners while returning from a picture show on the grounds late at night and climbed over a wire fence under cover of darkness.

Shots fired by a guard failed to stop them.

Wehde was said to have relatives in Sioux City. They were sentenced from Fremont, June 2 to serve 18 months for burglary.

Superintendent Gus Miller of the state reformatory left Tuesday evening for Sioux City to bring back the escaped prisoners.—Omaha Bee-News.

OFFERS AID IN IOWA TORNADO

Atlantic, Ia., Aug. 29.—Aid to victims of the tornado which swept southwestern Iowa Sunday, leaving in its wake loss estimated at \$1,000,000, was offered by the National Red Cross, according to word received here, by Red Cross workers from William M. Baxter, jr., manager of the Midwest branch of the organization, with headquarters at St. Louis.

Although many were left homeless by the storm, it is not believed that outside aid will be necessary. William Bressie, Oakland action hand, who was seriously hurt when his home was picked up by the twister and carried across the street, is reported to have suffered a relapse and little hope is held for his recovery. Others injured in the storm, however, were reported as improved Tuesday. Funeral services for Richard Smith, 19 months, will be held Wednesday morning at 11 o'clock at the Elliott Methodist church. Double funeral services will be held for F. T. Jarvis and son, Duane, Thursday, according to present plans.

Residents of the storm area went about clearing the wreckage Tuesday afternoon, three crews of men tearing down remains of the house and other buildings at the O. L. Lawson farm near Oakland and erecting temporary sheds for cattle and livestock. This farm was damaged to the extent of more than \$50,000.

KANSAS PARTIES GATHER

Topeka, Kas., Aug. 28.—Chauncey B. Little, democratic nominee for governor of Kansas, today made the prediction "every dollar of the war debts will be canceled," if Herbert Hoover is elected president.

Planks endorsing the eighteenth amendment were included in platforms adopted by both republicans and democrats of Kansas at their party councils here today. The democratic council also adopted the report of its resolutions committee endorsing the McNary-Haugen bill.

John W. Wells of Olathe was elected chairman of the democratic state central committee. The republican state central committee elected Alfred M. Landon of Independence chairman. Socialist party leaders also adopted a party platform and elected Arthur Bridewell of Baldwin state chairman.

CHARLIE CHAPLIN IS SEEKING \$15,000

New York, Aug. 29.—Charles Chaplin, screen comedian through his attorney, filed a request with the supreme court Tuesday for jury trial of a suit filed some time ago against the First National Exhibitors Circuit, Inc. He seeks approximately \$15,000 in foreign royal ties he claims due him for showing of his picture, "The Kid," outside the United States from May until the present.

Several months ago a suit brought by Chaplin against the First National companies for royalties on the picture from November, 1925, to May of this year was settled for approximately \$75,000, according to Chaplin's attorney.

Iowa Woman Ill in Omaha, Reveals a Fortune

Logan Spinster Asked Friend to Get Money For Hospital Bill Here—Found \$41,008.91

Logan, Ia., Aug. 28.—Stirred by the discovery of 41 thousand dollars in cash and negotiable securities in the basement of the home of Miss Nellie Hendricks, 62, painter and property holder, this town of a few hundred inhabitants was wondering tonight if another such fortune might possibly be secreted—and if so, where.

Miss Hendricks hurriedly left her sickbed in the Nicholas Sen hospital in Omaha for her home as soon as the news of the discovery reached her in the evening. Every last person in town turned out for her return, which was made in an ambulance because of her condition. She had been in the hospital two months following a paralytic stroke.

Has Money in Bank.
Part of the fortune was gathered through her real estate, they say. She owns a number of homes in Logan. The remainder was left her by her brother, according to those closest to the woman.

Miss Hendricks has an additional two thousand dollars in First National bank, according to C. M. Wood, the president. The 41 thousand was deposited here by Sheriff Cross after the county treasurer refused to take it.

Mr. Wood said that Miss Hendricks had done business with Chicago and Davenport, Ia., bond houses to his knowledge.

Confided in Friend.
Her return failed to satisfy their curiosity. Always politely aloof, Miss Hendricks was even more so as she returned to the unpretentious home where for years a fortune had been stored, known only to her and a brother, John, now dead.

