### Married at Eustis Sunday

On last Friday, Alvin Bornemeier departed for Eustis, where on Sunday he was united in marriage to Miss Mathilda Pappe, of that place. The bride is a very accomplished young woman of excellent qualities, and who is well known in and around Murdock, where she has visited for many times. Both the bride and groom are among the very best people of Nebraska and will, following their return from a bridal trip, make their home in Cass county. The groom was born and grew to manhood in the vicinity of Murdock, where he has friends by the legion, and the winsome bride is also well known, honored and loved here. The Journal, with their many friends, both here and at her former home in the west extend congratulations and well wishes for their future happiness and prosperity.

### Welcome to New Home

Last Monday, Mr. and Mrs. Louis Lau, who were recently united in marriage, moved to their new home on the Henry Barishmann place west of Murdock, and had hardly even gotten into the house to get their things in place when in the evening a crowd of their young friends came and made a merry evening for the young couple. A most pleasant evening was had, and many were the hearty wishes for a long life of happiness and usefulness extended to the newlyweds.

### Four Square Club Meeting

The regular meeting of the Four Square club was held at the schoolhouse February 18th. The song period was enjoyed so much under the leadership of Mrs. N. C. Schrum, who provides some special number each time. Miss Fossler and Miss McVeigh, teachers in our school, sang a duet and the club made a special number of "Three Blind Mice."

The lesson was presented by our project leaders, Mrs. Lacey McDonald and Mrs. Ralph Rager. Their training for this lesson was so thoroughly given to them by Miss Baldwin, assisted by Miss Louise Murphy, a trained nurse of the State Bureau of Health, that much valuable information and helpful instruction pertaining to parents and the child were learned.

Our local Achievement day will be held March 14th. On that day we expect many visitors and friends to attend. Our next regular club meeting will be held on March 11th, at the school house, as usual.

### Study Child Management

The first meeting of the Child Management short course was held last Thursday, February 21st, at the schoolhouse, with 39 interested mothers in attendance. Thirty-two High school girls were guests at the meeting.

Miss Agnes Saunders of the Nursery school at the Agricultural college presented in her pleasing and interesting way the lesson of this short course. March 21st, from 9:30 to 11:30 a. m. is the date of the second lesson and everyone interested in Child Management may attend any or all of these meetings of this short course.

Miss Saunders brings to the mothers, not how they should raise their child, but the actual experience and development of children at the Nursery school, under experts in child management.

This short course is one of the very finest our Extension Service has to offer and those who are interested and attend are trying to prove to our county agent, Mr. Snipes, and his assistant, Miss Baldwin, that some mothers are more interested in the child welfare program than they are in their live stock.

### Miscellaneous Shower

Misses Ruth Schuelke and Mamie Dowd entertained at a miscellaneous shower Thursday afternoon at the home of Mrs. Charlie Schuelke in honor of the recent bride, Mrs. Carrie Buckingham. Many of the bride's closest friends attended and a most delightful afternoon was enjoyed by all.

The guest of honor was presented with many beautiful gifts that will be useful in her new home. A two course luncheon was served, the appointments being carried out most effectively in a color scheme of pink and white. In departing, the guests all joined in wishing the bride a long and happy married life.

We are not greatly perturbed by the report from Oklahoma that 90 per cent of the peach buds were killed by a freeze. We have eaten too many Georgia peaches after 100 per cent of the buds were "killed."

## DONALD FITZPATRICK

Donald Floyd Fitzpatrick was born in Weeping Water to Mr. and Mrs. John Fitzpatrick on June 27th, 1912. Donald has been a little helpless invalid from the time of his birth and has spent his entire life in the home where he has been cared for and his life made as bright and happy as possible, by the loved ones around him.

Donald took sick three weeks ago Sunday, January 27, and on February 2, was taken to the Methodist hospital at Omaha, where he passed away, February 18, 1929, at 9A:30 a. m., at the age of sixteen years, seven months and twenty-two days. Donald has gone on with his mother who passed away February 25, 1924, and he leaves to mourn his loss, three sisters, Yvonne, Mrs. Marie Duncan and husband, and Mrs. Ethel Witaker and family; six brothers, Arthur, John, Clyde and their families; his two brothers, George and Wilber, also a large number of other relatives and a host of little friends.

They will meet us, cheer and greet us,  
Those we've loved who've gone before  
We shall find them at the portals  
Of our beautiful immortals  
When we reach that radiant shore.

Funeral services were held at the home Wednesday at 2:30 o'clock, conducted by Rev. Geo. A. Morey, of the Methodist church. Beautiful music was furnished by Mrs. Mabel Ruhga and Rev. Louis Barbezat, accompanied by Mrs. Roy Haslam. The pall bearers were brothers of the deceased. Funeral arrangements were in charge of Wm. Hobson. Interment was made in Oakwood cemetery in the family lot.—Weeping Water Republican.

## DANCERS ENJOY REAL TREAT

From Thursday's Daily—The crowd attending the American Legion dance here last night enjoyed a real treat in the splendid music of Tracy Brown's Oklahomans, a big 11-piece dance band that played at the northern Iowa lakes last summer and has held forth at Roseland Garden in Omaha the past several months. A number of the members of this band were here at the opening dance with the old "Oklahomans," which later became known as Tracy-Brown's Recording orchestra and is now playing a season's engagement in Pittsburgh. They have all the skill and special arrangement of numbers employed by the large recording and radio orchestra and their music scored a distinct hit with the dancers.

