PRESCRI PREPAID 1000 Bu. \$120.00

No man can afford to be without Red Top Storage for at least half his crop. No man can afford to risk selling on a depressed harvest time market. Nor can he afford a 10% shrinkage from piling on the ground. More than 75,000 Columbian Steel Bins are helping grain growers take bigger profits. Every grain section of the

country is dotted with Red Top Bins. Columbian is the original steel grain bin. Year in and year out it is the big-gest seller. It is the sturdiest - the biggest value. It improves the quality of grain stored direct from combine or threshed from shock or stack. Alfalfa, blue grass, clover and other

valuable seeds are as completely pro-tected in Red Top Bins as cereals, corn and kaffir. Handy for all farm storage such as sacks, harness, tools and smoked meat.

**COLUMBIAN STEEL TANK COMPANY** 

Red Bottom Tanks Five years on the market; outselling everything in their field. Why? Because the good features of a dozen other Columbian tanks and a third of a century of tank making experience are built into them. Warranty stamped into each tank. Most popular because biggest value.
