

Omaha Man is Drowned at the Cedar Crk. Lake

Hans Larson, Aged 57, Meets Death While Swimming Sunday Afternoon in Lake.

Sunday afternoon at 4:30 Hans Larson, 57, residing at 2410 South 60th street, Omaha, met death while swimming in the lakes near Cedar Creek, where he with a party of friends had gone to spend the day.

Mr. Larson had been enjoying the day fishing and while he was near the edge of one of the lakes he dropped his watch in the lake and at once stripping off his clothes with the exception of his underwear, he plunged into the lake and succeeded in recovering the watch as that portion of the lake was quite shallow. Later he decided to take a swim and ventured out farther into the lake and his companions were shocked to see him sink from sight in the deeper waters and he never came to the surface again.

Parties who were Sundaying at the lake tried to rescue him but were unable to reach the body and bring it to the surface and finally a raft was used which has been used in the recovery of bodies, was secured and after an hour of work the body was brought to the surface.

One of the members of the party at the lake was experienced in first aid and attempted to revive the man but little water was brought from his lungs, this leading to the belief that the death of the man had been occasioned by a sudden heart attack in the cold water of the lake.

Sheriff Bert Reed was notified of the death and hastened to Cedar Creek and assisted in the work of trying to get the man out of the lake.

The body was brought here to the Straight undertaking rooms where it is being held pending work from the relatives at Omaha as to their wishes in regard to the disposal of the body and unless word is received the body will probably be buried here.

Mr. Larson was a well digger by occupation, the members of the outing party state and had been separated from his wife, but has five sons, some of whom are living in Omaha, but whose whereabouts are unknown to the friends of Mr. Larson. It is stated that the unfortunate man had some money at Omaha that should more than pay the cost of his burial but the arrangements for the funeral cannot be completed until the family are reached and their wishes ascertained.

Great Struggle with Dr. R. P. Westover Requires Thirty-Eight Holes to Win One Down

From Monday's Daily—One of the golf struggles that will be the topic of conversation for many weeks among the local golfers was that which was staged yesterday at the Country club course for the city championship between Dr. R. P. Westover, last year champ, and A. O. Moore, an ex-champion and who demonstrated that in this game the retired champ can come back.

The players were running in great form, battling constantly to a tie throughout the long contest. As the finish of the thirty-six hole limit for the championship drew near, Dr. Westover was two down on the 34th hole, but succeeded in gaining the two succeeding holes to stand in a tie at the finish of the 36th hole. On the tie two more holes were to be played to decide the championship and both tied on the 37th hole, but on the 38th, the title holder missed by one stroke and the championship cup was awarded to Mr. Moore.

The play in the four rounds comprising the thirty-six holes, was as follows:

First Round	
Moore	3 3 4 4 3 3 7 6 4—37
Westover	4 4 5 4 3 3 4 4 4—35

Second Round	
Moore	4 4 3 4 5 3 4 6 5—36
Westover	5 3 3 4 3 2 5 4 5—34

Third Round	
Moore	3 4 4 4 4 4 4 3 4—34
Westover	3 4 3 4 5 4 4 4 5—36

Fourth Round	
Moore	3 4 5 4 5 3 4 4 5—37
Westover	3 4 4 5 3 5 3 4 4—36

In the fifth round both tied on the first hole with 4 apiece, but Moore sunk the ball in the second hole with 3, while Westover required 4, thus ending the contest in the 38th hole, with Westover one down.

In the President's flight, the winner was Paul Wohlfarth, who won from John Bauer in the finals, 5-6. The consolation brought out a number of contests and in the championship consolation rank Horsack was the winner from Sidney W. Bell.

In the President's flight consolation, E. J. Richey was the winner over Charles E. Hartford, 2-1.

Platters Take Great Game from Omaha K. of C.

Score of 1 to 0 in Eleven Inning Battle Thrills Fans With Fast Fielding.

From Monday's Daily—The baseball fans that journeyed down to the river-view park Sunday afternoon had the opportunity of seeing one of the most exciting games that has been staged on the local lot and one in which the visiting K. of C. team of Omaha and the Platters both showed some real fielding to make the game go into the extra frames.

The Knights of Columbus were in the finals in class B at the Council Bluffs tournament and have proven themselves one of the fastest teams in the big city but yesterday were one point behind the locals when the game closed with a 1 to 0 margin in favor of Plattsmouth.

