မေတြက်မြောက်မျှမေတြကြောကြသည်။ ကြောက်မြောက Feeders Day Program.

With an attractive program planned, many Cass county farmers are tion for anyone interested, to attend expected to attend the annual feed- one of the meetings and enjoy a soer's day held at the agricultural col you tread the pathway of lege in Lincoln on Friday, April 17 in the afternoon will probably araw many local women to Lincoln for the

Dr. W. C. Soffey, dean of the college of agriculture at the University of Minnesota, is to be one of the main speakers. The Minnesota man is a nationally known livestock aucon, it was thought best to defer the known college textbook on sheep production. In addition to Dr. Coffey, the program lists Dr. C. Robert Moulton of Chicago as a leading speaker. He is at the head of the The Union school grounds have research department in the American been graded and placed in excellent Institute of Meat Packers. Dr. Maulcondition as far as this matter ex- ton will appear on both programs.

In adition to having such outstandthe planting of trees and shrubbery ing speakers on the program, reports to enhance the natural beauty of the of the experiments conducted on place and otherwise beautify the sur- sheep, cattle and hogs will be heard oundings of the school. There will at feeder's day. Cass county farmers | be a row of trees surrounding the attending will hear about all of the

well will to bring out the natural their wives were in attendance at feeder's day last year. Those at the college of agriculture are making plans to accommodate at least that number of persons this year.

Farm Labor Prices.

One hundred sixty-four men were available for every 100 jobs on the farms on the 1st of March, according to the government report of farm labor conditions in all the states. This scramble for something to do means lower wages over the entire Altho we do not know God's reason | county and also labor above the aver-

A number of county agents in Nebraska have reported that they have placed only a very few men on farms Away, from this world's grief and placed only a very few men on farms this spring. One agent said he put out his first man on March 19th, when in ordinary years he would have placed three or four men every

The last government report lists the average wage in Nebraska as \$33.50 per month with board, and \$48.00 per month without board. Another report is due soon after the first of April which will give more up to date wage scale information for the spring season. Nebraska was paying the highest wages of any surrounding state according to the last report. North Dakota averaged only

Most Cass county farmers are paying \$10 less per month than last year. Ten men have been placed through the Farm Bureau office this spring which is about one-fourth as many as in normal years.

Something Worth Winning. One Cass county outstanding 4-H lub boy or girl will receive an edu-10:30 a. m. German service. The cational prize trip to the National Lord's supper will be celebrated in Club Congress next fall as guests German and the usual offering taken. of the Rock Island railway. The information about the prize trip has just been received from the state club office in Lincoln.

The Rock Island is awarding nine English and the usual offering taken. bers in Douglas, Lancaster, Thayer, Cass Nuckolls, Jefferson, Gage, Pawnee and Sarpy counties for 1931. Similar trips were awarded last year. Fresh Guernsey cows .-- Likewise & John Day of Weeping Water won the

Upon announcement of the trip winner, the Cass county boy or girl is to write a story of their club activities which will be sent to the state club office. After returning from Chicago the local winner will

also write a story about the trip to the Congress.

Earn Way to Club Week.
The Merry Mixers Cooking club, prepared and served a banquet to some 75 guests, Friday evening, March 26th. The proceeds from the banquet together with \$45.00 prize money won by the bread demonstration team from this club, will be used to pay the expenses of the seven members and their leaders to 1931 club week, College of Agriculture, Lincoln, Neb., June 1-6.

The three course banquet was interspersed by talks from W. B. Banning, Union, S. Ray Smith, Weeping Water, Mrs. Chas. Garrison, Union, and the showing of three club film strips by the assistant county agent, Jessie Baldwin.

The girls plan to carry Cooking II this summer and are already contemplating bringing home more Friday and Saturd'y prizes than they did last year. The girls are: Martha Upton, Harriett and Frieda McCarroll, Edith Foster, Gwen Stites, Arduth Martin and Hens, all sizes, lb. . . 18¢ Genevieve Becker. Miss Katherine McCarroll is their local leader.

Yard Beautification.

The principles pertaining to beaustudied by project clubs at a series of meetings held at Murray, Murdock, Weeping Water, and Elmwood. These meetings are preparatory to some yard landscape demonstration which will be held during April. The first of these demonstrations will be Unload Poultry at our Warehouse held at the Herman Schweppe home east of Murdock, Saturday, April 4th, at 10:00 a. m.

Watch the paper for the location and date of the demonstrations nearest your community.

Group Achievement Programs. Plans are well under way for the eighth annual achievement programs are also expecting some prize winof the Cass county home demonstra- ners. The new clubs are: tion project clubs. Following is the schedule for the achievement programs which will be held at each
