Nehawka Farmers Oil Company

R. C. Pollard, Manager

Nehawka

Charles Hall was a visitor for the day on last Tuesday at Union where he went to deliver a load of gasoline at the filling station there.

Elmer Crowell and Everett Lancaster were over to Nehawka City on last Tuesday where they were looking after some business matters.

Everett Lancaster and family were over to Murray on last Sunday where they were attending the funeral of the late Miss Bertha Lancaster, a second cousin.

Rose Redden and family of Murray were guests for the evening last Sunday at the home of Mr. and Mrs. Everett Lancaster, where all enjoyed the occasion very much.

Ernest Ahrens believing in marketing the corn when he can get at it the best was delivering corn on Tuesday to the Farmers elevator and thus getting it out of the way from other work which comes later.

James M. Stone who has been so ill at the hospital at Lincoln following the operation under which he went is reported as being much improved and it is thought that barring some accident he will in time be restored to his customary health.

R. D. Taylor was a visitor in Omaha twice in the hours of the day last Monday and each time taking a load of stock for Wm. Ost and Clarence Peck, and on his return, bringing back two truck loads of feed for the Nehawka Mills. This keeping him pretty busy during the time.

Harold Kimlon and family who make their home at Wayside in the northwestern portion of Nebraska and actually reside in South Dakota and who have been visiting here for the past two weeks, will on the latter portion of this week depart for their home in the Northwest, driving in their auto.

Wm. Steinker and wife who have been visiting with friends in and about Nehawka for the past two weeks from their home at Chaik-beant, South Dakota, and who are to return to their home in the near future, were guests for the day and dinner on last Tuesday at the home of Mr. and Mrs. John W. Lloyd.

Mrs. Clarence Hanson who has been so poorly at her home in Nehawka for several weeks past, and who has been kept to her bed during the most of the time, is reported as being slightly better but not as yet able to be out. Mrs. Robert Chapman has been caring for the patient and sees that she gets every need.

James Chappell was shelling and delivering corn to the Nehawka Farmers Elevator Company, on Tuesday of this week, notwithstanding the intense cold, and as a matter of fact, the corn shelled better. However, was getting the job off his hands which had to be one some time and at this time found excellent roads over which to haul the corn.

Mr. and Mrs. Marion Tucker were over to Plattsmouth last week where they were guests at the home of Mr. and Mrs. Lynn Minor, and as Mr. Minor had to go to the meeting of the Plattsmouth Chamber of Commerce, he was also a guest, and was the president to address the club. Mr. Tucker said that he could see how the club could work together for the better conditions of trade for both the merchant and the customer.

Gives Party for Friends.

Mr. and Mrs. Frank Cox, northwest of Nehawka, entertained at their home on last Tuesday evening and had for their guests for the occasion and with them enjoyed the occasion most pleasantly. Thomas E. Fulton and wife, Hans Stoll and wife, Mrs. Elizabeth Flemme, Harold Kimlon and family of Wayside, Nebraska, who are visiting here and Earl Cox and family. They enjoyed the evening in playing pinocchie, and were served by a most delightful luncheon.

Hunters Abusive.

Some time since a party of Omaha hunters came to the vicinity of Nehawka and asked a certain farmer if they could hunt on his place. Permission was given and the outline of the farm was definitely explained, and the hunters went to hunt, but crawled over the fence into another field, and was driven out by the irate farmer. Later another party came and asked the same farmer to hunt, but permission was withheld, and they went out along the road any way and assayed to hunt but a son of the farmer happening along, told them to refrain from trespassing on the farm. A wordy war ensued with threats of the Omaha party to hunt any way, but the son who was somewhat exercised by this time, told them to get out or he would use summary means to see that they did when they departed and have not returned. The Omaha parties who have raided the Cass county farms for many years past, taking what was loose and pulling the remainder loose, taking grapes, walnuts and hunting without permission, received a check when the game wardens apprehended some 201 of them. The many fines seem to have done them some good.

Babe Getting Along Better.

The little six months old babe of Mr. and Mrs. Martin Ross, which was so serious with an attack of pneumonia and who was taken to the Lincoln General hospital at Lincoln last Friday, is reported as being some better at this time. Mrs. S. J. Rough, the grandmother, was over to Lincoln over the week end.

Almost Driven Frantic by Pain

"No matter how carefully I ate, my food just wouldn't digest right. I had such pains in my right side they almost drove me frantic. Dizzy spells came on me frequently. I was

MRS. ANDREW LARSEN

restless at night and my nerves were worn to a frazzle. I was so constipated I could almost feel the poisons accumulating in my system. "My daughter got me to try Sargol, and now after three bottles and a bottle of pills I eat three good meals a day, the terrible pain is gone from my side, and constipation doesn't bother me at all. My daughter and I never miss a chance to praise the grand medicine."—Mrs. Andrew Larsen, 2014 South Tenth street, Council Bluffs, Iowa.
Weyrich & Hadraba, Agents.

assisting in the care of the little one, returned home last Monday evening and reported the little one considerable better.

