tracks Norris Resolution for Government Operation

Washington-Discarding the Norris resolution to authorize governnent operation of Muscle Shoals, the house military affairs committee Tuesday decided to formulate legilation to provide authority to a private corporation. Unified upon a determination to have action at this session, the committee members selected a subcommittee of five to draft a bill to provide for the leasing with an alternative plan for government operation in event a satisfactory bid is not received.

The subcommittee, headed by Representative Reece, Tennessee, began work immediately in order to have the new measur rady for consideration by the full group next Tuesday. It probably will be intrdouced Saturday. Acting Chairman Ransley said the committee would continue consideration of the new hill until it was finally reported to the house. Efforts to obtain quick action there would be made, he added.