Herbert Swanson for Plattsmouth and Gepson for the Knights of Columbus each hurled a nice game of ball with Swanny giving eight scattered hits and Gepson four, but both hurlers had the sweetest of support both in the infield and the outfield and many sure hits were knocked down and grabbed off by the best footed fields of both teams. In this part of the game Nick at short, Kinneer at third and Walsh in center field for the visitors, showed class, while Newman, Klauschie, Krejci, Distell, Trumble and Spidell all pulled off real fielding stunts that checked the hopes of the visitors.

The Platters looked good to do some business in the second inning of the game when Joe Krejci led off with a two base rap, the longest hit of the game. Bill O'Donnell drew a walk from Gepson and then Spidell hit a short fly to right that brought Nick to third and filled the sacks with no one down. A golden opportunity to score failed when the signals were all twisted up, Krejci starting from third for home as Svoboda grounded to Gepson and Joe was caught at the plate and Svoboda also checked at first base. When Swanson grounded to Nick at short Spidell was caught at second and ended the chance of scoring.

When the game swung into the extra innings in the eleventh the visitors made a desperate attempt to get into the scoring when Walsh opened with safe a drive over short stop and was able to get to second on a passed ball, Nick was out on a grounder to Swanson who threw him out at first and then Camero, the receiver of the visitors proceeded to make a bid for victory with a short hit to right that was safe for Camero but was too bad for Walsh, as Walsh attempted to score and Trumble threw from right into home and Spidell had the ball waiting for Walsh. Camero was out when he was caught between first and second by Gansemer and O'Donnell.

As the last of the eleventh came on the visitors weakened and Gepson decided not to pitch any more of the game and Walsh had to come from the center garden to try and dish out the balls and strikes to the Plattersians with the result that Distell reached first safely on the error of A. Nick and was able to stroll around the bases as Trumble was being walked and on a wild heave at the plate by Walsh that Camero missed, Distell scored and the game was over.

The tabulated score of the game was as follows:

RETURNS FROM MISSOURI

A well known young man employed in the local Burlington shops has just returned from a vacation trip down in old Missouri, and particularly that part that lies amid the beautiful wooded areas of the Ozarks. The young man had enjoyed his vacation very much and the friends state is again becoming used to the necessity of wearing shoes, foregoing chewing long green and other of the pleasure of the country of the houn' dog and possum. However, much the friends may joke, Paul says he had a fine time and enjoyed the wonderful meals that the land of southern hospitality is famous for and of which there is none more hospitable than that section of the Missouri Ozarks.

Stolen Dresses Found Concealed Along Roadside

Garments Taken From the Pease Store Saturday Afternoon Are Found by Clyde Jackson

From Tuesday's Daily—Late Saturday afternoon Mrs. Emma Pease suffered the loss of two of the fine tailored dresses from her stock at the store on upper Main street and at once suspected that the garments had been taken by a man and woman claiming Omaha as their home, who had been in the store a short time before the dresses disappeared.

The matter was reported to the authorities and Deputy Sheriff Rex Young hastened out on the highway in the hopes of overhauling the parties and securing the goods. The car number that had been given the deputy was one that he was unable to locate but he found a car headed for Omaha that had a number somewhat similar to that which he had received and thinking that the parties might be the right ones, Mr. Young stopped them and gave the car the once over as well as searching the occupants but to no avail as the stolen dresses could not be found. When Mr. Young returned he called at the store and the description given of the parties tallied with that of the occupants of the car that he had stopped, but as he had hurried out after the parties he did not receive the description until too late, but the fact that the dresses were not visible in the car or concealed on the persons caused a doubt as to whether after all a mistake had not been made.

Yesterday afternoon Clyde "Stonewall" Jackson, former police officer, who is now engaged as watchman at the sand pits northwest of this city, was going to work when he discovered along the curbing out on Webster boulevard a package that when opened revealed the fact that it contained two dresses and this fact was communicated to the sheriff's office with the result that it was found they were the garments stolen from Mrs. Pease's store and were restored to the owner. They were undoubtedly hidden by the parties that were later searched by the deputy sheriff, but the parties taking the goods had not been able to get back and secure the garments.
