The next day they went to Winner, where they went to register with the celebrated Dr. Ortman, who gives treatments and found eight hundred ahead so great was his fame, but were able to get an audience on the following Wednesday. They started on their return on last Sunday morning and took numerous pictures on their way home and arrived at eight in the evening.

Arkansas W. C. T. U. Leaders are for Smith

Real Prohibitionists Offset Efforts of Professional Drys—Pastors Are Silenced

Little Rock, Ark., Sept. 24.—Arkansas seems set for Al Smith. Fighting Joe Robinson, Al's running mate as a native son is counted on to make the state safe. Prohibition and church affiliations are short-circuiting other issues and, as in other states of the south, politics is being sprayed from many a pulpit. But here and there appear symptoms that a reaction has set in.

Fighting Joe's bombardment of religious intolerance and his attack on the whispering campaign, seem to have put the democrats on their tiptoes, and the party is making the most sedulous campaign since the civil war.

The state presents the spectacle of churches split wide open, between preachers and congregations, while as to the Volstead issue, the Smith Robinson banner is being carried by leaders in the W. C. T. U. The women are being organized on a scale hitherto unknown, and the women are seeking to establish contact with every feminine voter in the state which isn't so hard as it sounds, for Arkansas, like the rest of the south, has a small and restricted electorate.

Women for Smith.
The women have organized in 71 of the 75 counties and some of the strongest county chairmen are of the W. C. T. U. in high standing. In Pilsnik county (Little Rock), the largest in the state the Smith chairwoman is Mrs. Samuel P. Davis, former national president of the Daughters of 1812 former vice-regent of the D. A. R. and for years an active worker in the W. C. T. U. Over in Sebastian county (Fort Smith), the second largest county, Mrs. Lora Goolsby the Smith women's chairman, a speaker of reputation, has been an officer in the W. C. T. U. Similarly in several of the smaller counties W. C. T. U. women are heading the Smith feminine movement. Thus the attacks of the professional drys upon Smith are being met with counter-attacks by leaders who have standing inside the temperance movement.

Most of the preachers in the state are reported to be laying off politics especially since "fighting Joe" got into action. Some of them, however are tearing into the democratic ticket from the pulpit. The Methodist church, South, is the nucleus of the democratic party of Arkansas. Rev. H. D. Knickerbocker, pastor of the First Methodist church here, has been rebuked by his church board for his political utterances. Sixty-four of the officials of the church recently sent a letter to Senator Robinson expressing regret at any criticism expressed or implied, which have been directed against him from the pulpit of their church. They said: "It does not represent our sentiment."—World-Herald.

NATURAL GAS IN THIS STATE RECEIVES CHECK
Decisive Defeat of Proposal of Movement in Omaha Checks Proposed Gas Line.
The proposal for the extension of the natural gas lines from Kansas City north through Nebraska to the city of Omaha, was given a very decisive check Tuesday at the election held at Omaha on the proposal to permit the utilities commission there to enter into a contract for the bringing of the natural gas line from the Texas fields to that city.

The vote was five to one against the gas proposal, the figures being 7,075 for the proposed bond issue of \$1,500,000 to secure the gas line and 31,489 against the bond issue and the natural gas line.

The towns in the state through which the gas lines would probably have passed, including Plattsmouth, have watched with interest the attitude of the Omaha people on whose approval or disapproval the extension of the gas lines depended, and by the decisive majority that was rolled up against the proposition, the natural gas lines will not be laid in this state or at least for some time.

The gas campaign in Omaha has waged fast and furious and overshadowing the great political campaign of the past two weeks, the proponents of the government as well as the opponents doing a great deal of advertising on the matter, radio addresses and street meetings both pro and con on the question. A great many of the leaders in the business and professional lines in Omaha have advocated the adoption of the plan for securing the natural gas line during the campaign. The large vote against the bonds was found in the south side wards of Omaha where there had been a great deal of opposition from the leaders and business interests.

HAVE FINE TIME

From Wednesday's Daily—
Last evening the Ladies Auxiliary of Plattsmouth Aerie, No. 365, Fraternal Order of Eagles, held their regular meeting at the Eagles hall. This is, tho' only recently organized, one of the alive and growing organizations of Plattsmouth, whose progress may well be noted with interest.

After a very interesting business session, made especially so by a goodly number of members of the Omaha Auxiliary in attendance, the Social committee for the month of September, Mrs. Henry Hitzman and Mrs. Arthur Blunt, took charge.

This committee had conceived the idea of inviting the husbands of the Auxiliary members to spend the evening as guests of the Auxiliary, and who responded in a very pleasing manner.

After games had been played, refreshments, consisting of ice-cream cake and coffee were served. In this the committee was very ably assisted by their husbands and two others, to whom many thanks are due.

The floor was then cleared, and those who cared to dance were invited to do so.

The husbands, as a compliment to the ladies, had secured Mr. John Urish and daughter, who, in their able and pleasing manner, furnished the music for the evening.

At a late hour, all departed for their homes, voting the evening a very great success, and expressing the determination to have many such pleasant affairs during the coming year.
