## Bible School Lesson Study!

### Jacob, the Aged Father

Gen. 48:1-7, 28-30; 47:17.

The events of our studies in Genesis are closing with this lesson. What a wonderful ending. The lost son and brother is found. He is anxious to see his aged father, whose "Days of the years of his pilgrimage are hundred and thirty years; few and evil have the days of the years of my life been." (Gen. 47:9).

The brothers are sent back with provisions and presents and wagons to bring the whole family down into Egypt. This was a most gracious offer, a fine illustration of the way in which the faithfulness and nobility of one member of a family at length redounds to the blessing of all other members. But Joseph knowing these men well, sends them home with this solemn warning: "See that ye fall not out by the way." (Gen. 45:24). In the German language it says: "Zanket nicht auf dem Wege."

And now we see them coming back to their father to report! Joseph is alive and wants the whole family to come into Egypt. But Jacob believed them not; they had deceived him before; it was too good to be true.

However, as he sees the wagons that Joseph had sent, he is overwhelmed with joy. "I will go and see him before I die." (Gen. 45:28). The day of departure came at last. And Israel took his journey with all that he had. It is appropriate that Israel, Jacob's new name should be used as he is taking this new step—a momentous step involving the loss of his old time independence, a farewell to his home, and many problems for his old age. But affection called him to Joseph and the famine drove him from Hebron.

A few miles travel brings him to Beersheba. Here Abraham dug a well and dwelt, lived many years; Isaac afterwards came to live there, and from here Jacob set out on his journey to Haran. Here that last sacrifice is offered until the children of Israel left Egypt, 450 years later.

God appears to Jacob in a vision and promises to go down with him into Egypt. This promise and assurance was necessary because Abraham had gone down there and been in great danger. Isaac was forbidden to go there; this heathen country was only a temporary home; their abiding place was to be Canaan. God tells him he shall have a peaceful and happy family circle with Joseph and that he shall bring the caravan to the land of promise. It teaches the doctrine of immortality.

look after some business matters for a short time.

The Earl Lancaster store has been undergoing since last week a change in the arrangement of their stock and the clearing away of some of left over which is being eliminated, thus putting the stock in the best condition and arrangement for displaying same and serving the public.

### Reopened Shoe Shop

### Free Moving Picture Success

The free open air moving picture show, which was instituted last Saturday, and despite the threatening weather, was seen by a large crowd of people who enjoyed it. These shows will continue each Saturday night and should prove a very attractive feature for this hustling town.

### Welcomed in New Home

Saturday night about 150 neighbors, friends and relatives came from far and near to give Mr. and Mrs. James Tigner and family a real welcome in their new home at Mynard. Games of all kinds, including cards, were played, but the main attraction seemed to be the dance, with some fine music furnished by the Murray orchestra composed of Leonard Lutz, Fred Krohler and James Tigner, who stuck to their post till daylight began to dawn.

All came with well-filled baskets of good things to eat and a delicious luncheon was served at midnight. Mr. and Mrs. Tigner are duly appreciative of the thoughtfulness of their many friends and enjoyed the fine time arranged in their behalf as much as any of the guests.

Father's Day is Sunday, June 19th. Secure a suitable card of remembrance at the Bates Book & Gift Shop.

## Murray Sox Loses to Otoans by Close Score

Nebraska City Scoring in the Opening Inning Proves Undoing of the Cass County Team.

The Murray Red Sox again found the jinx of the Nebraska City baseball team trailing them Sunday when they dropped the game 10 to 8 to the visitors from down the river.

The contest was decidedly in favor of the visitors from the opening, they scoring a four run lead in the opening inning and which was a handicap hard to overcome by the Sox, altho with the score eight to four in the seventh inning, the Sox came back and tied the score but the Otoans were able to score their needed runs in the ninth inning to annex the contest.

In the opener errors allowed the Nebraska City team their chance by placing runners on the bases and two scores were made on one of the overthrows to the bases. Two two baggers in the inning by McCleary and Moyer also helped along the visitors scoring.

Both pitchers worked well in the contest until the seventh when Pickering wavered and Smith, veteran league hurler, was sent to the mound for the Otoans and was able to hold the Sox scoreless in the two remaining innings.

The seventh inning was the big one for Murray when they duplicated the Nebraska City first inning by scoring four tallies, Pickering being in a liberal mood and issuing passes to the sacks which with the single of Newman and the triple of Stone, served to tie up the score.

In the first of the ninth inning a double by Conny and a triple by Kotab of the visitors gave them a lead that scored two runs, which proved sufficient to win the game.

The attendance was the largest this season and the seating capacity of the ball park was taxed to accommodate the crowd.

The tabulated score of the game was as follows:

### HAVE ACCREDITED SCHOOL

Through an oversight in making the list of the high schools of the county which were to share in the tuition fees from the state, the name of the Avoca high school was omitted. This school is one of the accredited schools of the county and whose students are admitted to the state university with those of the other four-year schools of the county. The Avoca schools have made some excellent showing in the work of their students, in various contests and tests and are conducted in a manner to make the community well pleased with them.

### 'LILY WHITES' WILL FIGHT

Chicago. — The so-called "lily white" delegations from Mississippi and South Carolina will contest for seats in the republican convention to the credentials committee, despite word from a high administration quarter that Postmaster General Brown would not back them up before that convention group.

J. C. Hambright of Rock Hill, S. C. and Lamont Rowlands of Picayune, Miss., arranged to make a strenuous effort to unseat the factions headed by Joseph W. Tolbert in South Carolina and Perry Howard, negro national committeeman from Mississippi. The national committee at hearings last Friday decided to seat the Tolbert and Howard factions after the postmaster general had argued for Hambright and Rowlands, but the credentials committee must pass on the decisions.
