Membership in This Great Organization Means Help, Care, and Comfort to Sufferers

The campaign for membership in the American Red Cross is now on and in this city the response is not as strong as it should be, memberships not being registered in the number that the great cause deserves.

For the good that it has done in the past the enrollment in the Red Cross should include every man and woman in the community, the organization has locally as well as nationally won the deserved title of "the Greatest Mother of All" as the relief work has been felt in every community in the land.

The Plattsmouth chapter of the Red Cross from the funds that were raised as a part of the wartime support of the Red Cross have been able to carry on a great deal of relief work among local people as well as contributing to the national calls of the society in time of some great catastrophe.

The local chairman of the Red Cross is W. G. Kieck and the persons who wish to join in the great work of the organization can secure their memberships of Mr. Kieck or other local officers.

The drive for memberships close on Thanksgiving day and when you enroll in the Red Cross remember that your dollar goes to advance the cause of humanity in many fields and brings help and comfort where it is the greatest needed.