Discovery of the fortune was made by Sheriff Cross, Mrs. Mary Parkin and Mrs. Mary Pugh. Mrs. Parkin, a neighbor, had been called to Omaha by Miss Hendricks, who said she needed money to pay her hospital bill. She told of the hidden place.

Stuffed Into Fruit Jars.
The money was stuffed into glass fruit jars, piled one on top of another in a small hole about three feet deep. This was covered with earth, but chains attached to the money jars protruded. There was \$8,965.50 in currency, with some coins, and the balance in securities. The total was \$41,008.91.

Logan people say Miss Hendricks and her brother inherited some money from their father 15 years ago, but the bulk of the hidden fortune is believed to have been garnered by frugal living and shrewd investments. Still, they point out, Miss Hendricks lost 15 thousand dollars through unwise loans following the postwar deflation. Her father died without leaving a will, and the amount of his estate was never made known.

BLAINE FOR SMITH

Burlington, Wis., Aug. 28.—The long-awaited announcement of the attitude of United States Senator John J. Blain, republican, on his attitude toward the republican presidential ticket came this afternoon in the course of a speech which Mr. Blain delivered on the street here.

After discussing state politics, Senator Blain said: "I have no doubt that my friends and supporters are going to vote for Governor Smith for president. These are times when partisanship must not blind us. We must condemn republican silence on the scandals of the Harding administration, as an accessory after the fact."

Blain's statement is support of Smith brought applause from the crowd.

Hail Insurance Takes Decline

Only 469 Policies Of State Protection in Force—Season Has Been Light One

With only 469 policies in force bearing premiums amounting to \$29,486.29, the 1925 hail insurance business conducted by the state was the smallest it has been in several years.

The writing of policies was brought to a close on August 21, but the risk period extends to September 15 so the report issued Saturday by J. R. Dumont, chief of the insurance bureau does not contain figures on losses paid this year. The season has been a light one, however, so far as losses are concerned and there will undoubtedly be a surplus left in the premium fund after all losses are paid.

No losses will be paid until the month of November. County treasurers are required to turn in all premium receipts by November 1.

Last year, 1,265 policies were issued on which premiums were collected in the amount of \$51,786.69. Losses adjusted amounted to \$7,256.20, but payment was made on only 85 per cent of the adjustments. Out of the premium receipts and the surplus of \$14,000 carried over from 1924, only \$1,725.87 was left in the insurance fund after losses and expenses were paid for 1925.

Though the premium receipts are very much less this year it is expected that lighter losses will result in a small surplus this year. Cheyenne, Thayer, Hamilton, and Phelps counties are responsible this year for the largest number of policies purchased. Cheyenne leads with premiums amounting to \$3,606. Thayer is second with \$2,030.80, Hamilton third with \$1,382. Lancaster county is included among those counties whose premiums amounted to more than \$1,000, Lancaster county's total was \$1,015.

Sixty-one out of the 93 counties in the state are included in the list of those in which policies were purchased.

Los Angeles, Aug. 28.—Subpoenas were issued today for five new prosecution witnesses in the trial of Leo P. Kelley for the murder of Mrs. Frank Mellus. The witnesses, whose complete identities the district attorney's office declined to reveal, were three women and two men, whose first names were given in three love letters the accused man had written Mrs. Mellus.

Prosecuting attorneys indicated the new witnesses were close friends of both Kelley and Mrs. Mellus, and that testimony would be sought from them concerning parties they attended with the couple. Other love letters, those written by Mrs. Mellus to young Kelley, also were announced today as about to be given an airing in the case.

Hiram Johnson Takes the Lead in California

Winning Six to One Over Randall for the Senatorial Nomination—Moroe was Unopposed

San Francisco, Cal., Aug. 28.—A lead of more than six to one was rolled up by Senator Hiram W. Johnson over his republican opponent, Charles H. Randall, when returns from 865 of the state's 9,082 precincts were tabulated tonight. Senator Johnson sought his party's nomination for his third senatorial term at today's California primary election. The 865 precincts gave: Johnson 29,139; Randall 4,618.

Early returns indicated that Representative Henry E. Barbour (rep.) from the Seventh California district would win the democratic nomination, as well as that of his own party, in what he had no opponent. For the democratic nomination he was opposed by John H. Fatweather, Redley.

Minor Moore, Los Angeles attorney, is unopposed for the democratic senatorial nomination.

Democrats Renominated.

