Start Paving on Highway No. 34 in Iowa at Once

State Highway Commission Let Contract for Paving on No. 34 from Hastings to Red Oak.

A total of 28,182 miles of paving in Montgomery, Mills and Union counties, Iowa, were let to low bidders by the state highway commission late Thursday and assurance that southern Iowa would have the first cross state road in the state was made with the lettings. The three unpaired or uncontracted strips were the last on the highway to be considered.

A total of 8,165 miles of primary No. 34 highway in Mills county from Hastings east to the Montgomery county line was awarded the Harrison Engineering and Construction company of Kansas City. This work will be done for \$147,458.87 or on a basis of \$1.87 per square yard. The state is to furnish the cement.

Six and 464 miles of primary highway No. 34 west from Red Oak to the Mills county line, was also let to the Harrison Engineering and Construction company for \$108,758.81 or on a basis of \$1.907 per square yard. The state is to furnish the cement in this case also.

According to specifications in the preliminary letting announcement work must be started on the Montgomery county paving April 1 and this should be completed on or before August 1. Work must be started in Mills county, April 1 and completed July 15, according to the letting. This time may be lengthened by the commission.

Thirteen and 5.53 miles of primary No. 34 east and west of Afton, were let to the Capital Construction company of Des Moines for a total of \$286,155.11. This was on a basis of \$1.58 per square yard and the state is to furnish the cement. The same company constructed the first paving on No. 34 in Union county last year.

Nearly 182 miles of paving was added to that previously contracted for by the commission. At the same time bids were asked for March 18 upon an additional 82 miles. With one 14-mile project which is being re-advertised, this brings up to 20 miles the amount formally projected, and leaves only about 270 miles and about \$9,000,000 of the proposed \$30,000,000 program to be let.

OBITUARY

John William Amick was born October 19, 1851, at Athens, Ohio, and departed this life at his home near Mynard, Neb., March 7, 1930, at the age of 78 years, 4 months and 16 days.

At the age of four he came with his parents to their homestead near Eight Mile Grove, where he endured the privations of the early pioneers. He was united in marriage November 5, 1876, to Laura Ann Pierce, who preceded him to the Great Beyond August 10, 1916. To this union were born three sons and four daughters. In 1890 he moved with his family from Weeping Water to Stockton, Kans. After fifteen years he returned again to Weeping Water, where he farmed until his home was broken up by the death of his wife.

He was married September, 1920, to Mrs. Eliza Walton of Haddam, Kans., with whom he lived at that place until 1925, when his home was again broken up, his wife being taken to the State hospital, and he came back to Nebraska to be near his children.

While a young man he united with the Christian church, and has lived a Christian life since that time. He was a kind and loving father and endured many privations to rear and educate his children. He leaves to mourn the loss his sons, Cecil and Earl of Mynard, Louis of St. Louis, Mo.; his daughters, Mrs. Edith Truman of Bristow, Neb.; Mrs. Frances Hunt, Weeping Water; Mrs. Minerva Coolman, Mynard, Neb.; and ten grandchildren. A daughter, Grace, passed away March 3, 1900.

Funeral services of Mr. Amick were held at the Congregational church on Sunday afternoon at 2:30 o'clock, conducted by Rev. Pinkham. Interment was made in Oakwood cemetery.

Out of town people in attendance at the funeral were Mr. and Mrs. L. W. Amick and baby of St. Louis, Mo.; Mrs. Edith Truman, Bristow, Neb.; Mrs. Minerva Coolman, Mynard, Neb.; Earl and Cecil Amick of Mynard; R. B. Pierce, Mrs. Christine Schaefer, Lester Odgers and Marion Schaefer of Haddam, Kansas; Mr. and Mrs. Earl Landholm and Mrs. Mary E. Burt, Bristow, Neb.; Mrs. Ada Ferris, Mr. and Mrs. Kenneth Ferris, and Mr. and Mrs. Clair Ferris of Murray, Mr. and Mrs. Carl Dooley, Mr. and Mrs. J. Hughes, and Mr. and Mrs. John Stone of Plattsmouth.—Weeping Water Republican.

Declamatory Contest Held Here Friday

High School Students Compete for Honor of Attending Sub-District Meeting

The high school was the scene of a very enjoyable occasion Friday afternoon when the members of the local school contested for honor of representing the Plattsmouth schools at the sub-district contest that will be held on March 28th at Auburn.

