MAKES GOOD RECORD

An average of one license a day for the twenty-nine days of February, is the record of the marriage license department of the county judge's office. "Cupid" Farmer, the accommodating clerk who sees that the seekers are provided with the neces-

ary papers to enter into the matrimonial state, is well pleased with the result. The last year brought a large increase in the licenses and 1932 bids to be even greater. The larger number of the applicants are from out of the city, many coming from Iowa to be joined for better or for worse.

The last license in February was issued to William Thomas and Miss Agnes Smolinski, both of Omaha, who were married Monday afternoon at the residence of Rev. C. O. Troy, pastor of the First Methodist church.

Willard Clapp Files for State Representative

Elmwood Man Presents Name to Voters of the Sixth District at Primary Election.

Willard Clapp, one of the well known republican leaders of the west portion of Cass county, will be a candidate for the republican nomination for state representative from the sixth district.

Mr. Clapp is a member of one of the prominent families of Elmwood and where he was born and reared. He has been more or less interested in public affairs since boyhood and served two years as secretary to Hon. Ernest M. Pollard, then congressman from the first district. He is now engaged in the conduct of his farm in the vicinity of Elmwood.

Mr. Clapp will have as his opponent at the primary William Bornemeier also of near Elmwood, who filed some time ago.

SHOWS SOME IMPROVEMENT

Mrs. Robert A. Bates, who has been confined to her home by a very severe cold as well as throat trouble, is now somewhat better but still far from well. It is expected that she will require several days before being able to be around and attending to her usual activities. The many friends will regret to learn of the indisposition of Mrs. Bates and trust that she may soon be restored to her usual good health.

FARM HOME BURNED

The residence at the farm occupied by John Sjogren, seven miles southeast of Louisville, was destroyed by fire Sunday morning while the members of the family were engaged in moving to a farm near South Bend. Mr. Sjogren had taken two loads of the household goods to the new farm and the wife and children were at home awaiting his return when the fire occurred. The cause of the fire is thought to be a defective flue or overheated chimney. The fire started in the upper portion of the house and had gained quite a headway when first discovered. Mrs. Sjogren was unable to save much of the contents of the house and the structure was burned to the ground.

SHOWS TREE PLANTING

The State Journal of Lincoln Sunday, showed a very excellent picture of the ceremony here of the planting of the memorial tree at the lawn of the Plattsmouth public library on Washington's birthday. The picture was taken as Mrs. James T. Begley, Woman's club president, was engaged in filling the dirt around the tree and dedicating it to the memory of Washington. Officers of the Woman's club and Mrs. E. H. Wescott, state regent of the D. A. W., and Mrs. C. A. Rosencrans, state president of the American Legion Auxiliary are also in the picture.
