**WHEN FOOD SOURS**

ABOUT two hours after eating, many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been overstimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless. It is the quick method. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips Milk of Magnesia, the kind physicians prescribe to correct excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

### Parables of Jesus.

By L. Neitzel. "The Laborers in the Vineyard" Math. 20:1-16.

Peter said, "We have left all and followed thee, what then shall we have?" The twelve expected reward, because they had been called first and had labored longest. Such a reward had been promised them should they prove worthy altho others might prove more worthy than some of the apostles. "But some shall be last that are first, and first that are last."

It teaches them that great as their merit and their reward are, there will perhaps be others whose reward will be greater.

Let us pass in review a few of the great workers in the Kingdom: Thus St. Steven was the first to gain the martyr's crown; St. Paul labored "more abundantly than they all," Barnabas and James the Lord brother ranked with the leading apostles. The apostles were warned not to be jealous of the attainments and rewards of others. They all receive the same coin, a denarius, which at the time was regarded as a liberal day's pay. The Supreme reward of all, to see God as He is in His unveiled splendor, will be enjoyed by all who are faithful to the end.

Let us here give a few of the interpretations of this parable: A warning not to be over confident because we have begun our christian course well; the various bands of laborers are the Old Testament and the New Testament; the apostles; the laborers first called are the Jews, those last called are the Gentiles; refers to the periods of men's lives at which they begin to serve God. Some begin in infancy, others in youth, other in manhood, others in old age. It encourages those who have entered late on God's service to labor heartily.

### We Thank Our Friends.

By reason of the assistance of our friends and neighbors, when our house was burned, the other buildings were saved, for this kindly interest in our affairs, for the very excellent work which saved the other houses, we are expressing our thanks to the members of the Murdock fire department, to our neighbors and friends. — Henry Bornemeier and Family.

### Accepts Another Position.

LARGE TRUCK TURNED OVER

On Saturday the large truck of Guy Miller turned over about three miles north of Elmwood. He was coming from the gravel pits at South Bend with a load of gravel and had about five tons of gravel on his side. It simply eased over and no damage was done to the truck. The load of gravel was all spilled out and the box badly smashed up. The large Cadillac truck of the Union Lumber Company was used to right the truck and get it back on to the road and it was then brought on into town. Guy was driving the truck but suffered no injury and under the circumstances is fortunate that no damage to speak of was done to the truck.—Elmwood Leader-Echo.
