**U. B. Church Notes**  
Answers to questions: 1—In Haran, where Abraham's relatives dwelt, he labored as a servant for Laban, Rachel's father, for a term of years, as he supposed for Rachel, but when the service was finished he had to take Leah because she was the first born. Then he worked seven years more for Rachel.  
2—This is a clear type of Jesus Christ, our Savior, coming to the world and laboring as a servant to secure His Bride, the church, composed of all who are born of the

Spirit and by God's grace maintain a living faith in and love for Jesus as their Savior.

Questions: 1—Where is the place of Christ's birth foretold in the old testament? 2—In what chapter do we find this quotation? "He is despised and rejected of men; a man of sorrows and acquainted with grief; and we hid as it were our faces from him; He was despised and we esteemed Him not."