Columbia, S. C., Aug. 28.—South Carolina democrats voting in the biennial primary election, which usually is equivalent to election, today renominated every member of the present delegation to congress. ENGULFED BY HIGH WATER

Ellenville, N. Y., Aug. 26.—Three persons were reported drowned and between forty and five hundred were rescued by boats when waters of the Rondout creek engulfed the Napanoch country club here late today. Two of the drowned were reported to have lost their lives trying to rescue others from the raging waters.

The creek, reported to be running forty feet deep, surrounded many houses to the roofs. Twenty houses at Napanoch, a village of about 600 residents, were engulfed. The inhabitants fled to higher ground.

A passenger train on the Ontario and Western railroad, which left Ellenville late in the afternoon, reported to be completely surrounded five miles from Ellenville. It could not be determined if the passengers still were aboard.

OKLAHOMA G. O. P. MEETS

Oklahoma City, Aug. 27.—Oklahoma republicans in their convention here today endorsed the national party platform and state and national party candidates, with special approval given the national platform for its enunciations with reference to prohibition enforcement, farm relief, restriction of immigration, aid for labor, flood control and extension of work on inland waterways.

The rise in the water followed a cloudburst, which lasted nearly an hour.

A prominent churchman was shocked by the wickedness of New York, but he wasted three fruitless days before he asked a taxi driver to show it to him.

IDAHO G. O. P. NOMINATES

Kellogg, Ida., Aug. 28.—Governor Baldrige was nominated as candidate for re-election by the republican state convention here today. John Thomas of Gooding was nominated for United States senator.

C. H. Potts of Couer d'Alene, temporary chairman of the convention, in the keynote address paid tribute to President Coolidge and Herbert Hoover, the republican presidential nominee. Potts said the three issues of the campaign are: tariff, farm relief and prohibition. He said Idaho had enacted prohibition long before the eighteenth amendment, and added, "It is a dry state and will remain dry."

Democrats to Spend \$500,000 in the Midwest

Raskob Says That Radio Campaign Will Call for \$600,000—Budget of \$4,000,000.

St. Louis, Mo., Aug. 28.—The democratic party will spend 500 thousand dollars in a drive for support in 10 corn states, and 600 thousand dollars in radio campaigning, John J. Raskob, chairman of the democratic national committee, said here today. Raskob and a number of other party leaders were here for conferences with state leaders from eight middle western states.

The budget of the national democratic committee, Raskob said, calls for four million dollars to be raised and spent during the presidential campaign. This is an increase of one million dollars over the budget announced in New York July 26, he said.

"The republicans have set their goal as from three million to four million dollars, but I have information that it is between six million and eight million dollars, Raskob said.

Turning to farm relief, Raskob said the east "has never understood the farm problem."

"I have never met a man, including myself, who understood the McNary-Haugen bill, he said. "Governor Smith has arranged for a survey of the situation by a capable economist, and, if elected, he will be able to recommend an agricultural program which will win the support of

A deal of considerable interest was consummated in Gillette the first of the week when W. H. Edelman, Jr., took over the ownership and management of the drug and jewelry business until the time owned by Dick Stone.

It was announced Saturday that Gillette, Mr. Edelman and Frank Hiber, also connected with the Sheridan store, had purchased the Gillette business, and that Junior will be in charge there, while Mr. Hiber will remain with the Sheridan store. The boys will have the well wishes of many Sheridan friends. The new store will be known as the Edelman Drug company of Gillette.—Sheridan (Wyo.) Journal.

Raskob and his party will leave tomorrow night for Hot Springs, Ark., to attend notification ceremonies for Senator Joseph T. Robinson, vice-presidential candidate.

Meets with State Leaders.
Raskob and Senator Peter G. Gerry (R. I., heard, studied and deviled into the campaign situations in eight middle western states in a series of state conferences arranged by Senator Harry B. Hawes, chairman of the central regional division of the democratic national committee.

Throughout the day Raskob and others admitted to the closed sessions received the reports of democratic organization leaders from Illinois, Missouri, Iowa, Kansas, Nebraska, Oklahoma, Kentucky and Tennessee. The aggregate attendance was about one hundred.

Generally the reports were encouraging, but the leaders were presented accounts of the obstacles over which the democrats must push if they are to elect Governor Smith for president.—World-Herald.
