

Murray No-Rip

George Nickles and wife and Mrs. Henry C. Long were guests at the home of Mr. and Mrs. J. D. Wurde-man of Leigh, they driving over on last Saturday evening and remaining until Monday evening where all enjoyed the visit very much.

John W. Livingston driving east of Murray, was over for some ten sheep feeding bunks which he had made at the Nickles Lumber yard by Thomas Nelson. Mr. Livingston also took with him two truck loads of steel posts for the building of fences on the living farm.

Dr. G. H. Gilmore was a visitor in both Plattsmouth looking after business Monday morning and in Union calling on patients in the afternoon.

John Jenkins and the family arrived in Murray on last Saturday and were guests for the week and will remain longer as guests of his mother, Mrs. Jennie Jenkins. They drove through and enjoyed the trip very nicely.

Herman Meisinger, who was injured last week by a hay rake, is making very fair improvement and is hoping soon to be entirely well again. The wound is healing nicely for which all his friends are pleased.

Miss Virginia Pollard and a party of her friends from Nehawka were visiting in Murray for a short time on last Monday afternoon.

W. O. Troop and son, Thomas, were looking after some business matters in Omaha last Tuesday, they driving over to the big town in their car.

Mrs. Ella Barker, manager and operator of the Murray Telephone exchange, with her children, are at this time taking their vacation, a portion of which is being spent in Avoca, her former home, and the remainder will be spent in Lincoln.

Miss Mildred Rhoden is spending this week at Plattsmouth where she is staying at the home of Mrs. Lois Troop, who has returned from a hospital at Omaha where she recently underwent an operation and is just now convalescing from the ordeal.

Mrs. E. J. Wasson of Havelock, is here caring for the exchange during her absence. Mrs. Wasson is also visiting with her parents who here.

Fred Hafke of Plattsmouth was a visitor in Murray on Monday of this week assisting in the delivering of the corn for Guy Wiles, who was shelling his last years crop on Monday.

The Mrasek Transfer company was busy on last Monday afternoon in the delivering corn from the Guy Wiles farm to the Farmers Elevator.

Albert Wilson of Lowery City, Mo., was a visitor in Murray and guest at the home of his brother, Font T. Wilson, for the past few days.

Mr. and Mrs. A. M. Wilson of Cedar Creek were here to visit with their sons, Mr. and Mrs. Roy Beins of near Plattsmouth, who also were visiting at the Font Wilson home Sunday.

George Miranda Minford was looking after business in Plattsmouth on Monday morning of this week.

Van Allen was a visitor in Sidney, Iowa, on last Sunday. He took his rain coat along. He was afraid it might rain.

Tom Boone Dies at Lincoln.
Thomas Boone formerly of Weeping Water where he resided for many years and who with the wife made their home in Lincoln for a number of years, had been quite ill for some time past, passed away at his home there last week. Mrs. J. F. Brendel, who is a very near friend of the family, was there all last week to assist in the care of the aged patient, who was just past 77 years of age. On Sunday Dr. J. F. Brendel and family and Mr. and Mrs. W. L. Seybolt were over to Lincoln to attend the funeral.

"This underwear is guaranteed not to rip. If it should, return it to the store where you purchased it and it will be replaced without charge.

That is the guarantee with each No-Rip Athletic Suit. That is why No-Rip is the cheapest to own at the price of—

\$100

where the father, L. C. Horchar is now located in camp, and they will take Miss Nora there to receive the benefit of the climate. On the trip Mr. Horchar will be accompanied by his family and Miss Nova Lancaster, who will go along for the trip.

Attended Old Settlers Picnic.

Thomas Nelson, the chambermaid of the Murray lumber yard, departed on last Tuesday morning early for Diller, his old time home where he is going to meet the hundreds of people which he knew when he was in business there some years ago.

Rodeo Next Sunday.

On account of weather conditions the Fort Peck Rodeo company has postponed the Murray rodeo until Sunday, August 15th.

