Lowering Prices

to Our Farmer Patrons Through New Store Policy!

LOWER PRICES for Cass county shoppers are constantly being striven for. Last Spring we remodeled our store to serve you more efficiently and economically. Another blow was dealt to old man High Cost of Living when we established connection with the Independent Grocers Alliance, the largest buying organization in the country. Now we are establishing a new store policy that eliminates Delivery Expense and Credit Losses—placing the Farmer at a greater buying advantage and making the city customer pay for the maintenance of his own Delivery System. This permits the general lowering of prices, of which we quote only a few in this ad.
