HONOR VETERAN DRUGGIST

From Wednesday's Daily—
The Nebraska Pharmaceutical Association which is meeting at Lincoln this week, devoted their meeting Tuesday evening at the Lincoln hotel to honoring their veteran members.

The oldest druggist in point of service in the state, present, was F. G. Fricke of this city, and who was given the greetings of the association on the many years that he has been active in the business life in which he has been an outstanding figure. Mr. Fricke learned his profession in Germany and since 1883 with the exception of one year, he has been actively engaged in the conduct of the drug store of F. G. Fricke & Co., in Plattsmouth.

A history of the life of Mr. Fricke was read by Smith C. Wilson, president of the Lincoln Retail Druggists association as a tribute to the long service in the profession by Mr. Fricke and to the splendid personal character of this loved figure of the association.

Among others honored were D. D. Adams of Nehawka, who has been the treasurer of the association for a great many years.

SHOWING IMPROVEMENT

From Wednesday's Daily—
The reports from the Immanuel hospital are to the effect that Miss Lucille Albert, victim of a severe auto accident on last Saturday night, was showing definite improvement and the attending physicians were much pleased with the rally that the young lady made. She has been suffering a great deal due to the severity of the accident and in the nature of the injuries she is still feeling very much the effects of the ordeal. It is now thought that all possible danger of internal injuries has passed and from now on the patient will be on the mend, although facing many months of bedfast condition as her broken bones knit.

Miss Albert is suffering from a triple fracture of the pelvis and a part of one jaw bone has been found to be crushed while a severe blow in the face in the wreck has resulted in the lower front teeth being knocked out and the patient is suffering greatly from this injury, as it was necessary to take a large number of stitches to close the wound. She is compelled to wear a cast around the jaw and also the body and with the swollen condition of the mouth and face it is necessary to feed her by a tube.

H. K. Frantz, formerly a banker of Eagle, but making his home in Lincoln, was a visitor in Weeping Water on last Tuesday and was looking after some business matters for a time.

E. L. McCartney, the barber, accompanied by the good wife were spending last Sunday visiting at the home of the parents of Mrs. McCartney, A. R. Birdsall and wife of Greenwood.

Dr. J. W. Brendel of Avoca was a business visitor in Weeping Water on Tuesday of this week looking after some business and also at the same time meeting a large number of his friends.

Mr. and Mrs. Ralph Fry and Miss Joan Carter were over to Manly last Sunday where they were enjoying the rodeo which was held there and which was attended by a large number of people from all over the county.

Mr. Orr Hobson, son of Mr. and Mrs. W. L. Hobson, who has been making his home for some time past at Long Beach, California, arrived in Weeping Water early this week and has been visiting at the home of his parents, and will remain for a more extended visit.

Mrs. E. F. Marshall and Geo. Olive were over to Lincoln on last Monday where they were visiting with friends for the day, and were driven to the big town by Mr. Stirling Marshall in the car, who also visited and looked after some business during his stay.

Guy Stokes of near Louisville was a visitor in Weeping Water for the afternoon on last Tuesday, coming to see about some business matters. Little Zella Wade, thirteen, daughter of Mr. and Mrs. Lonnie Wade, has been very ill for the past two weeks and still remains in a very critical condition. While everything possible is being done to restore her health, she seems to remain very seriously ill.

Some classes of some Bible schools often select the name of Busy Bees for their class name and sometimes it is very appropriate for they are all very hard and busy. There are other kinds of bees, and in this case they have pre-empted a home in the Bible school rooms of the Methodist church of Weeping Water. They have stored a good deal of sweetness in one of the rooms of the church building and have now intruded the entire church where they seem to have a larger attendance in mere numbers than the church or Bible school. Proceedings are to be instituted to dislodge the workers from the church building, as they interfere with the regular program.

Many very beautiful and useful tokens of the love of her friends were given.

Showing Marked Improvement.

Gibson, who has been having a number of men employed for some time remodeling and refitting his new store room, completed the same during the present week and on Wednesday night moved into the room which has been particularly constructed for the handling of the business, both as a self service store and with the aid of the salesmen as well. A wrapping square on an abundance of wrapping space on the counters especially made for that purpose will greatly facilitate the doing of the work, while a rack for baskets which can be picked up by the customers and carried with them in making their selection for the purchase which they desire to make. All goods will be in plain figures and all will thus know just what the bill is costing before they select the same. *A "Special Brand" Tire is made by a manufacturer for distributors such as mail order houses, oil companies and others, under a name that does not identify the tire manufacturer to the public, usually because he builds his "best quality" tires under his own name. Firestone puts his name on every tire he makes.
