Peter C. Stander Dies at Omaha Hospital After Illness of Several Weeks Past.

From Monday's Daily

Peter C. Stander, 66, lifelong resident of Cass county, died at an early hour this morning at a hospital at Omaha where for the past several weeks he has been in grave condition. Mr. Stander was taken ill at his home at Louisville two weeks ago with what was thought the flu and his condition became such that it was necessary to take him to the hospital as he developed pneumonia. On last Tuesday morning he suffered a cerebral hemorrhage and since that time has been gradually growing weaker.

The deceased was a loved and honored figure in Louisville where since 1885 he has been identified with the business life of that place. He has been active in the community in social and religious circles and was a long time member and active worker in the Methodist church of that place.

Peter C. Stander was born September 16, 1866, at the family homestead south of Louisville, where his parents, the late Mr. and Mrs. Frank Stander, had settled at an early day. He was one of a family of fourteen children, all of whom have occupied active places in the life of their childhood home. He came to Louisville with his father and brother James, in 1885 and they established a general mercantile business which they operated for a number of years and as well engaging in the banking business. Later years Mr. Stander with his brother, Arthur, have conducted a hardware and undertaking business, one of the large business houses in the city of Louisville. Mr. Stander was married on May 16, 1893, to Miss Elizabeth Shyrock and to them was born nine children, who with the widow survive the passing of this splendid citizen and neighbor. The children are Mrs. O. W. Low, Minneapolis; Dr. Thomas and Dr. Theodore Stander, Denver; Miss Dorothy Stander, St. Paul, Minnesota; Miss Edith Stander, Lexington; Mrs. Oscar Humm, Jacksonville, Illinois; Frank Stander of Denver; Mrs. Chester White, Louisville and John Warren Stander, residing at home and a student in the Louisville high school.

There is also surviving seven brothers and three sisters, George Stander of Plattsmouth; James, Henry, Arthur and Mrs. W. A. Cleg-horn, all of Louisville; William E. Stander of Orange, California; Louis Stander of Archer, Nebraska; Ralph Stander of Wilsey, Kansas; Mrs. Peter Spangler of Weeping Water and Mrs. Roy F. Clifford of San Mateo, California.

Funeral services will be held at 10 o'clock this morning at the home of Mrs. O. W. Low, Minneapolis, with burial in the St. Catherine's cemetery. The Rev. Theodore Stander, Denver, will officiate.

Rabbi Frederick Cohn Speaks to Rotary Club

Distinguished Orator and Leader Gives Wonderful Address on Need of World Understanding.

Rabbi Frederick Cohn of Omaha, one of the most distinguished leaders of the west in lines of religious thought, was the speaker at the meeting of the Rotary club at their session Tuesday noon.

The meeting was held in observance of Armistice day and was under the leadership of Mayor John P. Sattler, who introduced the speaker of the day. The Rotary quartet also gave several numbers during the opening portion of the program.

The address was a masterly one and which carried the message of world peace and co-operation in settling the problems of the present day for all mankind. The speaker detailed the work for world peace in various fields and among all people and lauded the efforts of the leaders of the world in promoting the cause of universal brotherhood of man. Rabbi Cohn extolled the leadership of Woodrow Wilson in the cause of world peace and told of the formation of the League of Nations, the dream and ideal of the great war president, which he had hoped would lead the world out of the shambles of the world war and to avoid any future war of the proportions of the last great struggle. The speaker commenting on the reaction to the suggestion of President Wilson for a world wide peace move, pointed to the fact that in all lands the memory of President Wilson is enshrined and monuments and memorials pay honor to him, while in his own country he was received with scorn and his country rejected his idealism and brought him to his grave, victim of the war and broken hearted over the rejection of his plan for world peace. The speaker cited the nations that are now members of the League of Nations and told of the many disputes between nations that this organization of the peoples had prevented.

WELL KNOWN PEOPLE WED

On Wednesday afternoon in this city occurred the marriage of two of the well known and highly esteemed residents of Cass county, Mrs. Mary Roerbeck of south of Plattsmouth and Mr. Joseph Bauer of Union.

The wedding occurred at the offices of Judge A. H. Duxbury at the court house and the marriage lines were read in the usual impressive manner of the Judge as the lives of the estimable couple were joined.

The bride was gowned in a traveling suit of dark blue and with accessories to match.

Mr. and Mrs. Earl Merritt of Union attended the ceremony and witnessed the wedding.

Following the ceremony Mr. and Mrs. Bauer motored to Union where the groom has a most charming home awaiting the coming of the new mistress of the household.

The bride is a daughter of Mr. and Mrs. Christ Bell, residing south of this city and where for the past few years, she has made her home and cared for the aged parents. The bride is highly esteemed by all who have the pleasure of knowing her.

The groom is one of the well known residents of Union where he has long resided and is engaged in the carpenter business. He is a gentleman of high standing and character who commands the respect of a large circle of friends.

The many friends will join in their sincere wishes to Mr. and Mrs. Bauer for a long and happy wedded life.

TAKEN TO THE HOSPITAL

Dr. J. F. Brendel of Murray, one of the well known medical men of Cass county, departed Sunday for Omaha where he entered the St. Catherine's hospital for treatment and an operation. The operation is such that it will be necessary for the doctor to remain for some time at the hospital and it is hoped that the operation will result in permanent relief. The friends over the county are trusting that Dr. Brendel will soon be able to return to his professional duty at Murray and restored to good health.

Don't send your money away if you want to see real prosperity in Cass county. Plattsmouth is the logical "big town" shopping point for every resident of the county.
