WEEPING WATER

M. R. Lumm and wife of Avoca were visiting and looking after some business matters in Weeping Water on last Tuesday.

John Hobscheidt and two of his sons, living south of Murray, were business visitors in Weeping Water on last Tuesday afternoon.

Edward W. Dowler was a visitor in Lincoln on Tuesday of this week where he was called to look after some business matters for a short time.

Cecil Smith has been feeling quite poorly so much so that he was not able to go to his regular work with Billie Ash with the corn sheller this week.

Warren Richards of Wabash was a visitor in Weeping Water on Tuesday of this week, meeting his many friends as well as looking after some business.

Fred Lutz of near Murray was a visitor in Weeping Water on last Tuesday, being accompanied by the good wife, they doing some shopping and also visiting with friends.

Frank Plymouth of Alvo was a visitor in Weeping Water with his truck and feed grinding outfit and was doing some grinding for some farmers east of Weeping Water.

Mr. and Mrs. O. L. Hoffman have been enjoying for the past few days a visit from Miss Marie Durish of Omaha, a friend of Mrs. Hoffman, they all enjoying the visit very much.

Miss Agnes Rough was a visitor in Lincoln on last Sunday where she was visiting with a friend who was also visiting there from California, Mary Mable Sugen and where both girls enjoyed the visit very much.

Mrs. Creola Johnson and Miss Ruth Ranney were over to Omaha on Tuesday where they went to bring home with them a new Model A. coach for the Cole Motor company which had been sold and the purchaser was awaiting its arrival.

Mrs. W. D. Baker was a visitor at the old home at Hiawatha last week and enjoyed the visit with her parents very much. She reports that the crops are looking very nicely down that way and that the rain fall for three days totalled seven inches.

Mrs. Rachel Noyes was a visitor in Weeping Water and guest at the home of Mr. and Mrs. Wm. Van Every, where she visited for a number of days and on her return to her home at Louisville, was accompanied by little Billie Van Every, eight years of age, who will visit there for a week.

Bands Accompany Trip.
Two bands accompanied the trip which the boosters for the Cass county fair is making this week, the Avoca band and the Lewiston band and will furnish music at every stop, thus challenging the attention of the people to the visit.

Gave Concert to Murdock.
The Weeping Water band was over to Murdock last night, that is Wednesday evening, and gave a delightful concert to the hustling little city. The people of Greenwood were greatly pleased with the visit of the band and expressed their appreciation in many ways which could not be mistaken of the enjoyment which they received from the visit.

Were Busy As Bees.
Frank E. Woods, secretary of the Cass County Fair, with a force of young women, were busy on Tuesday afternoon in addressing and mailing the catalogues for the Cass county fair which is to be held at the grounds in Weeping Water on September 16th, 17th, 18th and 19th.

Will Do Without Phones.
That no one may take advantage of another, the three produce and cream stations of Weeping Water have agreed to do without phones and thus save the cost of the service. Their business is so quiet and there is so little in the matter, that they feel that they cannot afford to pay the phone bills which for rental alone amounts to \$3.25 each or \$9.75 per month and for the year amounts to \$118. They think that the rates are out of proportion to the profits which their business affords.

Dies in Lincoln.
Thomas Boone, 77, formerly a citizen of Weeping Water and who has with the good wife, who is well advanced in life, made their home in Lincoln for the past twenty-five years, been in poor health for some time and last week passed away and was buried on last Sunday at the Wuyka cemetery in that city. The W. L. Hobson and Son, funeral directors, were over and had charge of the funeral and burial. Ole Olson and wife and Francis Baldwin and wife of Weeping Water were over to attend the last sad rites.

Will Hold Booster Trip.
That the Cass county fair may be appropriately advertised and that all may know that this is to be the very best fair which has been held in the last quarter of a century, there has been organized a committee which will visit every town in the country and extend a word of mouth invitation to come and enjoy the county fair at Weeping Water on September 16th to the 19th inclusive. The party which is composed of some fifty automobiles will be made into a cavalcade with the first stop at Avoca, where the secretary, Frank Wood, will distribute literature and Hon. Troy L. Davis will be the announcer telling of the fair and extending an invitation to all to come and enjoy the fair. The president, Fred Carsten, will also be present and take general supervision of the trip. From Avoca they will go to Nehawka, thence to Union, Murray, Mynard in turn and arriving at Plattsmouth at about 11 o'clock and from there they go to Cedar Creek

THE FUNERAL HOME

Modern conditions and standards of living have called into being an entirely new kind of institution for meeting a universal human need—The Funeral Home.

Planned for the specific purpose which it serves, it offers greater efficiency and greater convenience than was possible in the past.

