Appeals from Award in Louisville Accident

Lincoln Firm Takes to Court Award Made in the Death of D. F. Jacobs at Louisville.

From Saturday's Daily— For the first time in a number of days the office of the clerk of the district court today received a new case for filing, this being an appeal made by the firm of Green & McReynolds, plumbing and heating contractors of Lincoln, from the award made by the state compensation commissioner in the claim of Mrs. Tillie Jacobs, widow of D. F. Jacobs, for the death of the husband at Louisville on May 24, 1929.

The defendants named in the appeal are Mrs. Jacobs, Herman E. Pankonin and A. O. Anderson & Son, a partnership. The plaintiffs allege that the deceased was in the employ of H. E. Pankonin as sub-contractor and the firm of A. O. Anderson & Son at the time of his accidental death. That the deceased failed to exercise the proper precautions and that in his death the plaintiffs should not be held responsible but that the liability if any existed should be on H. E. Pankonin and the firm of A. O. Anderson & Son.

This case was heard at Louisville and Plattsmouth in September and award made by the compensation commissioner on October 28th 1929, and in which he found that there was no liability on the firm of A. O. Anderson & Son and assessed the liability of Green & McReynolds and H. E. Pankonin, in the sum of \$15 per week for a period of three hundred and fifty weeks with an added penalty of fifty per cent for past due payments, dating from May 25th, 1929.

It will be remembered that Mr. Jacobs was killed while working in the construction of a cess pool at Louisville on May 24th, he having just recently arrived at Louisville and was engaged by Mr. Pankonin to do this work, he being the sub-contractor on the job.

Sales Promotor Now Figure in the Show Game

B. A. Harris, Well Known Promoter, Is Now "Angel" for Beetfield Tenor on Stage

The Plattsmouth friends of B. A. Harris, well known sales manager and promoter, will be interested in learning that Mr. Harris is now featuring as manager of Francisco Rocha, winner of the Nebraska division of the Atwater-Kent radio audition.

Mr. Harris with his vocalist, Mr. Rocha and the accompanist and friend of Rocha, Theodore Reyes, arrived in Omaha Thursday from Grand Island, where Mr. Harris has had his protegee for several weeks and are appearing at the Orpheum in Omaha this week.

The two musical artists have little or no knowledge of English and Mr. Harris is the official mouthpiece for the talented Mexican beetfield worker who is now having his opportunity to bask in the light of the theatre. Mr. Harris, while very fluent with the English language in Spanish and his conversation with his artists are largely confined to the sign language.

Rocha was a worker in the beetfields at Scottsbluff when he was discovered by Mr. Harris who was conducting a sale at that place and in connection with this was staging a radio program by local people and running short of the talent for the program he was informed of the Mexican with the unusually powerful tenor voice and secured the young man for a number. His selections given in Spanish proved a real hit in the Scottsbluff area and Mr. Harris determined that if possible he would secure a large opportunity for Rocha and which has now come to him.

After the close of the recent sales in this city Mr. Harris returned to his home at Grand Island and secured the entrance of Rocha into the Atwater-Kent contest in which the young man won first place for the state contestants and is now awaiting the national contest at Chicago on November 22nd and also taking a tryout for the Orpheum. Mr. Harris while here was very enthusiastic over the possibilities of his protegee and feels that he has a real future before him despite the fact of his lack of educational opportunities as he has the natural gift of voice and an appreciation of music.

MRS MINNIE HUFFMAN PASSES TO HER REWARD

As the tired child pillows its head on the bosom of its mother and sleeps after a day's activities, so another death mother in Israel has found rest on the bosom of her Savior, after a long and well-spent Christian life. Mrs. Minnie Keturah Hawker, was born September 9th, 1862, at Bridgewater, Somersetshire, England, and passed away, Oct. 27, 1929.

When thirteen years of age she with her parents came to America, locating at Burlington, Iowa. Here she continued her education, graduating from the high school of that city.

A few years later when her parents moved to Otoe County, Nebraska, she came with them caring for them until they were called home.

November 21st, 1883, the deceased was united in marriage to Joseph Huffman, who passed to the Great Beyond, July 29th, 1919.

Four children came to bless this union. They are John of Plainview, Nebraska; Daisy, Lillian and William who still reside on the home place, five and one half miles southeast of Elmwood.

When quite young Mrs. Huffman united with the Congregational church of which she was a faithful member until called to meet her Savior and the dear ones gone before.

Mrs. Huffman was a quiet unassuming woman, who was ever ready to lend a hand of assistance in alleviating pain or sorrow. In her quiet way she did what she could for the comfort of others. Be it said of her, she has fought life's battles as best she could, leading a life in conformity to the teachings of her Master, and she has entered Home to be with those whom she loved and lost awhile and to be with her Savior whom she loved and served so faithfully.

She leaves to mourn her departure her two daughters, her two sons and their wives, one grandchild, other relatives, and a host of friends.

The funeral services were held at the Methodist church Tuesday afternoon conducted by Rev. J. A. Klein, pastor of the church. Music was furnished by Mrs. Harry Tolhurst, Miss Lubertha Klein, Wm. Skeen and Kenneth Boyd, with Mrs. Ghy Clements at the piano.

Entertainment was made in the Elmwood cemetery.—Elmwood Leader-Echo.

Mynard Club Holds Enjoyable Meeting

Fine Program Enjoyed at the Regular Meeting Held at the Community Building.

