Prominent Young People are Joined in Wedlock

Miss Ella Dehning of Louisville and Mr. Raymond F. Hill of Mynard Are Married Sunday.

A very pretty wedding was solemnized at the Eight Mile Grove Lutheran church on Sunday afternoon, Jan. 27th, at 3 o'clock, when Raymond F. Hill of Mynard, and Miss Ella Dehning of Louisville, were joined in holy wedlock by Rev. A. Lenz, pastor of the church.

The bridal party marched from the parsonage to the church to the chimes of the church bell. Lohengrin's wedding march was played by Mrs. Lenz as the bride party entered the church and approached the altar.

Only the closest relatives were present. Mr. and Mrs. P. A. Hill, Mr. and Mrs. Herman Dehning, Mr. and Mrs. Emil Dehning, sons Robert and Richard Verner Hill, Clarence Dehning, Mr. and Mrs. Ernest Hill and little son.

The bride looked very charming in a gown of buff tan silk gorette crepe with lace trimmings and hat and shoes to match. She also carried an arm bouquet of Ophelia roses and ferns.

The bride was attended by Mrs. John L. Hill, her sister, as matron of honor while John Hill served as best man.

The impressive Lutheran ceremony was used as the double ring service. Rev. Lenz gave a short address before the ceremony. From the church the bridal party proceeded to the home of Mr. and Mrs. P. A. Hill where the wedding dinner was partaken of. The wedding cake was baked by Mrs. John Hill, sister of the bride.

The rooms were decorated attractively in orchid and white. In the evening a large charivari party of relatives and friends gathered at the home to serenade the newlyweds. A lunch was served at a late hour.

The future home of the newlyweds will be on the home place of Mr. P. A. Hill. Verner, the youngest son of Mr. Hill will make his home with them, while Mr. and Mrs. Hill are undecided what they will, but most likely they will move to Murray or Plattsmouth. The groom is the well known young farmer, versatile electrician and aviator of Cass county, willing to take part in all social activities. This is the third wedding in the same home within the last 12 months. The first was Feb. 5, 1928, when John Hill was married to Miss Elsie Dehning, the second when Ernest Hill was married to Miss Doris Franke on Feb. 15th, 1928, and now Raymond Hill to Miss Ella Dehning on Jan. 27, 1929.

They have the best wishes of the whole community.

Central High Wins Game from Blue and White

Score of 28 to 19 Rolled Up With Visitors Running Wild in the First Part of Game

From Monday's Daily— The Central high school basketball aggregation of Omaha came down Saturday from their domicile on old Capital hill and proceeded to take in the Platters to the tune of 28 to 19, piling a lead in the opening part of the game that the locals altho making a hard finish were unable to overcome.

In the opening of the game the skies were very dark for the locals as Means, right forward and Thompson, center of Central rang up four field goals in rapid order while the blue and white were unable seemingly to get going. It was not until the quarter was fading that Roy Turner, youthful left forward of the Platters sunk a field goal and followed with two free throws that left the score at the quarter 10 to 4 for Central, Lungren, right guard of Central also registering a basket.

The second quarter saw the Platters able to add to their scoring with Hadraba making two field goals while Central Means was only able to register one, but three free tosses kept the Central lead for them.

In the third stanza of the game Means and Thompson both added to their lead with two field goals apiece and a free toss by Lungren, while the Platters Means was only able to sink a field goal and followed with two free throws that left the score at the quarter 10 to 4 for Central, Lungren, right guard of Central also registering a basket.

The final quarter of the game the Platters made a very strong bid for winning and Hadraba was able to annex two field goals and a free throw for the Platters with McClanahan also annexing a field goal, while for the visitors Means was held to one goal and two free tosses in the final quarter. Clancy left forward for Central was banished on account of his fouling.

Central in their playing made the man for man play in guarding that had successfully held Benson on Friday to two field goals and which checked the Platters at every blue and white player was closely guarded.

In the free throws Plattsmouth made but five out of sixteen shots while the visitors were able to make six out of eight good.

The tabulated score of the game was as follows:

Eagles to be Back of Athletic Club in City

Plans to Make This a Great Success and to Aid in Developing Clean Cut Sport.

At last Plattsmouth is to have an athletic club. Such an organization has been in the minds of the fans for a number of years, but until now, it has been only a dream. From the interest shown at the boxing exhibition, sponsored by the Eagles a few evenings ago, and the many requests of the fans for more and greater sports events in the future, the Plattsmouth aerie, F. O. E. has very fortunately secured the services of Mr. Edward Brantner, manager of the Hotel Perkins and a man of wide experience in the boxing game, to manage this new organization, and manage and train the local boxers for the revival of clean athletics in this locality.

This new organization will be made up of physically fit, and those desiring to become physically developed, Eagles of Plattsmouth and the surrounding territory—men who are interested in, and exponents of, clean, wholesome athletics, and will be known as the Eagles Athletic club.

Membership in this club is limited to Eagle members only. This does not mean that every Eagle is automatically a member of the athletic club, but every Eagle is entitled to become a member if he so desires and will obey the rules set forth by the organization through the manager, Mr. Brantner.

