WILL LOCATE IN CHICAGO

From Tuesday's Daily—
Miss Alice Louise Wescott is to leave Thursday for Chicago where she goes to take up a very fine position there in the office of Dr. Elster, D. D., dean of the Garrett Bible Institute. The Garrett Institute is located on the Northwestern university campus and is the theological college of the university and where the students in the ministry are given their final training for the work of the church. In her senior year Miss Wescott majored at Garrett in Religious Literature and the return to the school will place her among familiar scenes. Miss Wescott is a graduate of Northwestern and since her return home has been taking special courses in secretarial work that will aid her very much in her new position. The new position will bring Miss Wescott nearer to her brother, Mason Wescott, who is located in Chicago and be very pleasant for both the brother

and sister. The many friends here will regret to see Miss Wescott leave the city but are pleased that she has the opportunity of such a fine position offered her.

ENJOY JOINT PICNIC

From Wednesday's Daily—
The Boy Scouts were hosts last night to members of the Campfire Girls, the event being in the nature of a hike to the C. L. Wiles farm just west of the city where the members of the party enjoyed several hours in games and contests and then a fine picnic. The picnic was under the supervision of C. L. Slown, scoutmaster and Miss Phillips, the guardian of the Campfire groups.

'Lonesome' at Parmele Screen 'Revelation'

New Moving Picture Thrills With Boy and Girl Drama; Rates as a Screen Epic.

A new kind of a picture, so simply told that it suggests greatness, and in which an everyday boy and girl are the hero and heroine and lonesomeness is the villain, will open at the Parmele theatre Sunday. It will engulf the audience in an ocean of emotional reaction.

The picture is Universal's much-heralded "Lonesome." It was directed by Paul Fejos, former Hungarian medical man, drama-technician and director.

"Lonesome" is a picture of much power although its story is so simple that it probably happens to thousands of people every week-end. It starts with every-day incidents, the awakening of first the girl and then the boy with the ringing of the alarm clock, and then swiftly sweeps them through the morning's work to the dramatic events of an afternoon and night.

The boy and girl, called Jim and Mary, are workers in a big city. Each lives alone and is extremely lonesome. On a Saturday afternoon, with no work to do, they journey to a beach resort and Jim, seeing Mary and falling half in love with her on first sight, manages to scrape an acquaintance with her.

Throughout the day they spin their web of fun on the beach concessions. In a slight accident on the scenic railway and in the resulting crowd they become separated. By this time they have grown to love each other, but after a frantic search through the throngs of people, each goes home alone with only the first name and a photograph of the other to aid them in further searching.

They find each other in a surprising climax.
Glenn Tryon is the boy and Barbara Kent, the girl. Both are excellent. Fay Holderness, Gustav Partos, and Eddie Phillips appear in brief "bits."

"Lonesome" was written by Mann Page and the adaptation and continuity by Edward T. Lowe, Jr. It was made under the personal supervision of Carl Laemmle, Jr.

FARM BUREAU NOTES

Copy for this Department furnished by County Agent

Hog Mange.

Reports are coming to the Farm Bureau from several farmers where the Mange has spread from the brood sows to the pigs. The pig skin being tender an infection is started and in a few cases the pigs have died. Liquid lime sulphur should be used on the sows and pigs at the rate of 1 gallon of lime sulphur to 15 to 18 gallons of water. The water should be from 95 to 100° F. or lukewarm.

The sows and pigs should be dipped if possible or the pigs dipped and sprayed the sows.

Recreational Meeting.

The recreational meeting which was postponed will be held at the Congregational church on Saturday May 4 at 1:00.

Delegates from clubs who did not attend the Murdock or Nehawka meetings are urged to attend. Also school teachers from both rural and town schools. Anyone from church activities who cares to attend will be welcome. Both indoor and outdoor games will be taught. The meeting should close at 3:30 p. m.

Mothers Vacation Camp.

The mothers vacation camp for ladies of this county will be held August 13 to 16 at Camp Brewster. According to the arrangements made by county agents of this section and Miss Mary-Ellen Brown, state extension agent of women's extension work in Nehawka.

Camp Brewster is located one mile south of Omaha on the Bellevue Boulevard. The camp will accommodate a large number of women. If more should enroll than can be handled, however, the registrations will be honored according to the date they are received by Miss Brown.

County Agent Snipes at Weeping Water has the application blanks and is urging women of this county to go to the camp. Any homemaker over 18 years of age will be welcome in the group. In previous camps the women have had genuine good times, rested a lot, and received inspiration from study and recreation. Vacation does anyone a lot of good, and this camp is Mother's opportunity of the year.

County Achievement.

295 men and women were present at the Achievement program in Elmwood, Friday April 26. A very interesting program of playlets, dramatizations and music was presented. The exhibits were especially fine and emphasize the important phases of the years work.

The achievement program of the east half of the county has been set for Friday, May 3rd, and will be carried out as previously planned.

A-H Clubs Broadcasting.

Tune in an KMMJ Friday morning, May 10 at 7:30 and acquaint yourself with the 4-H club activities of Cass county.—L. R. Snipes, Co. Ext. Agent, Jessie H. Baldwin, Asst. Co. Ext. Agent.

Rotarians and Rotary Anns Hold Picnic

Country Club Grounds Is Scene of Pleasant Outdoor Frolic Last Evening

From Wednesday's Daily—
Last evening the members of the Plattsmouth club of the International Rotary with their Rotary Anns motored out to the country club just west of the city where for several hours fun and frolic reigned among the members of the party.

The spacious grounds and the golf course made a most inviting spot for the picnic and while the sunshine gave its warmth to add to the enjoyment of the occasion the members of the party indulged in the pleasures of golf and while a red hot baseball game was also staged among the members of the party, the result being that there was some very large golf scores and remarkably low baseball tallies made by the participants in these two forms of athletic endeavor.

