LOSS CALLED IRREPARABLE

South Bend—Father Charles L. O'Donnell, president of Notre Dame university, described Knute Rockne's death as "irreparable in many ways."
"Nothing has ever happened at Notre Dame that has so shocked the faculty and student body as the tragic news that came at noon of the accident which took the life of Knute K. Rockne. To every person at Notre Dame this is as personal a grief as if a member of his own family had died. Everybody was proud of Rockne. Everybody admired him. Far more than that, we loved him. Apart from the unique and deserved success which he achieved as director of athletics and football coach he was a great personality with the attributes of genius."
"My own friendship for him extends back twenty years when I was first assigned to Notre Dame after my ordination. Rockne was then a student in Corby hall where I was prefect. The friendship thus formed has remained unbroken and will always be for me one of the fairest memories of life."
"Our hearts go out in loving sympathy to his widow and children. Pending completion of funeral arrangements the university will hold a solemn requiem service in Sacred Heart church. All the students will receive holy communion for the repose of his soul."
Father O'Donnell, named "Hunk" Anderson, Irish, in 1920 and 1921, and Jack Chevigny, backfield man of 1926-7-8, to lead a delegation from the university to claim the body of Rockne. A special car may be chartered. Officials attempted to reach Jesse Harper, who taught Rockne the game and who yielded to him as coach in 1918, to ask him to take charge temporarily. Harper was said to be on his ranch at Sitka, Kas.

Davis west of Weeping Water and which is farmed by Carl Nickel has ever been supplied with an excellent spring and over which a spring house has been constructed years ago, the water running across the floor provided an excellent refrigerator and where all the dairy products were kept, thence the water in trough where it supplied water for the farm animals. Death of Well Known Weeping Water Lady

Mrs. Merle McKay Is Laid to the Last Long Rest in the Old Time Home Community.

On Tuesday afternoon was held the funeral rites of the late Mrs. Merle McKay, at the Congregational church at Weeping Water, and the funeral directors W. L. Hobson & Son caring for the direction of the funeral.

Miss Ruth Jamison, daughter of Mr. and Mrs. Robert Bruce Jamison, the former deceased some three years ago, and the wife, Mrs. Don Jamison, mother of the deceased surviving, was born at the home some six miles from Weeping Water on the 14th of November 1893, and with the parents moved to Weeping Water when she was a small girl.

Miss Ruth was a graduate of the Weeping Water high school in the class of 1913. September 9th, 1914, Miss Ruth Jamison was united in marriage with Mr. Merle McKay, and from this union one son, James Elton McKay was born.

The following year Mrs. McKay united with the Congregational church of Weeping Water, and has ever been a devoted follower of the Master, and has been active in the church work, and a teacher in the primary department of the Bible school of the church of her choice.

Mrs. McKay was a member of the Order of Eastern Star and a very active worker therein.

Mrs. McKay was a lovable Christian woman and a friend to all who needed a friend. Mrs. McKay was taken ill on Sunday, March 22nd and on Thursday, March 26th, was taken to the Bryan Memorial hospital at Lincoln, where she was given the very best treatment, but passed away on Friday, after a most wonderful fight for life. The immediate cause of the passing was an attack of quinsy and a deep seated case of diabetes, which had undermined her system.

The remains were brought to Weeping Water by the funeral directors W. L. Hobson & Son where the remains laid in state until the funeral which was held at the Congregational church on Tuesday afternoon, the interment being made at Oakwood cemetery of Weeping Water.

Mrs. McKay leaves to mourn her departure the sorrowing husband Merle McKay and their son, James Elton McKay, her mother Mrs. Sarah Jamison McElroy of San Francisco, a sister, Miss Villa May Jamison of Weeping Water, a brother, W. W. E. Gerrard, a half brother, of Fairbury.

At the close of the afternoon dainty and delicious refreshments were served by Mrs. William Wehrbein and Mrs. Jess Terryberry.

Jealousy of Sisters Revealed by Suicide

Both Women, Including Wife of Dead Officer, Rivals in Love—Chaufeur Is Named

San Francisco, Cal., March 29.—Miss Eugenia Cuyler Blount today emphatically denied that she had written a love letter to Ray McGunigle or that she and her sister, Mrs. Dorothy Winship, were rivals over the family chauffeur.

Joseph W. Peston, Jr., is said to have disclosed a purported letter allegedly written by Miss Blount to the chauffeur previous to the suicide of Lieutenant Commander Emory Winship, U. S. N., retired, here last week.

Preston, life long associate of the former naval officer, and with him coexecutor of the estate of the commander's first wife, said he had a photostatic copy of the alleged letter, assertedly found by Winship before his suicide.

Wrote Him Letter. The letter, Preston said, read as follows: "My dear Ray: 'Mother mailed me a letter to Palo Alto also care Mrs. Jansen about January 29—air-mail—and it should have arrived there the 30th or 31st. Will you ask Mrs. Jansen for it—or if Dorothy got it, ask her, and send it to me."

"I expect to go to Palm Springs for my health about Friday. Will send you a wire telling you where I'll be—if you still want to write. Thanks for hiding things—letter and telegram."

"Run down to Sherman Clay and get a piece called 'I Surrender Dear.' Think of me when you play it, as I do of you whenever I hear it."

"Mail mother's letter her. Love and ice cream."

"I love you code. I L. U. too."

Denies Any Affair. "Utterly ridiculous, utterly preposterous, utterly absurd," exclaimed Miss Blount in denying that she had had an affair with McGunigle or that she had written the note Preston said she had.

In testifying at the coroner's inquest, Preston said: "Mr. Winship told me there was trouble between his wife and her sister, Miss Eugenia Blount, due to jealousy over Ray, the chauffeur."

"Mr. Winship told his wife that he had a letter by which he could prove his assertions. Mrs. Winship demanded it and he handed her a slip of paper telling her that she could tear it up if she wanted to but that he had a photostatic copy of it. She read it and said:

"Winship Knew Feeling. "I don't believe there's a word of truth in it. He should be ashamed to accuse my sister of being in love with a chauffeur."

"Winship felt that there was much feeling between his wife and her sister caused by jealousy. In my presence she denounced her husband."

"Whereupon Winship said to her: 'Dorothy, you know that Gene is in love with the chauffeur and that there is jealousy between you.' And Mrs. Winship responded: 'Well, if there is, more power to Ray.'"

Mrs. Winship, testifying before the coroner's jury, said her husband's accusations were the result of his "drunken imagination."

THOMPSON PUTS ON SHOW

Chicago—William Hale Thompson put on his biggest show Tuesday night. Before more than 25,000 persons jamming the Chicago stadium, he flashed out in all the fire and drama of yore with the climactic speech of his biggest fight for a fourth and last term as mayor.

Bringing the old showmanship to bear, he made a perfectly timed entrance as the lights were dimmed and only one big spotlight beamed down on him. Front and rear in the procession were huge American flags. The crowd launched into a frenzied ovation that lasted ten minutes before he was permitted to begin his speech. Outside, thousands blocked the streets to listen thru loud speakers. It was a companion-piece to the monster democratic rally staged in the stadium last week by Anton J. Cermack, Thompson's rival for the mayoralty and Big Bill made the most of it.