The condition of the country roads served to keep many away, while the presence of Lent took further toll of the attendance, which was not sufficient to warrant booking a return date at this time.

In the large recording and radio orchestra and their music scored a distinct hit with the dancers.

Since the spring of 1919, he has been away, returning to the old home for Christmas and the 4th of July.

The past three years, he has been employed as a traveling salesman for the American Tobacco territory in northwestern Nebraska and southwestern Dakota, Black Hills, with quarters at Alliance.

Miss Becker is the daughter of Mr. and Mrs. E. Becker of Alliance, and she is employed at the county court house as assistant treasurer, very efficient in her duties and has won many friends who are giving her high compliments upon her marriage. They will be at home after March 1, at Alliance, Nebr., Dr. Day apartments.

The many friends of Harold extend to him and his bride many congratulations for a long, happy and prosperous voyage over the matrimonial sea.—Elmwood Leader-Echo.

## Platters Take First Game in the District Tourney

Defeat Waterloo at Creighton Gym by Score of 20 to 12—Play N. S. D. in the Finals.

From Saturday's Daily—

The dope in the district basketball tourney at Creighton Prep at Omaha last evening ran true to form with the Plattsmouth quintet putting away the Waterloo team easily by the score of 20 to 12 while Holy Name school of Omaha gave the Nebraska school for the Deaf a real scare as the Holy Name led 15 to 14 up to the last few moments when a lucky field goal gave the N. S. D. the final score of 18 to 15.

In the Plattsmouth game the Platters acquired an early lead and maintained it until the close with Coach Rothert giving the reserves a chance to participate in the game and do their part in the holding of the west Douglas county team to their small score.

In the game Hadraba and McClan-

ahan were the scoring aces of the battle and accounted for the seven field goals that the locals annexed during the game and also scored five of the six free throws, McCrary securing one of the free throws of the combat.

The opening quarter was not so promising for the locals with a great many shots being missed and the Platters score represented two free throws by Hadraba with Waterloo securing a field goal to knot the tally at 2 and 2 at the whistle.

The second quarter saw the Platters extend their lead when Hadraba and McClanahan commenced to get their shooting eye and at the half time the score was 8 to 4 for Plattsmouth.

The last portion of the game saw the Plattsmouth team draw away from their opponents with Hadraba and McClanahan dumping in the baskets while Lockwood of Waterloo served to assist in keeping his team in the running, but they were not dangerous at any time and permitted the second string players to be used freely in the game.

doctor and is getting along nicely at this time.

Last Sunday being the first anniversary of the wedding of Mr. and Mrs. Paul Kupke, they had a number of their friends in for the evening and a good time was had, with music and following which there was a delicious oyster supper served by Mrs. Kupke, which was greatly enjoyed by all.

Gust Gakemeier and wife and Miss Elsa Bornemeier and brother, Carl Bornemeier, departed on last Saturday for Eustis, where they were present at the celebration of the wedding of Alvin Bornemeier and Miss Mathilda Pappe, which was celebrated on last Sunday at the home of the parents of the bride.

Mrs. Chester Morgan and the kiddies, of McCook, were visiting with relatives and friends in Murdock for a few days during the past week and also visited with sisters in Omaha and Council Bluffs, as well, and later stopped at Lincoln, where she was visiting with her brother, John Amgwert and family as well.

Judge W. E. Newkirk and wife, of Greenwood, were visiting for a number of days in Murdock, and were guests at the home of their daughter, Mrs. L. D. Lee. While here, the Judge accommodated a number of the checker players of Murdock too a few games, which was give and take, each sharing in some of the honors.

Henry Heinemann and wife and Mrs. Otto Eichoff were over to Lincoln on last Monday where they were looking after some business matters and also visiting with Leslie Rush, who has been there receiving treatment for his health for a number of months. It is thought that he will be returned to Murdock in the near future and the treatment will be continued here.

### Will Spend Time in East

Dr. L. Blattspeier, of Tobias, will spend some time in the east, having departed last week for a stay in that part of the country. He was accompanied as far as Chicago by Mrs. Blattspeier and their daughter, they visiting in the Windy City for a short time and then returned to Murdock, where they visited for the day last Wednesday, thence going to Elmwood for a visit of a day before returning to their home in Lincoln.

### Still Reside in Murdock

The impression that some time in the future when he has disposed of his property here which is offered for sale, Jess Landholm and family will move to Omaha, having been gained from rumors, a number of friends of the Landholms were glad to accept an opportunity for a good time, and gave a dance in honor of this estimable family, which was a great surprise to them. In fact that simply could not figure out why they were selected to be guests of honor, until advised that it was their going-away reception. Mr. Landholm and family were only too glad to make their home here and as long as they have such a beautiful place in which to live, they will remain, but the place is for sale, however. A most pleasant evening was had and all present enjoyed the surprise which was two fold.

### Will Build Later

For the present I have my stock of Auto Tires and Accessories at the store of L. Neitzel. Will install pump at home later.
