Woman's Club Receives Reports of Work

Special Session Last Evening Fea- that part of Omaha, is now on, the tured by the Reports of Chairment and Committees

From Thursday's Colly-

The Plattsmouth Women's club met last evening in special session at the home of Mrs. L. W. Egenber ger on Vine street and despite the bad weather conditions there were a very pleasing number in attendance to enjoy the fine reports of the club activities for the peast year.

The club has been one of the most active of the community organizations and have made a great progress In their work in the year now closing, contributing a great deal toward the general progress of the city and organizing and supporting some of the finest projects that the city has had in the year of club work.

The reports of the various department chairmen were given as well as the committees of the club and which covered very thoroughly the Damage to Structure Caused by Ice work of the clug in all lines.

The year of activity will close on the evening of Monday, May 6th when a banquet will be held at the parlors of the First Presbyterian church and for this event a very fine program is being arranged that will give a full and complete understanding of the club and its community service. The banquet is open to the husbands and friends of the members be present to enjoy the gne oc-
