### Repeal of Dry Act Desired by Wm. R. Hearst

Publisher Sees Prohibition as Standing in the Way of Nation's Prosperity.

New York—William Randolph Hearst urged the government to borrow \$5,000,000,000 to restore prosperity and suggested that it could pay off the debt in five years by abolishing prohibition. "This is not a time to reduce the national debt thru burdensome taxation and thereby reduce prosperity," he said. "It is a time to increase the national debt and increase the expenditure of the government in public works, in the employment of labor, and thereby increase prosperity.

Then out of prosperity to pay off the debt." "And," he added, "if the government desires further to increase its income let it end this folly of prohibition which does not prohibit, and substitute government control of the manufacture and distribution of alcoholic beverages, and to secure for itself, on the basis of the figures of Canada's excise income, an additional income of a billion dollars a year."

### MARRIED AT COURT HOUSE

The first of the June weddings here was on Tuesday afternoon at the court house when County Judge A. H. Duxbury was called upon to join in the bonds of wedlock Miss Clara Soehl of Arthur, Nebraska, and Ruel Ray of Lincoln. The wedding was performed in the usual simple and dignified manner of the court and joined the lives and hearts of the young people for all time. The bride and groom were accompanied by Mr. and Mrs. Brockman, friends of the bride and residing at Omaha.

### Two Die in Auto-Truck Collision at Greenwood

Blow Out of Tire of Coupe Hurls it in Front of Oncoming Truck—Four Are Injured.

Two persons are dead and four gravely injured as the result of the collision of a Plymouth coupe, belonging to Severin Carlson of Roach, Colorado, and the truck of Z. E. Lancaster of York, on the D. L. D. highway a few miles north of Greenwood, Monday afternoon shortly after 2 o'clock.

The accident occurred when a worn front tire on the coupe blew out and hurled the car into the truck of Mr. Lancaster and almost demolished both the car and truck.

The dead: Z. E. Lancaster, York, fifty-six, driver of the truck. Miriam Newton, twenty, Lander, Wyo., occupant of the car.

The injured: Mrs. Z. E. Lancaster, thirty-one, possible fractured skull, fractured leg, suffering from shock. Elizabeth Newton, nineteen, sister of Miriam, deep scalp wound, fractured right leg in two places, dislocated right elbow.

Roy Franzen, twenty-two, Worcester, Mass., scalp wound which severed artery, numerous bruises. Severin Carlson, twenty-five, of Roach, Colo., head lacerations, two legs broken.

Hold Small Hope for Two. The condition of Mrs. Lancaster and Elizabeth Newton was so critical that physicians held little hope for their recovery. The injured persons were taken to the Greenwood railway station by passing autos and rushed to Lincoln on Burlington passenger train No. 7, arriving at 2:45 p. m. They were taken to the Bryan Memorial hospital. Three ambulances, with an escort of motorcycle officers, took them to the hospital.

Mr. Lancaster died at the hospital at 3:30 p. m. He was conscious when placed on the operating table and told physicians he felt no pain except in the abdomen. Death was ascribed to internal injuries, probably a ruptured liver. Miss Newton died at 6 p. m. She had received a skull fracture.

Mr. Lancaster and his wife were returning from Omaha with a heavy load of type metal for the York Daily Times. He was employed by the York Blank Book company, publishers of the newspaper, and had lived in York all his life. Miss Newton was the daughter of L. L. Newton, Lander, Wyo.

Girl Premedic Student. The girls were being taken to Omaha where they were to board a train for their home. Miriam was a premedical student at the University of Iowa. She had gone to Nevada, Mo., where Elizabeth is a student in Cottey college for women, and they had come to Lincoln to visit friends before leaving for home. They had been in Lincoln since Saturday.

Frazen and Carlson are students at the Lincoln Airplane & Flying school. Frazen has been in Lincoln since May 2 and Carlson since March 11. Frazen lives at 2309 G street and Carlson at 2424 O street. Their condition may not prove serious, physicians said. Franzen's life was saved by a thoughtful person at the scene of the accident who placed a pillow against the wound on his head where an artery was severed, stopping the flow of blood. Carlson was practically scalped by two lacerations which began behind his ears and almost met at his forehead.

Twelve Bones Fractured. Dr. D. H. Clark, Ashland, and Dr. C. H. Arnold, and R. B. F. Hollenbeck, Lincoln, are attending the patients. Dr. Clark accompanied the injured persons to Lincoln. Dr. Clark said check of injuries revealed that of the six persons hurt, there were twelve fractured bones in their legs.

Mr. Lancaster is survived by his wife, Esther, critically injured in the accident; a sister, Edith, York county registrar of deeds, York; a brother, John, Chappell; and several nephews and nieces. The body of Miss Newton is at Castle, Roper & Matthews.

Parents of the Newton sister are driving to Cheyenne from Lander and will rush to Lincoln in a plane.

County Attorney W. G. Kieck was called to the scene of the accident and found from the statements of the parties that the collision was purely accidental and that an inquest would be unnecessary.
