

Local Football Team Scores Vic- tory Sunday

Score of 7 to 0 Result of Battle With
the North Omaha Furnace Com-
pany on Home Grounds

From Monday's Daily—
The Plattsmouth city football team
yesterday afternoon scored a 7 to 0
victory against the North Omaha
Furnace Co. team at the baseball park
the locals showing real fight in their

work and their smashing attacks on
the visitors held the Omaha team
largely in their own territory.
The scoring of the Plattsmouth
team came in the first quarter of the
game when the ball was passed to
the Omaha fullback who fumbled
and the ball was recovered by Frank
Koubek, local fullback, who broke
away from the Omaha players and
raced fifty-three yards for the touch-
down and the first score for the locals
on the home grounds this season. The
extra point was secured by Carl Kell
in a well placed drop kick that was
perfect.
The whole Plattsmouth team showed
good form and George Sedlacek
was one of the outstanding figures
in the offensive of the Plattsmouth

team, with a thirty-five yard end run
and smashing the Omaha line for
gains of ten and eleven yards.
The Omaha team was threatening
in the third quarter of the game when
they advanced to the Plattsmouth
ten yard line but were held there
for downs and the ball recovered by
Plattsmouth and punted out of dan-
ger.
The Plattsmouth team will play
at Valley on next Sunday afternoon
and will give the strong team of that
place one of their hardest battles.

ton and secured from that body a
promise in the form of a plank in
the platform, for agriculture relief

HAS PLEASANT HONOR

The Gering family of this city
have in their possession a letter that
arrived a few days ago in this city,
one of the prized pieces of mail
brought by the Graf Zeppelin from
Europe. The letter was sent by an
uncle of the Gering's, Herr Peter
Wahl of near Munich, Bavaria, and
the missive was brought on the spot
by the meeting place of the committee
airship across the waters and in less
than a week after it was written the
letter was delivered to the Gering
family in this city.

The pieces of mail sent on the Graf
Zeppelin are very valuable and the
stamp collectors of the nation are of-
fering high prices for the cancelled
stamps that decorate the mail from
Germany and carried on the histor-
ical voyage through the air and making
a new step in communication between
the great nation of the old world
and America.

VISITING SCHOOLS HERE

From Wednesday's Daily—
Mrs. Emma Golden, leader in the
Parent-Teachers association work in
this state, was here today and in
company with Miss Alpha Peterson,
county superintendent, was out in
the Massie school district to look
after the organization of a P-T-A in
that locality as well as at Cedar
Creek where the ladies will meet with
the P-T-A at that place. A great deal
of interest has been aroused in the
rural school districts over the fine
results of the P-T-A work in the
advancement of the interest in the
school work on the part of the par-
ents and the new chapters created
cause a great co-operation in the lines
of all of the school activities. This
county has a large number of organiza-
tions and they are constantly
growing in membership and interest.

SINGS AT CHURCH SERVICE

From Monday's Daily—
Yesterday morning at the worship
hour at the First Presbyterian church
Mrs. Margerite Walters Johnstone
of Sheridan, Wyoming, was heard
in a very beautiful solo number,
"Abide With Me." The beautiful con-
tralto voice of the artist gave added
charm to the loved song and was an
impressive part of the service.

Mrs. Johnstone has just returned
from a tour of Europe where she en-
joyed a very fine concert tour and
on her way home stopped here to
visit with her parents, Mr. and Mrs.
Emil Walters and while here fulfilled
the promise made some months ago
to sing for the services at the Presby-
terian church.
