Challenges the Control of the Republican Party by Those Seeking His Ouster.

Washington, Dec. 23 .- In an assault upon the republicanism of President Hoover, Senator Norris (Neb.) today challenged the control of the national party by those who are demanding his own ouster.

Norris spoke out in blunt terms after Representative Wood (Ind.) left a conference with President Hoover to urge support for the "eradication" of Norris which was advocated by Robert H. Lucas, executive director of the republican national committee.

Wood's denunciation of Norris from the White house steps as a "consumate demagogue" stirred Norris to question the republicanism of Mr. Hoover and called into action Senator Borah (Idaho), another re-Bluffs were in Plattsmouth Saturday publican independent, who answered, "Let them get out those who have disgraced the party.'
