Candidate for Senator

In making my filing, I had innumerable friends, both in my district and outside my district, requesting me to file for the position as State Senator from the second district.

My past work in the legislatures of 1909-1911, 1923-25-27 and 29 has given me an insight into state affairs of such scope that I think I have a very clear vision of the needs of the State of Nebraska.

While being a member of this law making body, I served on some of the most important committees, among them being Finance, Ways and Means, Banks and Banking, Railroads, Insurance, Agriculture and many other minor committees.

I do not hesitate to refer to any of my co-workers in that body, regardless of politics. I have never made it a practice to be partisan in my views, but have endeavored to do what I thought was for the best interests of my State and the District that I represent.

I am heartily in favor of a reduction in taxes, and for an Income tax. In 1929 I introduced an income tax bill in the Senate, but the majority party at that time did not see fit to allow it to be raised from the committee. I am for a reduction in commissions and needless boards, and the cutting out of all appropriations that can be dispensed with at this time.

Very truly,
W. B. BANNING.

HOLD PLEASANT MEETING

The Woman's Relief Corps held a very interesting meeting on Saturday afternoon at their rooms in the court house. Plans for Decoration day were discussed, which occasion is participated in by the patriotic societies of the city.

The local corps has received a call from the state department for funds for the expectant mothers in the drouth stricken area, the Plattsmouth ladies voting the sum of \$6 to be sent for layetts.

HEAR UNION CASE

From Wednesday's Daily
This morning a hearing was had on the complaint which charged Ralph Surface of Union with assault and battery on Mayor George E. Stites of that town. The evidence of Mr. Stites as to the assault which occurred when Mr. Stites was stuck up by a trio of which Mr. Surface was a member, was taken. The defendant, Ralph Surface, claimed to have no knowledge of having struck Mr. Stites, being at that time under the influence of liquor.

Several character witnesses from Union and those who had employed the defendant was also heard, the young man had always been a good faithful worker and employee.

Judge Duxbury after hearing the evidence gave the defendant a sentence of ninety days in jail, ten of which must be served now and he may then be admitted to parole to Sheriff Thimman and Mayor Stites, to report once a week to them, avoid his former associates and to be in at an early hour each evening.

SOCIAL WORKERS MEET

The Social Workers of the Methodist church were very pleasantly entertained Tuesday afternoon at the hospitable home of Mrs. Harry Schulz, who was assisted in entertaining by Mrs. John M. Leyda. The ladies spent a part of their business session in planning for their pre-Easter sale.

In the social portion of the afternoon, Miss Helen Virginia Price gave a very pleasing reading, "Dawn," in which she secured honors at the recent declamatory contest.

At the close of the afternoon dainty refreshments were served by the hostesses which added to the interest of the meeting.

The To-He-Ho camp fire group met at the home of Eneanor Minor. We discussed our dues, made plans for a program and practiced our stories.

City Council Holds Regular Meet Last Night

Condition of City Finances Much Improved Through Close Economies.

From Tuesday's Daily
The regular session of the city council last evening was attended by a full representation of the membership. There was little of great import to come before the councilmen as the city is operated on a very close basis under the economies that have been put in vogue by Mayor Sattler and the council members, consequently there is not much new work projected.

The report of City Treasurer John E. Kirkham showed a much improved condition of the city funds, the cash balance on hand being \$13,682.31 over the overdraft of \$28,985.41. The funds of the city were reported in the banks as follows: Plattsmouth State, \$8,331.63; Farmers State, \$4,485.96; First National, \$264.72. The registered warrants outstanding were \$40,568.69.

The report of City Clerk Thomas showed that the amount of \$255.30 had been collected in his office and turned over to the treasurer in the past month.

The finance committee reported that they recommended that the city clerk call the attention of the city treasurer to the amount of cash carried by the city in the various banks and to see that proper security was carried, as required by law.

The finance committee was authorized to go ahead and also check up the securities and bonds held as security for the city funds, being in escrow in Omaha banks, the committee to assure themselves of the character and value of the same.

A petition was also received from Mrs. Margaret Manspeaker asking for the vacation of a roadway near her place which has never been opened for travel. This was referred to the streets, alleys and bridges committee. The road in question is located on Wintersteen hill.

Police Judge Graves and Chief of Police Elliott reported that \$27 in fines and costs had been received in the month of February.

Petition was received from Miss Anna Heisel as owner and the American Seventy Co., as lessees, for permission to construct driveways along the property east of the Heisel mill for the erection of a filling station. The petition asked permission to make what cuts in the curb line that might be necessary. This was referred to the streets, alleys and bridges committee.

The claims committee which has had the claim of George W. Olson for \$2.40 for removing snow, reported that they recommended that the claim be not allowed, altho the work had been done. Mr. Barclay had agreed to allow Mr. Olson the amount of the claim in wood and which they recommended be accepted. The opinion of City Attorney Capwell was read in answer to the request of the committee as to the city scales and in which he held that the consent of the voters was not required in the sale of personal property by the city council, but that they should be advertised and sold to the highest bidder.

The following claims were ordered paid by the finance committee and adopted:

Prizes Valued at \$12,500 Offered in New Contest

Skelgas Company and Dealers Advertising Letter Writing Contest with 300 Winners.

Prizes totaling \$12,500 in value will be given away in a contest announced this week by the makers of Skelgas and Skelgas dealers throughout the middlewest, according to W. A. Swatek, of the Bestor & Swatek Company, distributors of Skelgas at their two stores—located in this city and Louisville.

Unlike most contests, where but a few persons share in the prizes, the judges in this Skelgas contest will award at least 300 prizes, and they will all be right here in the middle west, as this is not a national contest. All there is to do, is write a letter—not more than 300 words—on "What Skelgas Would Mean to Me."

The first prize winner will receive all of the following: Beautiful Skelgas stove K-41, the finest Skelgas stove made, completely equipped with

kitchen cutlery and spice canisters, a large Skelgas water heater, complete Skelgas installation and 25 cylinders of Skelgas (enough to last the average family five years). Sixty-four other complete Skelgas installations and stoves will be awarded; as well as 235 other valuable prizes.

"The contest is a simple one and easy to enter," said Mr. Swatek. "There is nothing to buy. All anyone has to do is write a letter on 'What Skelgas Would Mean to Me,' using not more than 300 words. We would like to see everyone enter this contest—women, men, children, everyone."

"No one needs any help to enter, but we will be glad to help as much as we can. We have a four-page Skelgas newspaper which anyone may have, and which will be of considerable help, since it is full of letters that present users have written about Skelgas (not letters connected with this contest.) But, remember, it is not necessary to have this newspaper to enter."

Closes April 16th

"We want to make it clear that entrants should write their thoughts simply, just as they might talk about Skelgas. Writing ability will not be counted. It's just what the contestant says that counts. We would like to see as many as possible of these prizes won right here in Plattsmouth and vicinity. So tell everybody to get

busy, write a letter, and send it to Skelgas Company, 2534 Madison Avenue, Kansas City, Mo. Letters must be postmarked not later than midnight, Saturday, April 16.

Editor's Note: Look elsewhere in this issue of the Journal and read an advertisement about this \$12,500 contest, sponsored by Skelgas Company and Bestor & Swatek, Skelgas dealers in this territory.