The program was quite extensive and was one of the best that has been given by the local school and the results of the contest were judged by Rev. H. E. Sortor, Mrs. E. H. Wescott and Rev. H. G. McClusky.

The largest number of the contestants were in the humorous class and in the awards Hershel Dew was given first honors with "Just-a-lack-a-Da" Miss Cora Hayes second with "Samantly's Suitors" and Gertrude Valley third with "Jane." Other contestants in this class were Robert Bestor, Sam Arn, Elizabeth Hatt, Dorothy Hirz, Ruth Rotter.

In the extemporaneous class Robert Livingston was the best and gave a very pleasing response to the subject handed him as he came onto the platform.

The dramatic class showed some very fine numbers and in this class Miss Margaret Shellenbarger was the first with "The Highwayman," Miss Amy Sandlin in "Miss Civilization" and Miss Maxine Cloldt in "The Accident." Others in this class were Towner Livingston, Margaret Laboda and Marsella Ramsel.

The oratorical class was comprised of Charles Nowacek who had as his subject, "If Ye Break Faith" while Paul Iverson had as offering, "To Charles Lindbergh." In this contest Mr. Nowacek was awarded first place and Mr. Iverson second.

The members of the various classes have been coached by Miss Mary Jane Tidball, Mr. Sterret, Mr. Kvasincka and Miss Beighly.

The Journal Job Department is equipped to turn out anything from calling cards to sale catalogs.

A Tiny Spark Causes Fires

A match carelessly thrown aside may come in contact with an explosive and cause tremendous loss. Causes of explosion are often matters of negligence. Danger may be minimized with care.

First, secure reliable fire insurance if you do not have it. Then give some serious thought to Fire Prevention. This agency of the Hartford Fire Insurance Company will co-operate with you. Call or phone.

Death of Well Known Resident of Nehawka

Nicholas Opp, Pioneer of Cass and Otoe Counties, Dies at Age of 73

Nicholas Opp, one of the oldest and best known citizens of this community answered life's summons Tuesday evening, March 11th at nine o'clock. Mr. Opp was born at Weiderhouser, near Coblenz, Germany on April 13, 1856. In April 1868, when twelve years of age he came with his parents to Cass county, Nebraska. When sixteen years of age he was confirmed in the German Evangelical church of which he has since been a member. February 5, 1882, he was united in marriage to Emma Keil at Factoryville, a village formerly located a few miles southeast of Nehawka but now extinct.

Shortly after his marriage he and his wife went to Duell county, Nebraska, where they proved up on a homestead and remained about fifteen years. Family ties and eastern Nebraska held the stronger bonds for them, and they returned to Nehawka in 1909. Here they took over the old Opp homestead about a mile east of town where they remained until four years ago when they moved to town where they might find their work less strenuous. Their farm life had been a hard one at times, especially while homesteading, and the four years spent in town were a period of rest, well deserved.

Eight children were born to this union, two passing away while in their infancy. Those surviving are Doris Katharine Ausmus, Eston, Saskatchewan, Canada; Stella Marie Boedeker, Council Bluffs, Ia.; Ralph Nicholas Opp, Union, Nebr.; Arthur Earl at home; Gertrude Emma Wuriburger, Casper, Wyoming and Lydia Viola Hansen, Nehawka. Ralph, Earl and Mrs. Hansen were with the father when he passed away. Mrs. Boedeker reached here a few minutes later and Mrs. Wuriburger arrived here Wednesday for the funeral. Mrs. Ausmus was unable to be here for the funeral but spent the winter here, returning to her home in Canada about two weeks ago. These with the wife, a life long companion and one brother, Peter, of Nehawka, and a large group of grandchildren, and a host of other relatives, neighbors and friends are left to mourn the loss of a loved one.

Funeral services were held from the home, this Thursday afternoon at one-thirty o'clock, being conducted by the Rev. W. A. Taylor of Union. Interment was made in Mount Pleasant cemetery north of town.—Nehawka Enterprise.

INSPECT NEW FRIGIDAIRE

From Thursday's Daily—Large number of men and women Thursday inspected Frigidaire's latest contribution to household convenience in the new hydrator, when the local program of a national ten-day demonstration of this device started today at the Frigidaire showroom here, of J. F. Warga.