There have been numerous plans laid for the formation of similar clubs in the past. Membership in a private club would cost from \$3 to \$5 enrollment fee and \$3 per month dues to cover heat, lights, apparatus, etc., which would amount to approximately \$40 the first year and \$36 per year as long as a member stayed in, or plainly speaking, more cash than most of those interested would care to invest. Under the Eagles plan membership in the club will cost \$6 initiation fee, \$1 for a physical examination and \$1 a month dues—a total of \$18 the first year, and only \$1 per month thereafter, as long as the member belongs. Besides the above membership in the club, the member will be entitled to the free use of the aerie physician, as limited in the aerie by-laws; to the sick benefit of \$1 per day as provisioned in said by-laws; to the \$100 death benefit payable to the beneficiary of a deceased member; to the use of the aerie club rooms; and to all functions and entertainments given within the aerie, besides the association and fellowship of the brother members. The idea is to make membership possible, not only to the well-to-do, but to all who are interested in clean sports. Nothing but clean sportsmanship will be tolerated, and anyone desirous of any "rough stuff" will find it to his advantage to join some organization which allows such activities to go on. Manager Brantner has trained many professional boxers who are now, and have been, at the top of boxing circles in their weight class, and he does not waste time with anyone who does not show keen interest in athletics. He has made men good, he can make men good, and he will make them good in this new club, if they'll pay close attention to his training courses. A fine showing of the better amateurs in anyone desirous of entering in good standing is urged to be in attendance. Positively no one but Eagles will be admitted. Any non-Eagle desirous of becoming a member of this club, may find out from any Eagle how he can do so. If interested, now is the time to act—start with the first class to qualify.

This club is available to residents of the surrounding towns and rural districts within the scope of the Plattsmouth aerie's jurisdiction. If you do not already take your local club, subscribe now, or arrange for its delivery, to keep posted on this paper, and get the dates for the various matches to be staged. Your local paper will carry the advertisements.

Mynard Club Has Interesting Time Friday

Fine Time Is Enjoyed at Meeting and Excellent Program Arranged for the Occasion.

The regular meeting of the Mynard Community club was held Friday evening and in spite of the intense cold a goodly number gathered to enjoy the program and participate in its production. The meeting was called to order by the president, Mr. Ruel Sack. The audience, led by Mrs. Sherman Cole, joined in singing "America the Beautiful." Business matters were then taken up and among other things, the question of a better system of heating was discussed and a committee appointed to investigate the fan system of heating. This committee to confer with the Mynard club and if this group found a satisfactory system to install the same at once.

Following the business session J. A. Capwell of Plattsmouth, with Mrs. Capwell accompanist, delighted the audience with three vocal numbers, "By the Waters of Minnetonka," "Lily, the Mother O'Mine," and "I'll Take You Home Again, Kathleen." Mrs. Capwell then read "The Darky Wedding" and favored the audience with two pleasing piano numbers.

Mrs. C. L. Wiles, chairman of the program committee then took charge of the program and announced that the main feature of the evening would be a "Style Show." Proper dress, in two acts. This proved to be a very clever illustration of the transforming power of a magazine article entitled "Proper Dress" which all members of the cast had read. The explanatory lines were read by Mrs. Bernard while Mrs. Roy Cole presided at the piano.

Nearly every type of character was portrayed in the following cast: Mrs. Faley who gets breakfast, Mrs. Druecker, Mrs. Hardwick, who helps with the chores, Mrs. Hike, Mrs. Bright who washes, Mrs. Robbins, Marilyn Jones, who chews gum, Mrs. Virgil Perry, Mrs. O'Toole a lady of gardens, Mrs. E. H. Spangler, Mrs. Tibbets, a prominent club woman, Mrs. Elbert Wiles, Bill Wright, who might as well have been dead, Elbert Wiles, Deborah McKee, with talent you would never suspect Francis Livingston. The ill fitting awl, and the character of the characters in the first act kept the audience in an uproar of laughter, while the trim transformation in the second was most pleasing.

Between acts, Alice Barbara Wiles gave a piano solo, Mrs. S. Cole a clever lecture on "How to Dress the Clever Man," Clark Wiles revisited "The Good Old Days," and Towner Livingston recited "When Sister Expects Her Beau," in a manner that made one think Towner had had experience. The evening program closed with lunch and a social hour.

MRS. FRANK WHEELER DIES

From Wednesday's Daily— The many old time friends in this city of the Frank Wheeler family will regret to learn of the death of Mrs. Wheeler which occurred on Sunday afternoon at the Methodist hospital at Omaha, where she has been for the past three weeks. Mrs. Wheeler has been suffering for five weeks from a disease that was found to be rare and unusual and with which there was little to do.

Mrs. Wheeler was twice married, the first time when she was 17 years old to William Beseby at Winterset, Iowa, where the deceased lady was born July 7, 1861.

After marriage Mr. and Mrs. Beseby moved to Phillips, Nebraska and later to Waco, Nebraska, where Mrs. Beseby passed away. Mrs. Beseby was married April 15, 1893 to Frank Wheeler at Waco and where the family resided until moving to Plattsmouth, where they lived for twenty-one years. For the past eighteen years the family have resided at Louisville, where Mr. Wheeler has been a busy merchant.

