#### Business Men Eat and Talk.

With a number of the business men of Union away and others not able to be in attendance, there was but fourteen at the dinner and a motion prevailed that a warrant be drawn on the treasurer for three dollars to make up the number to twenty which would in a manner pay for the serving of the dinner to the ladies who had the matter in charge.

George A. Stites, the grain dealer, was shipping corn in the car to St. Louis this week, he making the purchase from John Niday and Ben Martin, the corn in the ear is a special order for use in the mines and is for the mules which never see the light of day. They live in the mines and work out their life under the ground hauling coal, and there they die. There is another side of this life which we all do not know, and this is a bit of it. The mules are accustomed to the darkness and are

able to see to get about there though it is pretty dark.

Mr. Johnson said that they were expecting soon to visit the old time friends and relatives in and about Union.

#### NEBRASKA'S BEST CROP

The great yields of corn, wheat and alfalfa, not to mention the many other great resources of the state of Nebraska, are after all not to be compared with the greater crop of Nebraska babies, the future citizens of this and other states. One of the young ladies of Cass county, Beverly Ann Brubaker of Murray, who is between two and three years of age and daughter of Mr. and Mrs. C. E. Brubaker of Murray, has been designated as the finest child of her class in the better babies contests at the Nebraska state fair. The little lady is a fine and attractive specimen of Nebraska childhood and the parents as well as the people of Cass county can feel well pleased with the fact that the Murray baby has been set apart as the best in her class.

#### MANY ATTEND FAIR

From Wednesday's Daily—A great number of the residents of this city and vicinity were at Weeping Water today where they enjoyed the big Cass county fair and viewed the many exhibits of agricultural products, stock and the school showings. The court house was bereft of a great many of the officials as they were in attendance at the fair and also attending the speaking at which Ralph Mosley of Lincoln, candidate for congress, and W. H. Pitzer of Nebraska City, candidate for state senator were the speakers. Among those going from the court house were County Treasurer John E. Turner, Register of Deeds Miss Jessie M. Robertson, Sheriff Bert Reed and Mrs. Reed, C. E. Ledgway, candidate for clerk of the district court.

The committee which had charge of the preparation of the food was composed of Miss Weyrich, chairman, Miss Nolt and Mr. Kvasnicka. The task of planning entertainment was left to Mr. Woodward, chairman, Miss Helen Struble and Miss Tadhall. Miss Weyrich's committee did a fine piece of work in planning the menu as well as the games arranged for by Mr. Woodward's committee. To Miss Kaufmann was assigned the task of collecting the necessary revenue and Mr. Reeder took care of the transportation.

#### ENJOY FAMILY PARTY

On Sunday the home of Mrs. Jess Dysart at Union was the scene of a very delightful family party when the cousins gathered to honor Mrs. Minnie Sell of Lebanon, Pennsylvania, who is visiting her brother, V. T. Arn and family in this city. The cousins all were born in Ohio and the gathering afforded a very delightful opportunity in renewing old times in their native state. The members of the party had brought with them well filled baskets that served to provide the means of a sumptuous picnic dinner and which was enjoyed to the utmost by all of the members of the party.

## Lincoln National Bank Robbed of 40,000 Today

Phil Hall, Greenwood, Injured by Bandits As He Resists Command

Lincoln, Neb., Sept. 17.—A gang of seven bandits, armed with pistols and machine guns, robbed the Lincoln State National bank this morning of an estimated 40 thousand dollars in cash and one million dollars in securities.

Phil Hall, cashier of the bank, and former adjutant general of the Nebraska National guard, was felled by a blow on the head, with the butt end of a gun, when he refused one robber's command to open the safe. He suffered a slight scalp wound.

W. E. Barkley, a director of the bank, slow to obey the command to lie down, also was felled, and more seriously hurt. He was carried from the bank, stunned and bleeding profusely.

#### Siren Clears Way.

The robbers entered the bank at two minutes after 10 o'clock, and eight minutes later had cleaned the counters and tellers' cages of cash, swept some securities from desks and one safe into their pockets, and escaped, driving rapidly south through Lincoln. Their car was equipped with a siren, which warned traffic to one side as they sped toward the open country on the Cornhusker highway.

The bank, at Twelfth and O streets, is on one of Lincoln's busiest corners. About 40 employes and customers were forced to lie down during the robbery, and several persons entered the bank while the bandits worked, were also compelled to lie down.

#### Four Enter Bank.

The robbers drove up in a Buick sedan, parking across the street from the bank, and leaving one man in the car, armed with a machine or a riot gun. Two stayed outside the bank door, and four went in.

The bank is of the open type, with no high cages, and with officers' desks in plain view of the lobby.

"Get 'em up" was the loud command from the first of the robbers, and startled customers and employes looked up to see the four men, with guns advanced.

#### Missed Part of Cash.

Edgar Orth, one of the tellers, said all of his cash was taken. Stuart Tabor, another teller, had several thousand dollars in a drawer the robbers missed.

Several outside the bank, who saw the robbers enter, believed them to be guards transferring money, as they entered the door, with guns in their hands, and their appearance aroused no suspicion.

State Sheriff Condit said the car the robbers sped away in bore the Iowa license No. 97-13557. This is a Sioux City number, belonging to a Chevrolet registered in the name of Howard Sween, living on route 2 south of town. Sioux City police were going out to question Sween, whether his car of plates was stolen.

#### One-third Negotiable.

Condit said that he believed the robbers had another car parked outside the city limits, to aid their getaway. A Chevrolet sedan was stolen last night near Otoe, Neb. An extra set of license plates, bearing the Nebraska No. 11-1011, also has been reported stolen. Condit furnished the description of the several cars and licenses to police in all parts of the state.

Of the securities taken, it was said that probably one-third would prove to be negotiable. Half of the bonds and other securities taken were the property of the bank, and half the property of customers.

Mrs. Henry Kuhmann was a visitor in Omaha today, going to that city on the early Burlington train.

"A DISTINCTLY FINER GASOLINE"

## GASOLINE "END POINTS"

The temperature at which gasoline completely vaporizes and combines with air is the "end point."

This temperature determines goodness of gasoline—how completely it burns—how much power it develops.

So the new Red Crown Ethyl was given an "end point" suitable for instant power in the coldest weather—for extra power when the motor warms up.

Use new Red Crown Ethyl in all your motors and notice how quickly your motor starts—how rarely you have to shift gears—how much quieter and more powerful your motor is. You'll discover that this distinctly finer gasoline is also an economical fuel—a real luxury but not an extravagance.