The Mynard Community club held its regular meeting on Friday evening, Oct. 25. Mrs. Sherman Cole led a spirited singing of "America the Beautiful" with Mrs. Elbert Wiles at the piano. After a short business session, the committee, W. F. Nolte, C. C. Spangler and Mrs. John Valley presented a very interesting program.

The stage had been decorated in keeping with the harvest and Halloween season, and the first number was a spooky song sung by the pupils of the Eight Mile Grove school, accompanied by their teacher Miss Vivian Livingston. As an encore they sang a marching song. The little folks sang exceptionally well, and showed the fine training given them by their teacher, Lela May Hike gave a recitation, "September," in a pleasing manner. Misses Dorothy Yost and Barbara Spangler played a duet on the piano. These little ladies showed a very satisfactory advance in their musical studies. Mrs. C. C. Barnard read "The Mystery of the Autumn Leaf," an article quite appropriate to the season of the year.

Misses Fern and Pearl Spangler, two young ladies from the neighboring community of Weeping Water, played a beautiful duet. Mrs. S. W. Cole read "A Rhapsody on Corn" which expressed some splendid thoughts about this great mid-west product. Richard Cole gave a humorous reading. One of the most enjoyable numbers was an instrumental quartet by Mrs. Roy Cole, piano; Mrs. Clara Ferris, violin; Mrs. Elbert Wiles, flute; Mrs. S. W. Cole, cello. The audience then gave a number of "Household Helps," which were both humorous and helpful. A quartet composed of Richard Livingston and Louis Sack, Mynard, Charles and Russel Livingston, Weeping Water, sang a song about "Our Needing Good Old Backbone," which their hearers liked so well that the young men had to respond with an encore.

Mis Marie Kaufmann of Plattsmouth, then took the audience on a trip to Europe via the moving picture route, which the travelers enjoyed very much. While the screen and camera were being arranged, Mrs. Roy Cole and Mrs. Elbert Wiles played some lively marches.

Among the entertainers of the evening were a pair of kittens which, having followed their owner to the hall, proceeded to make themselves at home, frolicking happily most of the time about the stage to the great amusement of the youngsters.

After a Halloween lunch of pumpkin pie, doughnuts and coffee, the large crowd wended their way homeward, feeling that another evening together had been very pleasant.

LEAVING FOR NEW CHARGE

From Thursday's Daily— Father Stanley P. Jones and Mrs. Jones and the children are leaving Friday morning at 6 o'clock by auto for Muscatine, Iowa, where Father Jones is to take charge of a large Episcopal parish at that place. The new charge is one of the very finest in eastern Iowa with a large church and parish and a splendid parish home for the rector and family.

The many friends here in this city are regretting very much to see the very able rector and his family leave this city and during the present week the Jones family have been guests at a number of the homes of the members of St. Luke's parish here and among all there is a general feeling of the greatest loss in the departure of the family. In their new home Father and Mrs. Jones and their family will carry the very best wishes of the host of friends in the community.

RECEIVES SAD NEWS

From Friday's Daily— Last evening C. E. Hartford of this city received a message from Mrs. Hartford, who for the past several days has been at Boone, Iowa, at the bedside of her father, A. Beiter, announcing that the father had passed away late yesterday afternoon. The death of Mr. Beiter was not unexpected as he has been very poorly for months and at his age of eighty-two years there was very little hope of his recovery. Mr. Hartford expects to leave this evening for Boone to join his wife and remain over for the funeral services which will be held Saturday afternoon. In her bereavement Mrs. Hartford will have the deepest sympathy of the many friends in this community.

Marriages in Nebraska for Year Increase

6.5 Weddings for Each Divorce Granted in Year's Time; Mark Better Than Nation's.

Lincoln, Nov. 1.—Ranked beside the other states of the union, Nebraska is shown to be pretty near normal in the matter of marriage and divorce.

A department of commerce report, just issued, states that in 1928 this state had 9,932 marriages, or 7.05 to every 1,000 of population. This is an increase of 1.3 per cent over the previous year, as against a 1.5 per cent decrease for the nation as a whole. Even with that increase, however, the state still lags behind the rest of the country in weddings. The nation's average is 9.85 ceremonies to every 1,000 population.

Better Than Nation. For every divorce in Nebraska last year, there were 6.5 marriages. The United States could boast of only 6 marriages to every divorce.

Nebraska's total number of divorces was 1,538. That was an increase of .2 per cent from the year previous. Per 1,000 of population, the number of divorces was 2.22.

Only 28 annulments took place in the state during 1928, compared with 33 the year before.

Remo Is Gretna Green. Nevada became a mecca not only for divorce, but for marriage during the year 1928, the record shows. A California three-day notice law influenced many couples to hie for Reno.

While the rest of the country reported a net decrease of 1.5 per cent in marriages, Nevada turned in a 73 per cent increase. A 54 per cent increase in divorces also was enjoyed by the western commonwealth.

IOWA MARRIAGES SHOW DECREASE Washington, Nov. 1.—Iowa kept pace with the rest of the nation in showing a decrease of marriages for 1928, but reversed the general trend toward increased divorces, figures released today by the United States Department of Commerce show.

In spite of the fact that its divorces decreased by 3.6 per cent from 1927 to 1928, however, Iowa had a Thomas Walling Company Abstracts of Title Phone 324 - Plattsmouth
