ler of Stanton has been elected Richey, for many years mayor of manager of the Farmers' Union Plattsmouth lodge No. 6, A. F. & this city and one of the prominent Live Stock commission exchange at A. M. last evening held their annual figures in the business life of the Chicago and will go there im-

mediately after the close of the legislative session to begin his duties in that capacity. The election took place at a meeting of the board of directors last Tuesday.

**New Position** 

NO. 13

Last week Mr. Fickler received a summons from the board and he was there on Monday and Tuesday to **Fine Concert** confer with the directors. Two other nen besides himself were under consideration for the manager's post; but he received six of the seven votes when the board took a ballot to decide the choice.

The salary which Mr. Fickler will draw has not been made public. It is said to be better than \$5,000 a year. He succeeds F. E. Wheatcraft, lub presented the first concert of who goes to another post in line of

> This unusual recognition comes to the Stanton man through his successful experience for two years as manager of a farmers' union live stock commission firm at Sioux City, during which time its volumne of business was largely increased. He had previously served as president of that organization, through living all the time on his stock farm near Stanton.

He is a member of the Nebraska farmer's union and at one time was on its state directorate, representing the seventh district.

It is not Mr. Fickler's intention to give up his residence in Nebraska, quartet composed of Dwight Mason, though he expects to devote his full Floyd Hansen, tenors; Laurence time to the business of the Chicago organization. His family will reside bass, this quartet giving several in Stanton, having removed here re-