Mighty sorry to disappoint the hundreds of people that came here Sunday to see the show but owing to bad footing for bucking stock and the danger of stock falling and hurting riders, and unable to give a satisfactory show, Manager O. A. Ristow has been requested to lay over and put on the rodeo here Sunday August 15th.

After the rodeo, the Murray Red Sox will play the Council Bluffs Eagles here.

Returned From the West.

Messames W. O. Troop of Nehawka, Wm. Gorder of Plattsmouth and D. C. Rhoden of Murray, who have been visiting in the western portion of the state and also in Colorado for the past two weeks, returned home early this week and report having an excellent time while away. While there Mrs. Gorder, who is a teacher, attended the International Teachers Institute, which was in convention at Denver, and reports enjoying the meet very well.

Entertained at WAAW.

Miss Mildred Schomaker and Miss Lois Gannaway of Plattsmouth, Neb., entertained at radio station WAAW, Omaha, last Thursday, the two young ladies play guitars and sing in which they were invited back to play and sing again in two weeks, Aug. 19th. They will be on the air sometime after the noon hour.

Presbyterian Church Notes.

Evening service at 7:30 p. m. (Young people's meeting).
Wednesday evening prayer meeting at 7:30.
You are cordially invited to worship with us.

J. C. STEWART, Pastor.

COMMENT ON RODEO

The following appeared in the Brownings, Mo., Leader-Record of August 15, 1930, concerning the rodeo that is advertised to appear at Murray on Sunday, August 15th.

"Sunday this city was the center of attraction on account of the Fort Peck Rodeo company putting on one of their shows in the L. C. Lantz tract near this city. This company was here last year and pleased the people with their bronco busting and dare devil riding and this year they had a much better outfit than last. They had real long horn steers that were as wild as bucks and fleet of foot. In the bucking ring were a dozen or more horses and mules that showed their spirit in such a manner that it made one thing that the Pendleton Round-up was right here before our eyes. Buck, well yes, they bucked some and then some more. Mrs. Carter, the lady bronco buster, showed that she was equal to the emergency when they brought out one of the wild and woolly ones which she rode like a veteran. The steers were so fleet of foot that the horses could not keep up with them and only one or two were manhandled. It was quite funny to see one of the cowboys try to get astride one of the steers but his horse or his nerve one could not keep up so this part of the program was called off after two or three attempts. A large crowd witnessed the rodeo and all seemed to be pleased with the entertainment put on. Mr. Ristow, who owns the outfit, but a gentleman in every respect and there is another good point as we see it about his company, they are all sober gentlemen and women and are a credit to most shows that roam the country."

DEPARTED FOR THE WEST.

Little Nora Horchar recently has developed symptoms of tuberculosis and as her brother, James, who was similarly afflicted and who with the father and sister went to the mountains there receiving beneficial results, it was deemed best to also take Miss Nora. Therefore Dan Horchar has builded a trunk on the rear of his auto and started on Wednesday morning for Manitou, Colorado.

That One Place They always Miss

Perhaps your "pet peeve" is to get your car back after a "lubrication job" only to find that, as usual, they slighted "that one place" they always overlook. We don't blame you for getting "sore." Who wouldn't?

All we can say is—if you want a complete, scientific lubrication job—here's the place. Besides knowing how, we get every place—including that one they usually miss. Try us!

FOOTBALL DAYS COMING

Henry Donat, captain of the 1931 high school football team, while he is engaged in the task of felling trees, is also planning the start of the football season, arranging bigger and better signals and looking for any large, brawny and husky young freshmen that might be a member of the squad for the season.

This year there will be ready to respond to the call of the season opening. Sam Ann, Robert Hirz, Clarence Forbes, Mott Frady, Captain Donat, Kenneth Armstrong, William Ronne, William Jensen, David Robinson, Greth Garnet, Richard Edwards, who were members of the squad in the past season, when the blue and white had a very successful season.

The veterans of the last year team have practically all completed their school work but those of the squad that remain have the making of a good fast team and one that will not be so light either, the younger members of the squad having taken on a great deal of weight in the summer season and who will be ready to when the footballs are taken out of the mothballs and the old grind started.