The demonstration will continue through March 22 and the display room will remain open until 10 o'clock every evening to care for expected crowds, it was announced by Jess F. Warga, local distributor.

Similar demonstrations are being held throughout the country to acquaint the public with this exclusive Frigidaire feature, which gives the housewife a perfect moist air compartment for the storage and refreshment of leafy vegetables and other foods requiring a certain amount of moisture to remain in the best of condition.

Tempting salads, prepared from vegetables stored in the hydrator, were prepared and served visitors. Frozen desserts, made with the aid of the famous Frigidaire cold control, which received such a popular reception when it was introduced last year, also were prepared and served. Recipes for many tasty salads were distributed, along with other attractive souvenirs and favors.

"The hydrator," Mr. Warga explained, "is a porcelain enameled compartment, which preserves the vital moisture in vegetables, sandwiches, and similar foods. It enables the housewife to store these types of food for long period of time and at the same time does not interfere with the normal dry cold of Frigidaire, so necessary for the safe preservation of other types of perishable foods."

ELMWOOD MASONS TO BUILD

The members of the Masonic lodge at Elmwood, where the Masonic temple and building owned by the lodge was recently destroyed by fire, are preparing to start in on the erection of a new structure, which will house the lodge. The members of the order have been busy in volunteer work in clearing up the debris and wreckage of the former frame building and placing the lot in shape for the rebuilding. While their plans have not as yet been announced, it is the understanding that the new structure will be a substantial and up-to-date building in every way.

Youth is Held in Death of Star Athlete

Raymond Goodale, 18, Run Down as He Repairs Headlight on Car at Roadside.

Sidney, March 13.—Causing death while driving on the public highways in an intoxicated condition, Dale Chambers, 16-year-old Sidney high school boy, is being held in the county jail here in connection with the death Tuesday night of Raymond Goodale, 18, Sidney high school athlete.

Goodale was killed when struck by an automobile driven by young Chambers while the youths were returning from a party at a farm house near here. Goodale had stopped to repair a headlight on his car when he was run down by the other machine.

Jess Krueger, Cheyenne county farmer, from whom Chambers is alleged to have purchased the liquor, is also being held in jail. He was arrested by Sheriff William Schulz and officers from the state department. Chambers told authorities that he did not know he had struck Goodale until they informed him of the accident the following morning.

Funeral services for the dead youth will be held Friday afternoon.—Omaha Bee-News.

PENSION BILL APPROVED

Washington—Disregarding objections by Secretary Mellon, the house claims committee decided Friday to report the Johnson bill to give a \$150 per month to George Charles Walther, who was shot and permanently crippled by a federal prohibition agent at Underwood, Wash., several years ago.

Representative Johnson of Washington, author of the measure, and Representative Korell of Oregon, both have sought such legislation. Mellon as secretary of the treasury, which has jurisdiction over the prohibition enforcement bureau protested on the ground that Walther was engaged in the illegal manufacture of liquor at the time he was shot.

ASK LICENSE RULE CHANGE

Omaha—County treasurers of Nebraska, in convention here Wednesday, passed a resolution asking the legislature to change the automobile registration law to make 2,800 pounds instead of 2,700 pounds, the weight at which licenses on passenger cars are stepped up from \$8 to \$12.

Action of the treasurers followed a talk by F. H. Hanson of the Douglas county automobile registration department, who advocated the change because, he said, there are a large number of cars weighing between 2,700 and 2,800 pounds, and he holds it unfair to ask these owners to pay \$4 more than those with cars weighing only slightly less.

State Engineer Cochran in an address before the convention asserted before the convention asserted that with the increased federal appropriation, it appears that Nebraska will be able to meet its total federal allotment for highway building only

FATHER OF GAS TAX GETS SEAT

Lincoln, March 13.—Arthur Bowling of Merriman, successor to Dwight W. Griswold of Gordon, as state senator from the Thirty-second Nebraska district, is the "father" of the state's 4-cent gas tax law enacted by the last legislative session.

Seated Thursday morning just before the senate-banking bill was voted upon, Senator Bowling cast his ballot in the upper house on that measure, voting for its passage. Senators Wood, Warner and Schepman escorted the senator-elect before Justice W. H. Thompson of the supreme court.

If it was made as big a crime for a traffic cop to impersonate a wife as it is for the citizen to impersonate a cop, there would be a heap more polite language handed to male motorists.
