WHAT IS SPECULATION?

Every time a crop is planted, or a new building erected, or a business

inaugurated, someone speculates. Through misinterpretation, many In the District Court of the County people have seized on "speculation" her territory, and this was but the as a catch-word for anything reprehensible and doubtful. As a matter of Charlotte Archer, Widow, fact, speculation merely means the investment of money or energy or ideas or some other forme of capital. John Archer et al.

On the stock exchanges, the people who "speculate" in securities in the hope of making money as our industries progress, are part of our great economic structure. For the first time in history, people in every walk of chase interests, large or small, in the organizations that furnish the necessities and luxuries of modern life.

General and individual progress depends to a considerable extent on vogue. Lucky for some of the boys | The following is a detailed account speculation, to improve living standthat their girls don't throw them of what is in progress and contem-