Captain Donat is planning on having a meeting of the last year squad and the prospectives of the year in a short time and get the old football spirit started so that when school opens Coach Rothert will find a crew that is ready to hit the line with all that they have—that old spirit that wins ball games.

CHRISTIAN SCIENCE

The subject of the Lesson-Sermon read at all Christian Science churches and societies on Sunday, August 9, was "Spirit." One of the selections read from the Bible is as follows: "God is a Spirit; and they that worship him must worship him in spirit and in truth." (John 4:24) From the premise that there is but one God and God is Spirit, the conclusion is drawn that there can be but one Spirit and that the real universe reflects divine Spirit alone, and therefore is spiritual and not material. Other citations read are intended to show that the belief of spirits dwelling temporarily in physical bodies is erroneous, and is to be overcome by obtaining correct understanding of God, the only Spirit, who is not contained or confined in anything. One of the selections read from "Science and Health, with Key to the Scriptures" by Mary Baker Eddy (p. 288), is as follows: "The suppositional warfare between truth and error is only the mental conflict between the evidence of the spiritual senses and the testimony of the material senses, and this warfare between Spirit and flesh will settle all questions through faith in and the understanding of divine Love."

MISLEADING SIGN IN MONTGOMERY COUNTY

A large sign about ten feet wide and 25 feet long has been placed near the right-of-way a half mile east of the junction of No. 34 and 71 in Montgomery county directing traffic to go south from the junction on No. 71 to Clarinda and thence west on No. 3 through Shenandoah to cross a free bridge over the Missouri river at Nebraska City. And many motorists are heeding the directions.

The sign is a misstatement of fact as the bridge at Nebraska City is not a free bridge yet and will not be until it is paid for according to information here. It is believed that Glenwood, Council Bluffs and Omaha would co-operate with Red Oak in placing a sign directing traffic thru Red Oak, Glenwood, Council Bluffs, and Omaha. As a result of the sign many tourists who are not familiar with the roads in this part of the state are making the turn south at the junction as the sign directs and it is the means of directing many tourists away from Glenwood.

FOR SALE

The school board of District No. 31, of Cedar Creek, Cass county, Nebraska, will sell at public auction to the highest bidder for cash, the following property:

The building formerly used for school purposes;

Two good Estate Heatrola heating stoves, good as new.

Sale will be held at Cedar Creek, on Thursday, August 20th, 1931, between the hours of 12 noon and 3 p. m.

SCHOOL BOARD OF DIST. 31.

R. M. Stivers, Director.

TAXPAYERS LEAGUE MEETS

From Wednesday's Daily—
The meeting of the Taxpayers League was held last evening at the auditorium of the public library and with a very large number of the members and interested parties in attendance. The meeting was presided over by A. L. Tidd, the president of the League and who took up the progress that had been made in the checkup of various city warrants which has been in progress for the past several weeks.

TO ARRANGE FOR CONVENTION

Plattsmouth and vicinity will be looking forward with pleasure to the coming convention of Woman's Clubs which will be held early in October in this city. Notice has been sent out to all presidents of the county to meet Aug. 20th, to make preliminary arrangements. This meeting will be held in Elmwood.

LOOKING AFTER SKELIGAS

From Wednesday's Daily—
H. F. Austin and F. L. Hyland, of Omaha, representing the Skeligas Co., were in the city today, calling on the local representatives of the gas. The traveling representatives are looking over the territory in the vicinity of Murray and Union and where they expect to interest a large number of the farm residents in this fuel which has been very popular. The company has a large number of their stoves and appliances in the districts that are not available for the natural gas pipeline service.

IGA Dealers to Meet at Lincoln This Week

Black & White Store of This City Will Be Represented at Meetings on Thursday, Friday

Lincoln will be host to a gathering of more than 2,000 independent retail food merchants, jobbers and manufacturers Thursday and Friday, August 13 and 14, at the annual western regional convention of the Independent Grocers' Alliance of America.

