Chas. Troop and Wife Observe 50th Anniversary

Many Friends Gather to Shower the Bride and Groom of Fifty Years Ago with Well Wishes.

Fifty years ago, on March 6th, 1882 occurred the wedding of Mr. Charles Troop and Miss Julia Young. On Sunday, March 6th, 1932 this estimable couple kept "open house" in honor of the 50th anniversary of their marriage. The family now consists of Mr. and Mrs. Charles Troop; a son, Arthur Troop and wife, and two grandchildren, Miss Kathleen Troop and Mr. Marion Troop.

The home was full to overflowing with relatives and friends who came to do them honor on the occasion of their golden wedding.

After congratulating the bride and groom, the guests were conducted to the dining room. The table was decorated in suitable golden colors. Down the center of the table was a long narrow basket containing "a yard of roses, yellow jonquils and ferns."

These flowers were the gift of the children and grandchildren. The napkins, candles and refreshments were all of the same golden color.

The important wedding cake was a gift from Mr. and Mrs. Lothers, of Coleridge, Nebr. Upon it were inscribed the names of the bride and groom, with appropriate dates. Refreshments were served by Mrs. A. M. Boynton, Mrs. Luke Wiles and Miss Elizabeth Spangler.

Among the many gifts was a golden vase presented by Miss Mary Troop, an aunt of Mr. Troop; gold coins, a gift from Mrs. Mary Woodry, and a solid silver water pitcher from the members of the W. C. T. U. to Mrs. Julia Troop, who has been president of the Union for many years.

A program of music was furnished during the afternoon by Mrs. Arthur Troop at the piano, and James Comstock who gave two delightful trumpet solos, with Cecil Comstock as accompanist.

Miss Olive Gass was in charge of the book in which the names of the guests were registered. As the sun was setting the guests reluctantly took leave and the bride and groom were alone again. But as they face the future we can hear them say:

"We clasp tonight once more our hands,
And look across life's shifting sands,
And pledge anew, devoid of fear,
The faithful love of fifty years;
And hand in hand adown
we'll go
Into the sunset's golden glow
Until we reach the other side,
Through golden gates that open wide."

Farm Board Wheat Goes to Drouth Region

Fourteen Cars Leave Omaha for South Dakota to Aid the Needy There.

Federal farm board wheat, set aside by order of President Hoover for relief of drouth sufferers, was scheduled to move out of Omaha Wednesday for the drouth-stricken region of South Dakota.

Twenty thousand bushels of wheat, in 14 box cars, were loaded Tuesday out of Missouri Pacific Elevator B at Sixteenth and Manderson streets and billed for seven towns in South Dakota, two cars to each town.

Orders to ship the Omaha wheat followed almost immediately after the President had signed the Congressional resolution setting aside 40,000,000 bushels of farm board grain for relief purposes. The President also approved the Red Cross application for 5,000,000 bushels, of which the Omaha shipment will be the first to move.

The grain will go into the worst affected section of the drouth and grasshopper stricken area of South Dakota.

The towns are Platte, Plankinton, Armour, Yankton, Wessington Springs, Rapid City and Mitchell.

Most of the wheat will be cracked locally for livestock feed, but some of it will be milled into flour for family feeding.

Free Transportation

The Chicago & North Western and Chicago, Milwaukee, St. Paul & Pacific railroads will haul the grain free of charge.

Dr. A. C. Stokes, chairman of the Omaha chapter, American Red Cross, was present when loading of the first car started.

Nebraska counties included in the drouth area Tuesday took steps to get some of the government wheat. Applications were filed with the North Nebraska Drouth Relief association. Dakota county asked for two cars of wheat and 150 barrels of flour. Holt county requested 231 cars of wheat and 900 barrels of flour. Cedar county asked for 32,500 bushels of wheat to care for 650 families, and Knox county requested 211,000 bushels of wheat to care for 2,110 families.

Announce Relief Rules

John Barton Payne, chairman of the Red Cross, said local relief agencies may have the wheat by applying to the nearest Red Cross chapter, stating the approximate number of families the agency is feeding or expects to have to feed.

At Lincoln Tuesday State Tax Commissioner Smith said 24 cars of forage were shipped Monday in the Nebraska drouth area. He said the extreme cold weather had caused farmers in the drouth district to renew their appeals for aid.
