Popular Prices, 10c and 25c Entire Family, 50c

NOTE—By Entire Family we mean Father, Mother (Two Adults ONLY) and ALL Dependent Children

### PUSHING STRIKERS' TRIAL

Charlotte, N. C.—The prosecution took advantage of Sunday cessation of court activities to rest before the final drive in its battle to convict sixteen Gastonia labor leaders and strikers of the murder of Police Chief O. F. Aderholt. The case enters its third week Monday. The first nine days were consumed in the prolonged business of selection of the jury, in which nearly 700 veniremen were summoned and 409 were actually examined.

In all of the testimony the fact has been stressed that the police chief and other officers were leaving the grounds when the shots were fired

at them. The officers say that they had made no move to draw their pistols up to the time the first shot was fired. They admit having arrested one of the strikers for attempting to halt them as they entered the grounds. Saturday another high mark was reached when H. C. Jackson, Gastonia police officer, testified he heard Fred Erwin Beal, of Lawrence, Mass., leader in the strike movement in Gastonia, tell picketers to "shoot to kill" if any one tried to stop them.

A philosopher is one who reflects that the ordinary things he possesses would seem wonderful if described by an ad writer.

## We Invite You

With full confidence in your judgment and assurance you will recognize the truth of our claim that "You can buy it cheaper at Black and White," we invite you to come into our store and look around—compare our prices (space forbids listing but a very few in this ad).

## High Honor Paid to Local Member Legion Auxiliary

Mrs. C. A. Rosencrans Named as Chairman of Rehabilitation Committee of the State

From Wednesday's Daily—  
The service men and women of this community were more than pleased yesterday with the news that Mrs. C. A. Rosencrans of this city had been designated by Mrs. Lorene Hahn of Creston, state president of the American Legion Auxiliary, to be the new chairman of the rehabilitation committee of the Auxiliary. The committee of which Mrs. Hahn herself relinquished to accept the presidency.

This appointment is a fitting recognition of the untiring work of Mrs. Rosencrans in this line of work as she has been very active both in the Legion and Red Cross circles in relief work and her devotion to this line of activities makes her an ideal head for the important departmental post of the Auxiliary.

Mrs. Rosencrans has served as the first district committeewoman of the Auxiliary for the past two years and has held various offices in the state and national conventions of the feminine branch of the Legion and her intense sense of duty to the tasks that has been assigned her has caused the leaders in the society to appreciate her wonderful aid and zeal in handling the tasks which may have fallen to her.

The office of rehabilitation chairman is the most important, in both the Legion and Auxiliary circles as it concerns the chief object of the service people—the care and interest of the disabled, the sick and the needy veterans and their families. In this department is kept a close touch with all Nebraska veterans in the various hospitals over the country, seeing that they are supplied with many of the remembrances and needed articles that help to make their unfortunate conditions more pleasant.

The state president has made a wise choice in this work in Mrs. Rosencrans as she has been a splendid worker in local relief work and has given unsparingly of her time in visiting the needy and caring for them in every way possible and to bring relief through the medium of the Auxiliary and of the American Red Cross, of which Mrs. Rosencrans is the secretary and in her new work she will be found carrying the same enthusiasm for the care of the unfortunate men who are still fighting the war injuries in the hospitals of the land.

The new office will give Mrs. Rosencrans the honor of being a member of the official party from the Nebraska Legion Auxiliary at the national convention at Louisville, Kentucky.

### VERY PRETTY WEDDING

From Wednesday's Daily—  
This morning at 9 o'clock at the St. John's Catholic church occurred the marriage of Miss Anna Martis, one of the charming and accomplished young ladies of this community and Mr. John Bergmann of Manley.

The nuptial mass was celebrated by Father Marcellus Agius in the joining of the lives and hearts of this estimable couple. The event was attended by only a few of the more intimate friends.

The bride was attended by Miss Anna Kuncel, of Omaha, a cousin, while the groom had as his best man his brother, Edward Bergmann. The bride was very charming in a gown of white georgette, the skirt being of lace and tulle with an uneven hem. She wore the flowing bridal veil with a band of rhinestones and orange blossoms holding the veil in place. Miss Martis also wore a bracelet of blue and white sapphires, a gift from the groom. She carried an arm bouquet of Ophelia roses. White kid pumps and the white hose completed the costume.

Miss Kuncel wore a flesh coloredorgette gown carrying an arm bouquet of pink roses and also a rose in the hair adding to her headpiece. Miss Kuncel wore also a necklace of pearls. Tan kid pumps and tan hose completed her costume.

