High School Prepares for Football Drive

Enthusiasm Aroused for the Opening Game of the Season to Be Staged Friday.

The student body of the high school held a pep meeting the first period Tuesday morning to arouse the spirit of the body. A fine program was worked out by the senior class, consisting of George Adam, Emily Lorenz, Stuart Porter, Marvin Tritsch and Virginia Samek. William Wetenkamp gave a very inspiring speech about school loyalty which aroused much enthusiasm on the part of the student body. Mary Annie Rosencrans, president of the junior class, before the students, gave an interesting speech which added more enthusiasm for school loyalty and victory in Friday's football game. William Edwards, president of the sophomore class, and a new student in Plattsmouth high school, spoke on behalf of the sophomore class, pledging their loyalty and support to the school. Betty Bullin, president of the freshman class assured the students that the freshman class would be at the game to make all the noise they could.

Jack Figley, the new history teacher, accompanied by Miss Williams at the piano, sang two delightful numbers: "On the Road to Mandalay" by Speaks and "Invicts" by Hun. Sam Arn, captain of the football team this year, gave a brief but impressive talk as to the plans of the team. Coach Rothert gave a talk listing the new rules which go into effect this year and the schedule of games. He pleaded for school loyalty for the team. Greth Garnett and Marvin Tritsch presented a comedy which was well woked out and highly entertaining.

The girls gave some yells that they have been practicing. Joe Graves, the well known cheer leader, led the students with the school yells. After the yells and songs Mr. Devoe gave an interesting talk telling of his hope for the team's victory with the support of the student body.

Joe will not be with the high school long, making it necessary to choose some assistants to help him with the yells. Arthur Wurga and Edward Hadraba were suggested and not being able to choose from the two, both Ed and Arthur will assist him.

SUFFERS SEVERE INJURY

From Wednesday's Daily Mrs. William Wehrbein, who was injured in an auto wreck on last Sunday, has suffered more severe injuries than was at first thought. Mrs. Wehrbein was taken to the hospital at Omaha and examination made with the result that in addition to the two fractured ribs, it was found that she had sustained a fracture of the pelvis. The injury is such that it will be necessary to place her in a cast for some time. It is thought, however, that she may be brought home in a few days and cared for there. She also was badly bruised as the result of being hurled from the wrecked car. Other members of the two auto parties have not sustained dangerous injuries.

CAR OF RED CROSS FLOUR

County Judge A. H. Duxbury, director of the relief work of the county Red Cross, has received the bill of lading of a car of flour which has been shipped from the Crete mills. This flour is milled from the wheat held by the U. S. farm board and is to be distributed to the needy of Cass county. The flour will be prorated over the county to the different communities when it arrives. The local agencies in each of the various towns will look after its distribution. This is the second car of flour that has been received from the Red Cross, one being used last winter in relief work.

RETURNS FROM HOSPITAL

Mrs. Joseph Schlessl, who was taken to the Methodist hospital at Omaha last Friday, was brought home Tuesday afternoon and will be cared for at home. DANCE IS POSTPONED

Along with the rest of the festivities planned for tonight, the dance at the Legion building has also been postponed to Saturday night and will take place, beginning immediately at the conclusion of the street program and drawing. Music will be provided by the Vagabonds, a Nebraska City dance band, that played here a week ago tonight.

The weather man has caused postponement this week for the first time since started of the regular Wednesday night program, and, if it is raining in Norfolk like it has been here all day, has provided a very poor opening day for that city's two-day Harvest Festival.

ADDRESSES W. C. T. U.

From Wednesday's Daily Robert Foster Patterson, principal of the local high school, departed this morning for Louisville, where he was the speaker at the county convention of the Woman's Christian Temperance Union. Mr. Patterson is an able speaker and will give the ladies of the temperance organization a splendid address.

They feel that they will be able to accomplish this because the price scale, 80 cents for high school students, 70 cents for Junior high and 40 cents for the grades and \$1 for all outside of school, is a real attraction. Hall, Marvin Tritsch and Walter Porter; Margaret Taylor (Junior chairman), John Kelly, Lois Bestor, Wm. SAYS MISREPRESENTED

From Wednesday's Daily Dick Nord, driver of one of the cars which was in the wreck on the highway south of the Eight Mile Grove church Sunday, was a caller at the Journal office and states that he was not responsible for the wreck of the two cars. The intersection is a very bad one and where it is difficult to see cars approaching on the two roads. Mr. Nord feels that the article ap-
