CELEBRATES BIRTHDAY

The home of Mr. and Mrs. C. W. Barker, who reside west of Pacific Junction was the scene Sunday, June 19, of a happy family gathering, who came to help Mrs. Barker celebrate her 76th birthday. Despite the threatening weather, all of their children, together with a number of their grandchildren were present. All brought bounteously filled baskets

prepared for an outdoor picnic, but owing to the inclement weather dinner was served cafeteria style in the house. A beautiful birthday cake was prepared by their daughter, Mrs. Roarty. Special music for this occasion was rendered by a granddaughter, Millie Lee Bullin on her piano accordion. Also some tap dancing was done by two little great-granddaughters, Bethene Kilbane and Lorraine Rabb. At a late hour all departed for their homes, after wishing "mother" Barker many more happy birthdays. Those who joined in this gathering were Mr. and Mrs. P. J. Bidsall of Decatur, Neb.; Mr. and Mrs. Frank Kilbane and daughter, Bethene, Mr. and Mrs. Fred Davis, Mr. and Mrs. Edward Roarty and son Donald, Fern Johnson and Dr. King of Council Bluffs; Mr. and Mrs. Will Mendenhall and daughter Maymie and son Glenn of Plattsmouth; Mr. and Mrs. Tom Rabb and daughter, Lorraine, Mrs. Paul Lee, Mr. and Mrs. Joe Bullin of Omaha; Mr. and Mrs. Ernest Barker and children, Alfred Kizzler and Mr. and Mrs. Barker.

Big Celebration

JULY 4TH

The papers of July 5th will tell of bad fires, serious car wrecks, injured children. We pay a big price for our day of fun.

Let's be Careful

Eradication of Bovine Tuberculosis in County

Testing Now Completed and Cass County Again Accredited Area for Three Year Period

A general retest of the breeding herds of cattle in certain precincts of Cass county, together with herds found infected on previous test and herds supplying milk to towns of the county, has been completed for the purpose of maintaining the county its accredited status. Testing was commenced February 29, 1932, and completed May 27, 1932. Testing was under the direction of the Nebraska Department of Agriculture in cooperation with the United States Bureau of Animal Industry.

Approximately three years have elapsed since the county was last accredited on March 1, 1929. On June 1, 1932, Cass county was again certified a modified accredited area for a three-year period.

Expense incident to this work is not a direct charge to the cattle owners as it is furnished through State and Federal funds created for that purpose. A certain portion of the expense under provision of the statutes is to be refunded by the county. This does not include salaries or subsistence of those engaged in the work and in no instance shall the amount exceed fifteen cents per head for the cattle tested.

During this period of testing, a total of 12,510 cattle, comprising 1,168 herds were tested. Sixty-two of the cattle reacted, or a percentage of .49 per cent, and these were located one or more in twenty-five different herds or 2.14 per cent of the herds tested.

A classification of reactor cattle as to sex and whether purebred or grade and including six head classes as suspicious reactors, shows 63 grade cows and 5 grade bulls.

Returns in the form of salvage to the owners or what the reactors brought on sale at slaughter amounted to \$719.29. Indemnity to the owners from State and Federal funds totaled \$1,278.99, of which amount the State paid \$680.54 and the Federal department \$598.35.

The cost of the services paid from State and Federal funds totaled \$2,730.87. The services in this connection included, besides actual testing, organization, supervision of the disposal of reactor cattle and the cleaning and disinfection of contaminated premises. The county's share of this expense will be \$446.35. The following table shows the various classes and amounts of expenditures:

Salaries by State	\$1,480.99
Subsistence by State	15.00
Salaries by Federal	526.29
Subsistence by Federal	262.42
Transportation in the County	437.15
Tags for identifying cattle	3.75
Miscellaneous, phone, etc.	5.45
Total	\$2,730.87

PLATTSMOUTH NIGHT AT DEN SHOW, JULY 18TH

Monday night, July 18th, will be Plattsmouth night at the Omaha Ak-Sar-Ben den show and a large attendance is expected this year. Tickets for distribution are expected in a few days and will be available at several local business houses, as announced later. This year's "Ak" show is said to be one of the best ever put on and large crowds have attended the first two exhibitions.