The groom and best man wore the conventional dark suits. Following the wedding ceremony the bridal party motored to the home of Mr. and Mrs. Joe Martis, parents of the bride, where a most delicious wedding luncheon was served.

The bride is well known through this section of the county where she has made her home for several years and is held in the highest esteem by a very large circle of friends.

The groom is a son of Mr. and Mrs. Frank Bergmann, prominent residents of near Manley, and is a young man of the highest character and a member of one of the leading families of Cass county.

### SHOWING SOME IMPROVEMENT

From Wednesday's Daily—  
Carl Ulrich, son of Mr. and Mrs. Ewald Ulrich, residing west of Mynard, was taken with a very severe attack of appendicitis last week that made his condition most serious for a time and has kept him under constant medical attention since that time. The young man is getting along very nicely now and the attending physician is hopeful that he will be able to recover from the attack without the necessity of an operation for the affliction. The many friends over the county of the young man will be pleased to learn that he is better and trust that he may soon be out of all danger.

We print everything but money and butter. Phone your order to No. 6. Prompt service.

## Return of M. E. Pastor Asked by Local Church

Methodist Conference at Lincoln This Week Will Be Presented With Expression

From Monday's Daily—  
The Methodist state conference will open at Lincoln this week and at which time the assignment of the ministers to the various charges over the state will be made.

The Plattsmouth church has passed resolutions endorsing the present very efficient pastor, Rev. Harold E. Sator, asking that he be returned to the charge in this city for the ensuing year and the expression of the church was so strong that it probably will have the decided effect of securing the return of Rev. Sator to this city.

The present pastor has served the church here for the past three years, he just finishing up his third year in the field and in this time he has been a strong factor in the upbuilding of the church and with his high conception of his duties and his pleasant personality and sincerity of purpose has made a great advance of the church cause in the community.

The pastor has many friends outside of the church membership who will be pleased to see him return and to carry on his work in the community for the ensuing year as successfully as he has in the past.

### ROTARIANS ENJOY FISH

From Tuesday's Daily—  
The members of the local club of the International Rotary had a very fine time today at their weekly luncheon when they were the guests at a fine fish dinner that had been secured as the result of the prowess of one of the local Rotary members, Art Troop, just recently returned from the Minnesota lakes. Mr. Troop made a good catch of fish while at the lakes and very thoughtfully brought a large number home with him and awaiting the disposal of the Rotarians. It is needless to say that this unusual treat was fully appreciated by all of the club members.

The Rotary had a very interesting talk on books, their value, and the influence of books on the children. These subjects were ably handled by Mr. H. L. Cecil of New York City, who is representing the National Association of Book Publishers and while not a salesman he visits various schools and organizations to explain the rich value in the human life and training of the good books.

The club also had a little Scotch offering one of his delightful Scotch melodies that he gives in a true highland manner. As a guest of the club Rotarian N. C. Abbott of Nebraska City was in attendance and enjoyed meeting the old friends here for a short time.

## Acting Principal a Popular School Man

R. Foster Patterson, Who Is Acting Director of High School Has Splendid Ability

From Wednesday's Daily—  
The sudden change that has been made necessary in the high school just at the opening of the school year, through the resignation of J. V. Simons as principal of the high school, has been very fortunately met by the fact that the board of education last year designated R. Foster Patterson, head of the social sciences department, as assistant principal.

Mr. Patterson has now taken over the work of the principal and is well able to handle this department of the school life and in which his pleasant personality, his fairness and deep interest in the success of the school, makes him a very well chosen man for the position.

The acting principal is one of the ablest members of the local high school faculty and has been very successful in his work here and while he has been in charge of the debating activities of the school he has placed this school in the ranks of the best schools in the state and his class work has been of a very high standard.

The matter of the disposition of the principalship will be in the hands of the board of education, who, with the knowledge of the ability and the executive leadership of Mr. Patterson, cannot but fail to feel appreciative of the fact that they have such an excellent man to whom they can place the task of handling the management of the high school.

The friends of the school and Mr. Patterson are hopeful that this excellent young man will be called upon to serve the term in the capacity of principal as he has the fullest confidence and friendship of both the teachers and the pupils in the school.

