## Young People are Wedded at Kansas City

Miss Virginia Harris of Union and J. Marion Stone of Nehawka Steal March on Friends

J. Marion Stone of Nehawka and Miss Virginia Harris of Union, stole a march on their relatives and friends when they went to Kansas City, Mo., and were united in marriage Wednesday, August 7th. The young couple took the train from Union late Tuesday night and were married in Kansas City the next day. The marriage was performed by a minister of the Christian church of that place.

Following the wedding the young couple left for Del Norte, Colo., where they will spend a few days with Mr. and Mrs. D. C. West who are vacationing in the Masonic Park near there and return to Nehawka with them. Mr. West requested that Mr. Stone come to Colorado and drive the West car home from the mountains. They are expected home the latter part of this week or the first of next.

Mrs. Stone is the youngest daughter of County Commissioner C. F. Harris of Union. She is a graduate of the Union high school and later attended the state university. For the past couple of years she has been teaching school. Last year she was one of the faculty of the Madrid school in Perkins county. She is a sister of Mrs. Hall Pollard, living south and west of Nehawka.

The groom is a son of Mr. and Mrs. Carl W. Stone of Nehawka. He was born and grew to manhood at Nehawka. After graduating from Nehawka high school he attended the State Agricultural College at Lincoln and completed his course there this spring. He was quite well known as an athlete in high school and college and is a young man of high repute.

The young couple will probably make their home at Nehawka in the near future. The bridegroom has rented the J. J. Pollard farm for a period of five years and he will engage in farming here during that period.

At this time the young couple are unaware that their wedding has been made known and will undoubtedly be surprised when they return home to receive the congratulations from their many friends in this community. -Nehawka Enterprise.

### HUNT MISSING CAR IN PLANE

Mitchell, S. D., Aug. 15.—Perry Paulin and Howard Stenemus, student flies, were searching in their airplane Thursday for a fair hickory to whom they gave a lift this morning. They were on their way to Mitchell airfield three miles west of here, when a young woman who said she was hiking from Cleveland to the Pacific coast, asked for a ride.

She rode with them to the airfield, took a deep interest in preparations the men made for the flight, watched them fly away and then climbed into Paulin's car and drove away.

Paulin missed the machine when he returned to the ground. He at once notified police and the county sheriff, announcing he would take off again and try to locate the girl and his car.