R. Foster Patterson, member of the Chamber of Commerce Publicity committee has been selected as the speaker to tell the Ak-Sar-Ben knights and guests from other towns over southeastern Nebraska something about Plattsmouth. Patterson will drive to Omaha from Lincoln, where he is attending summer school at the University of Nebraska.

Possibility of taking the band along to further boost for Plattsmouth, although not definitely assured, is quite probable.

Further announcement will be made on arrival of the tickets, including arrangements for an auto caravan of 100 cars in procession to the coliseum on West Center street, where an evening of real fun is in store for all who attend.

WEDDED AT COURT HOUSE

From Friday's Daily This morning at the court house occurred the marriage of Miss Crinidad Cuevas and Mr. Zenaido Campos, both of Omaha. The parties were accompanied by Mr. and Mrs. Leo J. Bent, also of Omaha. The marriage lines were read by Judge A. H. Duxbury in his usual pleasing manner, who was assisted by A. W. (Cupid) Farmer, the marriage license clerk.

Death of Mrs. Frank H. Dunbar in California

Former Well Known Resident of This City Passed Away Last Night at Los Angeles.

The message was received here this morning by William Highfield, announcing the death at Los Angeles, last night of his sister, Mrs. Frank H. Dunbar. The death came after an illness of some duration, and in which hope for the recovery of the patient had been given up.

The Dunbar family had been residing at Seattle, Washington, but the health of Mrs. Dunbar became such that they had returned to the southern California climate in hope of aiding her recovery but complications arose that led to her death.

The news of the death of Mrs. Dunbar will bring a great regret to the many friends in this community where for so many years the family resided. Mr. and Mrs. Dunbar were for many years engaged in the conduct of the Hotel Riley here. The deceased lady was very active in the life of the community and in Red Cross and charitable work was one of the leaders, giving freely of her time and energy in the help of others. She was also active in the St. Luke's Episcopal church and its organizations and was untiring in her service to all who were in need.

Mr. and Mrs. Dunbar left this city a number of years ago and located in Los Angeles where they conducted the Hotel Martyn, later closing their interests there and going to Seattle. She is survived by the husband, Frank H. Dunbar, one daughter, Miss Jane Dunbar, two sisters, Mrs. Nettie Lipskey of Los Angeles, Mrs. Dollie Mitrucke of St. Louis and one brother, William Highfield of this city.

Cass County Ass'n Meets in Long Beach

Hold Annual Picnic and Select Officers for the Tenth Annual Gathering in 1933.

The ninth annual reunion of the Cass County Association, composed of persons once residents of this county, now residing in the southern portion of California, was held last Sunday.

The reunion was held at Long Beach, Bixby Park being the scene of the festive occasion. The members of the party came with baskets of good things to eat and a real Nebraska picnic dinner was served in the attractive settings of the park.

When the dinner was disposed of, Calvin H. Taylor, former Cass county attorney and member of one of the pioneer families of near Union, who was president of the association, called the meeting to order and gave the address of welcome.

Mrs. Edna Marshall Petteys and Robert Farnham each gave most delightful vocal offerings on the program of the day.

Short speeches were given by Judge Allen J. Beeson, who was for eighteen years county judge of Cass county, Walter L. Thomas, one time resident of Plattsmouth, Gus Hyers, state sheriff of Nebraska under Governor McKelvie, Judge O. E. Farnham and Mrs. Fern Greenslate Fletcher, former Elmwood resident.

The election of officers for the ensuing year was then taken up and the following were selected:

President—Gus Hyers, Los Angeles.
Vice-President—William Perry, Orange.

Secretary-Treasurer—Mrs. Allen J. Beeson, Long Beach.
The party spent the day in visiting and renewing old time acquaintances until the approach of the evening when the association adjourned to meet again next year.

STUDENT IS HONORED

Mrs. Mary E. Whelan of this city has received the news of the award of the Austin scholarship, a coveted scholastic honor, to James Martin Deems, Jr., of Parkersburg, West Virginia. The young man is a cousin of Mrs. Whelan and she is well pleased with the recognition that he has received.