Representatives from I. G. A. stores in several states will be there to take part in the two-day grocery merchandising institute featuring modern methods of retail food distribution.

This is the second regional meeting of the I. G. A. in Lincoln. Two years ago, the regional gathering of the alliance here featured a dramatized form of convention presentation. This year's meeting will be held in the Liberty theatre, but the representatives from I. G. A. national headquarters at Chicago will present a new type of program in the merchandising institute which will include moving pictures, dialogue, chart presentations and brief sketches, to get their message across to the retailers.

The convention will close Friday night with the annual I. G. A. banquet at the local headquarters in the Hotel Lincoln. At this time national and regional winners in the annual I. G. A. summer sales contest, which closed on August 1, will be announced and the winners from the surrounding territory will be awarded their share of more than \$15,000 in cash and merchandise prizes.

J. Frank Grimes, president and founder of the I. G. A. and a group of his departmental executives from national headquarters will be here to participate in the Lincoln convention, which is sponsored by the Grainger Bros. Co., wholesale supply depot for several hundred I. G. A. stores in Nebraska and neighboring states.

Mr. Grimes and his headquarters executives will visit Lincoln as the second stop on a five weeks convention trip, which was started at Minneapolis last Monday. They are scheduled to participate in eight regional conventions to reach the thousands of I. G. A. members who are now organized in carrying out the I. G. A. plan of 7688 distribution in 39 states. The itinerary from Lincoln includes stops at Houston, Texas; Biloxi, Miss.; Charleston, W. Va.; Rochester, N. Y.; Portland, Maine and Chicago.

An aggregate attendance of 20,000 is expected at these eight gatherings.

There is no slack business period for the merchant who advertises his goods the year 'round.

Governor Stops 56 Illinois Bills for More Money

Interests of Taxpayers Is Given by Executive as Reason for His Veto.

Springfield, Ill.—In vetoing 56 bills, nearly one-ninth of the number passed by the last Illinois General Assembly, Gov. Louis L. Emerson prevented the enactment of measures totaling \$2,044,076 in appropriations.

While, as his veto messages explain, some were disapproved because held unconstitutional by the Attorney-General or because they duplicated provisions made in other measures, most were vetoed because he did not believe the expenditures authorized by the Legislature should

be made over the insistent demands of the taxpayers to reduce expenditures in public office. With one exception, not so many bills have been vetoed since before 1881. In 1917 Gov. Frank O. Lowden disapproved 69 measures.

Nearly \$1,000,000 which had been appropriated to the Department of Public Welfare in addition to the department's own budget was vetoed.

In disapproving a number of bills appropriating money for monuments, including one to Christopher Columbus in Chicago and the erection of a tablet at Jacksonville in memory of veterans of the War of 1812, he stated:

"In my opinion, state and other public money should not be expended at this time for memorials or any other purpose not absolutely essential. This feeling is not in disparagement of our national heroes, but is in recognition of the dire necessity of a large proportion of the tax-paying public and the urgent demand that state and municipal costs be kept at a minimum."

Measures were disapproved total-

ing thousands of dollars, making appropriations to individuals whose claims had been disallowed by the Court of Claims and whose claims therefore could not legally be allowed by the General Assembly.

In vetoing a bill increasing the maximum tax levy for public benefits in municipalities of less than 25,000 population from one mill to five mills, Governor Emerson said:

"I cannot give my approval to an increase of 500 per cent in a tax rate, especially when the taxpayers affected are not given the opportunity to accept or reject it."

HOUSTON WILL BUILD \$7,000,000 RAIL DEPOT

Houston, Tex., Aug. 9.—Architectural plans for the Southern Pacific passenger station here have been completed by Wyatt C. Hedrick of Fort Worth. The entire passenger station project will represent an investment of approximately \$7,000,000, of which the city will contribute about \$2,000,000.

Many Plattsmouth Women Say:—

"BY COMBINING all of our Food Purchases to Hinky-Dinky, we buy everything at a low price."

Hinky-Dinky sells ALL items at a low price, whether advertised or not, instead of merely one or two "features."