As the evening shadows drew near across the hills and the effects of the bracing air and outdoor exercise was felt, the members of the jolly party gathered around the tables and where the real art of the Rotary Ann was demonstrated in its greatest perfection—the baskets of the good things to eat being a feature of the picnic that will be remembered long after the golf and baseball are forgotten.

The occasion was one of the rarest pleasure to all who were in attendance and as the darkness commenced to lay its shadowy hand over the landscape the members of the party motored back to the city taking with them the feeling of an event of the rarest pleasure.

RIVERVIEW CLUB MEETS

The Riverview club held their meeting with Mrs. Robert Patterson, on Monday afternoon.

This meeting completed all work for the year. The club will continue to meet throughout the summer and take up the project work in the fall.

Plans were made to attend the County Achievement at Weeping Water.

Election of officers was held, the following being elected: Mrs. Robert Patterson, president; Mrs. Percy Wheeler, vice president; Mrs. Frank Hull, secretary-treasurer. Project leaders will be chosen in the fall. Meeting adjourned to meet with Mrs. Frank Slagel in May. Refreshments were served by the hostess, assisted by Mrs. W. D. Wheeler.

Platters Take Meet from the Blair School

Track and Field Meet Is Very Close Between Schools—Richard Herold Scores Record

From Tuesday's Daily—
The often postponed track and field meet between the Plattsmouth and Blair high schools was staged yesterday afternoon at the baseball park and was one of the closest events that either school has participated in for this season. The final count was 61½ for the Platters and 60½ for the Blair team and was not decided until the last event had been held.

Hamilton Meisinger of the Platters was probably the outstanding figure on the track team while Brumbaugh and Capps of the Blair team, especially the former showed splendid form.

In the field sports the visitors showed well as they swept away the discs and shot put events, by taking all three places, while in the half mile Platters took all places and generally in the track events showed a much greater speed and force than the Blair team.

Adding a new record to the high school athletics Richard Herold, '29, of the local school hurled the javelin 134.19 feet, a mark that the visitors were not able to dangerously threaten and which added materially in the winning of the meet.

With but the margin of a few points separating the two teams in their scoring it was found that the \$80 relay was to settle the contest and it was found also that several of the relay team of the Platters had biked homeward which caused great gloom to descend but the team taking the field composed of Leonard Lutz, Cecil Hennings, Donald Warner and Hamilton Meisinger, far out distanced the best efforts that the Blair bunion producers could bring forth, and the event brought the meet to Plattsmouth.

The summary of the events were as follows:
100-yard dash: Meisinger, (P) first; Brumbaugh, (B) second; Capps, (B) third. Time 11:5.
220-yard dash: Meisinger, (P) first; Brumbaugh, (B) second; Lutz, (P) third. Time 27 seconds.
440-yard dash: Wiles, (P) first; Baer, (B) second; Warner, (P) third. Time 63:5.
880-yard dash: Galloway, (P) first; Yelk, (P) second; H. Spangler, (P) third. Time 2:38.
1 Mile run: H. Spangler, (P) first; Yelk, (P) second; Peterson, (B) third. Time 5:50.

110-yard low hurdles: Brumbaugh, (B) first; Meisinger, (P) second; Dew, (P) third. Time 14 seconds.
60-yard high hurdles: Brumbaugh, (B) first; Dew, (P) second; Meisinger, (P) third. Time 10 seconds.
Broad jump: Dew, (P) first; Capps, (B) second; Meisinger, (P) third. Distance 17 feet 11½ inches.
High jump: Biffer, (B) first; Brumbaugh, (B) second; Woltje, (B) third. Height 5 feet.

Shot put: Biffer, (B) first; Aye, (B) second; Capps, (B) and H. Spangler, (P) tied for third. Distance 42 feet.
Discus: Aye, (B) first; Biffer, (B) second; Capps, (B) third. Distance 104.8 feet.

Javelin throw: Herold, (P) first; Biffer, (B) second; Aye, (B) third. Distance 134.19 feet.
880-yard relay: Plattsmouth first. Lutz, Hennings, Warner, Meisinger. Time 1:54:4.

Old Residents Called to the Last Long Rest

Chris Kupke, 95, and John Koop, 66, Old Time Residents of Central Part of County

The past week has marked the passing of two of the old and loved residents of the central part of Cass county and whose funeral services were held this week at Louisville.

Chris Kupke, who had attained the age of 95 years, was called by death on last Saturday at the home of his daughter, Mrs. Frederick Stohman, south of Louisville, death coming as the result of the infirmities of his advanced age. The Kupke family resided on the farm near Murdock for many years until the age laid its toll on the husband and wife and they then made their home for the greater part of their time with a daughter, Mrs. Louise Stohman, the wife passing away January 8, 1927, since which time owing to the ill health of the daughter Mr. Kupke has made his home with another daughter, Mrs. Frederick Stohman. The funeral services were held on Wednesday at the Evangelical church with Rev. Theodore Hartman conducting the services. Mr. Kupke is survived by three daughters and one son, Mrs. Julius Reinke of Murdock, Mrs. Louise Stohman and Mrs. Frederick Stohman of Louisville and Carl Kupke of Murdock.

John Koop, one of the old time residents of Louisville, who passed away at the hospital at Omaha on Friday was laid to rest Sunday at the late home at Louisville. The deceased, who was a native of the island of Fehmern, off the coast of Schleswig-Holstein, was born September 28, 1863, and at the time of his passing he was aged sixty-five years. He came to America at the age of 22 years and in 1889 was married at Nebraska City to Miss Ida H. Stoll, of near Weeping Water. They lived near Otoe until 1891 when they moved to Louisville and have since resided there. He is sur-