### RETURN FROM SAD MISSION

From Wednesday's Daily—  
This morning Henry and P. A. Horn of this city, George P. Horn of Omaha and Mrs. Mary Becker of near Mynard, returned from Pekin, Illinois, where they were called to attend the funeral of their sister, Mrs. Catherine Ann Nickel, and their aunt, Mrs. Elizabeth Volk, the sister dying last Friday and the aunt on Sunday. The family has suffered a very sad blow in the last week as the mourners came home to attend the funeral of another aunt, Mrs. Anna Horn of Weldon, Colorado, whose funeral services were held here today.

The following gives a short sketch of the sister and aunt of the Horn family.  
Catherine Anna Horn.  
Mrs. Nickel was Catherine Anna Horn, daughter of George P. and Eva (Volk) Horn, and she was born in Sand Prairie township March 4, 1858. Her marriage was to George Nickel who preceded her in death by only a few years. The marriage took place in Sand Prairie township, but Pekin, where Mr. Nickel was engaged in the blacksmithing business, was the home of the couple during all their married life.

Surviving are five sons: George P. Peoria; Oliver H., Chicago; Edward J., Walter J. and William O. Nickel, Pekin. A daughter, Mary, died many years ago. Mrs. Nickel also leaves four brothers: George Horn, Omaha, Neb.; Henry and Philip Horn, Plattsmouth, Neb.; and Jacob Horn, Creighton, Neb., and one sister, Mrs. Mary Becker, Plattsmouth, Neb. A brother, Isaac, preceded his sister in death.

Mrs. Nickel was widely known and highly respected in the community, reared a family of sturdy sons, three of whom served their country in the late war, and her death will be keenly regretted by many whom she assisted in time of need.

Mrs. Elizabeth Volk.  
Christina Elizabeth Weyhrich was born at Bierbach, Germany, February 15, 1841, a daughter of Philip and Elizabeth (Stoehr) Weyhrich, and came to this country with her parents when 15 years of age. Her marriage to Baltz Volk took place in Sand Prairie township February 6, 1862. He died six years ago and she is survived by her daughter, Mrs. Lutz, and one son, Philip Volk, Pekin.

Mrs. Nickel was a resident of Cincinnati township until the death of her husband, when she came to Pekin to live with her daughter. She was a member of the Sand Prairie Lutheran church and was held in high esteem by a wide circle of friends.

### SUFFERS SEVERE ATTACK

From Wednesday's Daily—  
This morning Ward Clark, well known barber was stricken at his shop by what was at first thought to be a stroke of epileptic attack but which was later thought to be due to a severe attack of acute stomach trouble that had brought on a dizzy spell and faintness. The attack was very sudden and Mr. Clark was stricken as he was working around the shop and without warning. The attack came so sudden that Mr. Clark sank to the floor in a faint and his condition was discovered by William Starkjohn and who called medical aid. Dr. J. S. Livingston was called and reaching the side of the patient gave him temporary relief and he was then taken to his home on east Pearl street. This afternoon Mr. Clark was reported as showing signs of improvement and it is hoped the effects of the attack will soon pass away and permit him to resume his usual activities.

Plattsmouth, Nebr.

### NEW MYNARD PASTOR

The Nebraska conference of the United Brethren church which has been in session at Seward for the past week with an attendance of some 150 delegates and church representatives, has closed and the assignment of the pastors of the church in the state made.  
In the changes announced the Mynard church loses the services of Rev. G. A. Weaver, who has so efficiently filled the charge there as Rev. Weaver has been sent to Lushton, a larger charge for the ensuing year. The Mynard church will have Rev. F. V. Mann as the new pastor. The church at Nehawka has secured Rev. H. D. Knoblock for another year.

### SHOWS SOME IMPROVEMENT

From Tuesday's Daily—  
Reports received here last evening from the Clarkson hospital at Omaha state that J. H. McMaken of this city, who is there recuperating from the effects of an operation, was much better yesterday and his condition late in the afternoon and evening was very encouraging and Mr. McMaken seemed very desirous of

getting up and around, altho he is still quite weak and kept confined to his bed. This is very pleasing to the many friends here and who hope to see Mr. McMaken back home soon.

### HOLD PICNIC PARTY

The rain of Sunday failed to diminish the ardor of a party of some twenty-five of the local people who had planned to attend the Elks picnic. When the rain came to blast the hopes of an outdoor gathering the members of the party decided to hold their picnic anyway and accordingly they gathered at the home of Mr. and Mrs. L. L. Turpin for the event. The members of the party came with their picnic lunches and after these had been disposed of by the guests the afternoon was spent in bridge that made the time pass very pleasantly.
