CASS COUNTY TRACK MEET

The Cass county track and field meet to be held here on next Friday will bring to the county seat an array of track men who will give Coach Rothert's team a battle for first place. This meet ought to be of special interest because it will give local track fans an opportunity to see Homer Spangler in action, Plattsburgh's state champion miler. Aside from Spangler who will be entered in the mile and half mile, miler is expected to collect points in the dashes and hurdles with Dew, Wiles and Galloway and Velick expected to place in the hurdles, quarter and jumps. Spangler will not be without opposition in the mile as Nehawka will have three entries in the race in an effort to do what the best in the state could not do last week at Lincoln.

In the century dash Meisinger and Lutz of the locals will meet Griffin and Brandt of Eagle and Steel and Frohlich of Alvo. Eagle's hopes in the high hurdles will be carried by Vickers with Meisinger and Dew running for Plattsburgh. The quarter mile dash is always a beautiful race and a half dozen entries will insure a thrill for the spectators.

Alvo, Eagle, Nehawka and Plattsburgh entry blanks are already in and entries from Louisville and Elmwood are expected. The fact that several of the schools spend a good bit of time with baseball which prevents the entry list from being as large as it probably would be otherwise.

Travels 15 Years Seeking Health

"For fifteen years I have done nothing but travel over the United States, Canada and Cuba in a fruitless search for health. Three weeks ago I began the Sargon treatment and today I am a well and happy woman. That

MRS. M. M. LINK

Sargon should restore me so quickly and so completely after all these years of suffering and failure is marvelous and I want my friends everywhere to know about this wonderful medicine.

"Even the lightest meals would cause me to suffer tortures from indigestion, gas pains and smothering spells. Sometimes I would just have to gasp for breath. Nervousness made my nights almost sleepless. Rheumatism troubled me a great deal, too, and my liver was so badly out of order I had to take strong purgatives continually.

"I took treatments everywhere without relief, and finally made up my mind to travel with the seasons and live the rest of my days as comfortably as possible. Had anyone told me that any medicine would do what Sargon has done for me I could not have believed them. It put my stomach in perfect condition and drove the rheumatism right out of my system. I eat anything, am no longer nervous, and sleep like a healthy child. I feel strong and well all the time. Sargon Soft Mass Pills completely overcame my liver troubles. They act gently yet thoroughly.

"To enjoy such splendid health as Sargon has given me is the greatest blessing in the world, and I feel it my duty to let other sufferers know about this wonderful treatment." This remarkable statement was made recently by Mrs. M. M. Link, wealthy resident of 863 Tuxedo Blvd., Webster Grove, Mo. Mrs. Link is spending the winter at Grande Court, San Antonio, where she went in her long search for health.

Sargon may be obtained in Plattsburgh from Weyrich & Hadraba.

My Mother. The following poem was sent in by J. L. Smith of Nehawka, uncle of Alta C. Candy of Nashville, Tenn., who wrote it in memory of her grandmother and for all mothers:

Who is this lovely Queen of May, Who reigns in every heart today Thro' she be near, or far away? I hear you say, my mother.

No heart so true, no face so true, No touch can soothe away life's care, And gladly every burden share Or say a prayer, my mother.

Her voice is music to my ears, Her smile can dry my falling tears, Her gentle presence calms my fears All thru the years, my mother.

Her prayers will ever be my guide, Protecting me what e'er betide, Her love will thru all time abide, God bless the name of mother.

SAY IT WITH TOMATO PATCH

Lincoln, May 13.—A 1,000-acre ranch on the outskirts of Lincoln, supplying food for hundreds of state institution inmates—that is the dream of Gus Miller, reformatory superintendent here. It's not altogether a dream. The 350 acres now under Mr. Miller's control can hardly be called a vision. With the addition of 150 acres of rented land this spring, the reformatory now boasts one of the largest agricultural establishments in this vicinity.

Since the reformatory was started on its quarter section in the hills west of town eight years ago, Mr. Miller has constantly promoted the farm idea. Better than any other state institution in Nebraska, the reformatory for men is able to undertake a project of this kind. The inmates are adults and capable of doing hard work. That's why they raised tomatoes last year in memory of the institution itself and sold a \$1,300 surplus. Onions, beets, turnips, sweet corn, asparagus and rhubarb—in fact nearly every kind of ordinary vegetable is raised on the farm.

PROTESTING RATE BOOST

Grand Island—A bitter battle over lodge insurance rates is forecast for the twenty-third biennial session of the Ancient Order of United Workmen of Nebraska, which convenes here Tuesday morning.

Since adjournment of the lodge convention two years ago, much new legislation has been enacted by the finance committee, bringing about a substantial increase in the monthly insurance rates to older members, many of whom are protesting. More than 700 members are said to have been affected by the rate hike. Approximately 500 persons, including 150 delegates from all sections of the state, are expected to be here for the meeting.
