## Officers are to be Accused of Murder

### Charges Planned as a Result of Slaying of Mexicans—Governor Acts

Ardmore, Okl.—County Attorney Shilling announced he would file murder charges against Bill Guess and Cecil Crosby, deputy sheriffs, for the fatal shooting of two Mexican students in United States colleges, one a cousin of President Ortiz Rubio of Mexico. The officers had asked that a murder charge be filed to bring about their vindication.

Governor Murray also entered the case, directing Shilling to make a complete investigation of the slayings of Emilio Cortez Rubio, twenty, and Manuel Gues, twenty. Emilio was a student at the Missouri School of Mines, Rolla, Mo., and Manuel attended St. Benedict's college, Atchison, Kas.

The youths were accompanied by Salvador Cortez Rubio, twenty-four, also a cousin of the Mexican president, the trio expecting to motor to Mexico, their school year having ended. Guess, admitted slayer of the two students, said he was only after the youths, whose automobile was parked on the road, drew revolvers.

Salvador said several guns were being carried in the automobile, partly for protection, and partly because they could be purchased cheaper in the United States and were being taken to Mexico to be used in hunting. Previous to the visit by the officers Salvador said he and his companions had become apprehensive because of an apparently pursuing automobile.

Washington — The Mexican embassy indicated it would ask the state department for a report on the fatal shooting of two Mexican students at Ardmore. Any further action the embassy might take, it was said, would depend upon the nature of the report.

A cable from President Hoover expressing his regret over the slayings at Ardmore, was delivered to the Mexican president. —State Journal.