The Austin scholarship provides for a four year course at Northwestern university at Chicago and a year to be spent abroad, all expenses being borne by the scholarship fund.

In speaking of the award the Parkersburg News has the following: "It is an honor also for Parkersburg and its school system in that this makes the second consecutive year that a Parkersburg boy has been so honored. Last year Robert Biddle, son of Mr. and Mrs. Harry Biddle of Swan street was awarded an Austin scholarship. Only ten are granted each year in the entire nation and to be thus signaled out two years in succession is gratifying to school officials and the city generally."

"The selection is made on a basis of scholarship, and for unusual ability and promise in school. Austin scholarship students have their own home at Northwestern university. In a letter to Deem, Walter W. Scott, president of Northwestern, said in part:

"You are to be congratulated. This appointment means that you have been selected from hundreds of applicants, on the basis of your record, as a student of unusual ability and promise. . . . You will not be in the status of the ordinary entrant, but will be one of a group to be set apart for special attention and consideration."

"Deem graduated in the June class this year from Parkersburg high school with an excellent scholastic record. Previously, he attended the Catholic parochial schools in Clarksburg. He has won in school affairs the West contest, Ami-John Crawford award, and was president of the student council one and one-half years, member of the Big Red football squad last fall, president of the junior II and senior I classes and represented Parkersburg high school at the state literary contest in Morgantown.

"He will enter Northwestern next fall."

Tammany Has No Nominee Choice for Time Being

John F. Curry Has Crowd Guessing—Against Changing of the Two-Thirds Rule.

Chicago. — Steadfast against changing the two-thirds rule, Tammany hall Friday night still maintained neutrality in the biggest issue before the convention—choice of the 1932 nominee. The almost instant response from the Tammany tiger to the demand by followers of Governor Roosevelt for a rule that would permit a majority of the convention to name the presidential candidate was an explosive roar of protest. With it, however, went emphatic insistence that this did not presage in any way the position Tammany hall will take when the roll call of states on the nomination begins.

News that the Roosevelt men intended to make the two-thirds rule history was followed by a series of conferences by John F. Curry, Tammany leader, with his lieutenants. Word came from behind closed doors that he would "fight to the last ditch" against the proposal. This declaration was generally interpreted as meaning he would throw all his strength into the controversy in order to maintain a dominant position in the convention. Every attempt to get Curry to indicate his choice for nominee has been met by silence. It has long been an open secret in Tammany circles, however, that Curry would attempt to get control of the convention by not committing his delegation of forty-five or fifty until the last moment.

Meantime Curry was deluged with more than 500 copies of a telegram from New York saying: "In view of the grave crisis existing in our country, we urge and would appreciate if you will use your good efforts to bring about the democratic nomination for president of that great and capable leader, Alfred E. Smith."—State Journal.

PLEASANT RIDGE PROJECT CLUB

The "Pleasant Ridge Project Club" held its last meeting for the summer at the home of Mrs. Will Kreager, with all but two members present. Mrs. Louie Frederich and Mrs. Hugo Meisinger, were assistant hostesses.

The lesson was on "Home Conservation of Fruits and Vegetables" which was very interesting. A demonstration on canning vegetables and chicken by the project leaders was also much enjoyed.

Plans for the club picnic were discussed but no definite date decided on.

At the close of the meeting delicious refreshments were served by the hostesses.

IOWAN SURVIVES BARE BLOOD TRANSFUSION

Lemars, Ia., June 22.—Henry Franken, 14, of Sioux City Center was alive and getting better today as the result of an unusual blood transfusion.

He suffered a torn spleen in a fall Tuesday and when operated upon a quantity of blood was found to have leaked from the injury into the abdominal cavity. Surgeons used it in the transfusion operation which was successful.

SHOWING IMPROVEMENT

Peter Gradoville, who is at the Lincoln General hospital, recovering from an operation performed on his leg, is doing very nicely, the last reports state. Mr. and Mrs. William O'Donnell and Mrs. Gradoville were at Lincoln last evening to visit the patient. They report that the patient is to have the cast taken off his leg today and will have a brace to wear from his hip to his heel.