Business Satisfactory.

Henry Wessell who has been in the hardware business in Nehawka nearly since it was a town, speaking of business during the past year, said that the store had enjoyed a good business, probably not in as large a volume as just following the war, but that the business had been very satisfactory during the past year, and that he was looking for a better year in 1930. With good crops of corn and of a good quality, while at other places there was but a meager yield, he could not see but what the price would be satisfactory some time during the coming year. The winter always brings a rush of marketing, but should this reduce the price of the grain, it would be higher later on.

Making Good Improvement.

Mrs. John Opp who is at the hospital at Lincoln where she recently underwent an operation for her health is doing nicely and showing very satisfactory improvement, and is hoping to be allowed to return home during the latter portion of this week.

Doing a Nice Business.

A letter from Mrs. Albert Wolfe, who is at this time visiting in Long Beach, California, and a guest at the home of Mr. and Mrs. Chauncey Schupp, who have been making their home here for some time, writes she enjoyed a very pleasant visit with them and that they are engaged in the restaurant business and are doing nicely.

Two New Members Admitted to Cass County Bar

Mrs. Willie L. Dwyer and Harold E. Sortor Admitted to Practice by Supreme Court.

The Cass county bar has received the addition of two new members as the result of the action of the supreme court in admitting to practice, Mrs. Willie L. Dwyer and Harold E. Sortor of this city.

The action of the court now gives the bar here a lady member to grace their dignified body, one who will make a real mark, there is little doubt in the minds of those who have heard Mrs. Dwyer in the trial of a case, she having been a very able assistant for her husband, one of the distinguished members of the local legal fraternity.

The other new fledged disciple of Blackstone, is none other than the popular and genial minister of the local Methodist church, Rev. Harold E. Sortor, who has in the spare moments of his teaching and ministering in the church studied law and is now in a position to appear and conduct a law suit. Rev. Sortor has the advantage of most members of the bar in that he can perform a wed-

YOUNG PEOPLE ARE WEDDED

From Wednesday's Daily—
Last evening at the home of the grandparents of the groom, Mr. and Mrs. A. W. Smith, occurred the marriage of Miss Anolita Cameron and Mr. Earl F. Warren of Mason City, Iowa, the marriage rites being read by Judge A. H. Luxbury of the county court and a neighbor of the Smith family.

The young people arrived here yesterday for a visit with the grandparents and from here will go later to Brintow, Oklahoma, where a sister of the groom resides and where they expect to make their future home. The bride is one of the charming young ladies of Mason City, her old home, while the groom is well known in this community where he has his home in his boyhood with his grandparents, spending nine years here and attending the local schools for a number of years.

The many friends here will join in their best wishes for the future welfare and happiness of this estimable couple.

Cleaner Causes Much Damage in Automobile Fire

Explosion of Can of Cleaner in Car of Pat Reed Does Considerable Damage to Car

From Wednesday's Daily—
Last evening Pat Reed had a close call from being badly burned as well as having his car destroyed, when a can of clothes cleaner that he had in the car ignited and exploded.

Mr. Reed had driven his car up to the front of the county jail and was preparing to go on into the family residence and decided to light a cigarette before getting into the wind and hardly had he struck the match than the car was ablaze, the fumes from the cleaner having formed in the car and which caused an instant explosion and the blaze spread rapidly over the car. Pat and his father, Sheriff Bert Reed had a real battle to put out the fire which was burning freely in the upholstery of the car and the covering of the seat was practically destroyed as it was necessary to tear out a part of this in order to prevent the flames from gaining greater headway. The fire was finally extinguished without the need of calling the fire department but the car will need a great deal of work before it is back in shape again.

Mr. and Mrs. Charles McGuire and Mrs. Edgar McGuire were visitors in Lincoln and Havelock today where they spent a few hours with relatives and friends.

BURGLARS AT ELMWOOD

The town of Elmwood had a visitation from burglars on Monday night, but the facts of the attempted robberies was not reported here at the office of the sheriff and when Sheriff Reed visited there yesterday he learned of the visitation which fortunately resulted in no loss to any of the places visited.

The burglars secured entrance to the office at the lumber yard and also at one of the filling stations and failing to find any money in the registers proceeded to try and break into the safes in the two places. The combinations on the two safes were pounded with some instrument but resisted the efforts to break and the party or parties were unable to accomplish their purposes and left the scene of action with out any success.