The funeral services are being held at Louisville this afternoon.

RETURNS FROM HOSPITAL

G. P. Hill, one of the old time residents of near Cedar Creek, who has spent the past nine weeks at the Immanuel hospital at Omaha, has so far recovered that the members of the family were able to bring him home Saturday afternoon and he will be able to recuperate at the family home. Mr. Hill had a very serious operation and which at his advanced age of seventy-two years has made his condition quite serious and caused the family some anxiety for some time. The patient has come through the ordeal in fine shape and now seems well on the highway to recovery and it is hoped that the operation will restore Mr. Hill to his former good health and relieve him of the illness of the past two years.

RECEIVES RECOGNITION

Jean H. Spangler, Plattsmouth young man and graduate of the high school here, is making a very fine record in his work at the agricultural college of the University of Nebraska and has just been given an award for his work as a member of the cheese judging team of the college, he being one of the twenty-three members of various judging teams to be so honored. Mr. Spangler was also a prize winner at the great agricultural show held the past winter at Memphis, Tennessee. This progressive young student is a son of Mr. and Mrs. E. H. Spangler of south of this city and the many friends here of the family will be pleased to learn of his success in this line of work.

Farm Home at Cedar Creek is Burned Today

Residence of Lloyd Schneider and Family Burned to Ground— Mr. Schneider Burned.

From Wednesday's Daily— The residence on the farm of Lloyd Schneider, just at the west outskirts of the town of Cedar Creek, was burned to the ground this morning at 9:20 and of the household effects but a sewing machine and cedar chest were saved from the burning building.

Mr. Schneider was quite badly burned about the face and hands as he rushed into the kitchen where the fire was first noticed in an effort to extinguish the flames and while Mr. Schneider is suffering a great deal from the effects of the burns they are not thought dangerous by Dr. Worthman of Louisville, who was called to dress the injuries.

The family was at home when the fire was first discovered, Mrs. Schneider going to the kitchen and opening the door found the room a roaring furnace with the flames leaping to the ceiling and spreading into all parts of the two story frame structure.

The cries of Mrs. Schneider brought the husband and who tried in vain to check the fire and received the very bad burns on the face and hands and his cap was almost burned off his head before the other members of the family were able to pull him from the burning house and in the intense cold he suffered agonies from the burns until a physician arrived to look after his care.

The blaze spread so rapidly that the residents of Cedar Creek who gathered hurriedly could do but little to save the house or any of the contents of the building, although a desperate battle was given by the volunteer fire fighters who had responded on seeing the house in flames.

The exact cause of the fire is unknown as it had gained such headway when discovered that it was impossible to find the burning house and it was caused by the chimney used for the kitchen stove.

The house was entirely frame and burned very rapidly in the cold wind and it was but a short time from the discovery when the building was a mass of smoking ruins.

The members of the family were taken to the home of Mr. and Mrs. William Schneider, parents of Lloyd Schneider, where they are being cared for.

The amount of the loss or the insurance on the house could not be ascertained as Mr. Schneider was suffering so much that he was unable to give any statement.

The "Radio" operators also presented musical numbers during the evening that added to the interest of the program and which aided in the putting over of the radio stunt in fine shape. These numbers were dedicated to the various members of the dinner party by Mr. Robertson.

SECOND TEAM WINS

From Monday's Daily— As a prelude to the game between the Central regulars and Plattsmouth High Saturday evening, the Plattsmouth Reserves gave the fans a real treat when they administered a defeat to the Central Reserves by the score of 21 to 15.

The Junior Platters had plenty of pep and fight and made things mighty rough for the visitors from the opening of the game when in the first half a lead of 12 to 2 was chalked up by the Junior Platters.

In the opening of the game John Galloway scored five field goals against Central and Hubert Dew one, while the two points of the visitors came when Zoesch, right forward of the visitors, scored a field goal.

In the last half of the game, the Central Reserves made more points, but not sufficient to overcome the locals and the young Platters also garnered a few themselves. In the last half the Central subs were more lucky than their regulars, while for Plattsmouth Hubert and Hershel Dew, Bob Hartford and Wiles were able to check up fingers.

Warren Farmer, fighting guard of the Platters, was retired from the game on fouls in the last quarter.

DOING VERY NICELY

From Monday's Daily— The host of friends in the city of Miss Margaret Scotten will be pleased to learn that Miss Scotten is doing very nicely at the Immanuel hospital at Omaha where she was operated on Saturday. The operation was found to be less serious than had been feared and as the result of the operation the patient is doing very fine and it is hoped that a few days will show her well on the highway to recovery and the fact that the operation was not serious should permit her early return home to this city.

Dr. Jerrold F. Stibal, who just received the M. D. B. Sc. Degree from the University of Nebraska College of Medicine, spent the day in Plattsmouth yesterday with his brother, Dr. Joe J. Stibal while en route to enter the Highland Park General hospital in Detroit, Michigan.

A few Cass county maps left at the Journal office. 50c each.