We are proud to be able to offer the communities which we serve the use of such an establishment.

and then to Louisville where a basket dinner will be had and a general good time had. The afternoon program will be a visit to South Bend, Greenwood, Eagle, Alvo, Elmwood, Wabash, Murdock Manley, returning home at about 6 o'clock. Let all along the line come and join in with this energetic crowd of enthusiastic boosters for the county fair and make it a real gala day for Cass county and its fair.

New Business For Weeping Water.
Mr. R. S. Scheids of Omaha is at this time opening a dry cleaning and pressing establishment in the room formerly occupied by the Maytag washing machine and which has been vacated recently by that company. Mr. Scheids comes well recommended and is installing entirely new equipment and of the latest pattern and it looks like the institution in every respect will be the very latest and best in this line.

Friends Doing Well.
Newton L. Grubbs, the black smith, and he is a real workman at that, is rejoiced at an article which appeared in the World-Herald, telling of two of his apprentices who have established an exclusive horse-shoeing shop. They are sure good workmen, says Mr. Grubbs, and they worked with me some eighteen or twenty years ago and were very apt students, as is reflected in the work which they are doing at this time.

Will Sow Less Wheat.
The consensus of opinion of the farmers of this county is that there will be less acreage of wheat sown than heretofore, which may be the proper thing and again it may be dead wrong for when all people look at the matter that way, there will be a shortage of acreage for the coming crop year and this will leave a shortage of this very popular cereal. This year the world crop of wheat is 250,000,000 to 300,000,000 bushels of wheat less than in 1930.

MYNARD CHURCH NOTES

The sign along the highway that says go to church some where is good advice.

Why not take that advice and come to Mynard United Brethren church and worship with us.

Jesus said I am the way, the truth and the life, no man can come to the Father except by me. There is no side-door to heaven. The Jews expected to get in by ancestry. They said we be Abraham's children. Salvation is a personal matter, you cannot get in to the kingdom by proxy. Sunday August 16th, there will be a musical held after the Sunday school, consisting of solos, duets and instrumental music.

There will be a basket dinner served in the church basement. Come and enjoy the day with us. d&w

Following this they will play in front of the bandstand in a parade at the State Fair Thursday, Sept. 16. Besides this they play weekly concerts on Wednesday at Nehawka.

Finds Roads Slippery.
Sunday morning when Adolph J. Ross was hastening to the fire which was rapidly consuming the barn and machine shed of Frank Schlettmeier just when the rain was falling in torrents, the roads being very slippery and Mr. Ross not having time to put his chains on his car, slipped into the ditch by the roadside and by the time he was able to get it out the fire had entirely consumed the structures and it was not necessary for him to proceed.

On a High Lonesome.
Two young men hailing from some where, another town, or the sticks, were in Nehawka on last Sunday night about 11 o'clock, and making a circuit about the town yelling and hollering and as they departed fired some fifteen or twenty shots from their revolvers and hiked out of town. Just what goes on this did no one knows but it may be the particular brand of hooch which

they were carrying. Anyway they had better be careful next time or there may be more shots fired. They were careful to conclude their depredations before the night watchman, Albert Wolfe, came on duty which is at 11.30, or they might have run against an obstacle.

Shed and Barn Burns.
From some unknown cause the barn on the home place of Frank Schlettmeier took fire at about 8 o'clock on last Sunday morning while the rain was pouring down and while everything was done and the fire department of Nehawka was called, they could not get there as the roads were simply awful until the structure and also a machine shed near were consumed.

TORCH SLAYERS BURN 4 IN CAR

after they had been killed or mortally wounded.

A farmer near the scene reported hearing an automobile speed past his home a half hour before the bodies were found.

Deputies said automobile tire tracks nearby indicated a second automobile had been driven to the scene.

Miss Gould, 15, and Miss Harris, 17, had been visiting in Ypsilanti, Michigan, called at Lore's home about 7 p. m. Monday and the two boys and two girls left a few minutes later, saying they were going to a moving picture show. The girls were Lore's cousins.

Near the burned automobile was found a woman's slipper, purchased in a Cleveland department store, and a watch belonging to one of the boys.

Officials believe the young people were victims of robbers.

A farmer discovered the automobile. The four bodies were in the rear seat. Officers said their position indicated they were placed there

Anna Arbor, Mich., Aug. 11.—Bodies of four persons, all believed to have been slain, were found buried in an automobile on the road marking the Wayne-Washtenaw county line near Willis early Tuesday.

The victims were tentatively identified as Thomas Wheatley, 16, of near Denton; Harry Lore, also about 16, of Ypsilanti; Vivian Gould and Anna Harris.

The bodies were identified by Harry Wheatley, father of Thomas, who recognized two keys found in the car as belonging to his son. He also identified a belt buckle worn by Lore.
