Towle Turns Toward Trial of 'Pop' Lee

O'Connor Conviction Leaves Three Alleged Robbers Yet to Be Taken Before Court.

With the verdict of guilty pronounced by a jury in the case of Thomas Patrick O'Connor Friday, at Lincoln, County Attorney Towle of Lancaster county will turn his attention to Howard "Pop" Lee, who is to be tried on October 19 on charges of being one of the Lincoln National bank robbers. Lee, Britt and Winkler are now held at the penitentiary.

Lee was one of the quartet arrested in East St. Louis last May at the same time that O'Connor and Britt were taken by Sgt. Roy Steffens of Chicago. Hal Roberts of the Illinois state police and a number of other officers. Winkler was arrested at St. Joseph, Mich.

All of the men held on charges of robbing the bank on Sept. 17, 1929, have maintained they were not in Lincoln on the day of the robbery. Lee, it is expected, will claim an alibi in defense as did O'Connor. All four pleaded not guilty when arraigned in district court some time ago. Their bonds were fixed at \$100,000 each. So far none has been able to furnish bond. It had been rumored that Winkler might furnish bond but he failed to do so.

The alleged bank robbers will be tried singly. Some time ago Towle

Young Men Charged with Vandalism

Trio of Nehawka Young Men Plead Guilty to Destroying School Property Monday Night

From Friday's Daily—
As the result of the investigation conducted by Sheriff Bert Reed, Deputy Sheriff Rex Young and Pat Reed, the perpetrators of the damage to three school houses in the vicinity of Murray and Nehawka was revealed yesterday and the three men who were charged with the offense made pleas of guilty.

The three men are Bennet Rose, Neil Pierce and Charles Rose, all residing in the Nehawka community and of ages from 18 to 20 years. The two Rose boys, cousins, have been "bitching" together on a farm and with a neighbor boy, Neil Pierce, were out Monday on a good time and decided to visit a number of schools, with the result that considerable damage was done at the school buildings.

The windows in the school buildings were broken as well as several of the outbuildings overturned at the school houses in districts No. 14, No. 15 and No. 19. The complaints in the cases were charged against the young men by the chairmen of the school boards in each of the districts, there being three counts against each of the defendants.

The young men were rounded up after some very careful work on the part of the officers in checking over the houses on last evening. The three men decided to make their plea of guilty.

Judge A. H. Duxbury, before whom the three men appeared, heard the plea of guilty and deferred the sentence in the case until Thursday, October 8th when the matter will be brought up again. The three men were released under bonds of \$1,000, and were also given the opportunity of seeing that the damage to the school property was repaired and the buildings placed back in the proper shape.

Cook, second tenors; Towner Livingston, Richard Spangler, baritone; W. T. Richardson and Noble Kiser, bass. Their selections embraced the old and loved songs and the popular songs of the day and the fine voices of the group gave a wonderful setting to this part of the program.
