**LAFOLLETTE IS GRATIFIED**

Erie, Pa.—Senator LaFollette is "highly gratified" with the results of Tuesday's election in the United States and his home state. "I am highly gratified at the course taken," the progressive republican leader said while here to deliver a lecture. "The progressive republicans will co-operate with the democrats in everything constructive."

Asked for his opinion whether the Volstead act would be modified at the short session of congress, he said: "Anybody's guess is as good as mine."

"There will have to be a change of opinion not shown in previous polls of members to change the act now," LaFollette commented. "But the need for additional revenue will aid in bringing the return of liquor sales." He termed himself a "wet."

**RESIDES IN NEW BUILDING**

Lincoln, Nebr.—Mildred Hall, Plattsmouth, is among the women students of the University of Nebraska residing in the new Carrie Belle Raymond dormitory. Miss Hall is a junior in the teachers' college, majoring in music.

The new dormitory, erected and furnished at a cost of \$250,000, was completed just prior to the opening of school. It has facilities for 170 women with private rooms and a completely equipped dining room. The building is dedicated to the memory of the late Mrs. Carrie Belle Raymond, for many years an instructor of music in the university. It is the first unit of a complete dormitory system adopted by the board of regents of the University of Nebraska.

**Says Motor Vehicles Pay for Highways**

Ray G. McMaken, Former President of State Truckers Association Gives Views.

Plattsmouth, Nebr., Nov. 11. To the Editor, Plattsmouth Journal, Plattsmouth, Nebr.

Dear Sir: We have heard a lot about how much the railroads are spending for the construction and maintenance of our road systems and how little the users of those same roads contribute, in the way of taxes, to their upkeep.

Here are some facts for our country. In Cass county the total railroad valuation for tax purposes for the year 1931 was \$5,313,360. The tax rate, as established by our board of county commissioners, for the bridge and road funds was 1.86 mills. This means that the railroads in this county paid in 1931, \$9,882.85 toward the maintenance of our public roads. For the same period, from Jan. 1, 1931 to Dec. 31, 1931, there were 4,769 passenger cars, whose owners paid \$40,204 in license fees and 832 trucks whose license fees amounted to \$8,538.50. This makes a total of \$48,742.50 that was collected by Cass county for license fees alone. Add to this the sum of \$31,312.01 that was received from the gas tax by the county for road maintenance and you have the startling total of \$80,054.51, that the owners of automobiles and trucks have contributed in Cass county alone toward highway maintenance.

Now here is where the railroads have been leading our readers astray. They indicate from their statements that they have borne most of the expense of our public road maintenance, while you can see from the above that the funds received from license fees and gas tax in this county alone, exceed the amount paid by the railroads by \$70,171.66.

This, I think, would be of interest to our taxpayers. Yours truly, RAY G. McMAKEN.

**"A TURKEY IN EVERY POT"**

Instead of "a chicken in every pot" there will be a turkey in every pot of every family that has a wide awake go-getter on the job next Saturday. Next Saturday, November 19th is Turkey Day in Plattsmouth. This is something new to our people. We have never had such a day here before and it promises to be one of the red letter days of the year. Encouraged by the success of the corn festival and pancake day, the retail section of the Chamber of Commerce has decided to try Turkey Day.

Here's the plan—At 10:30 Saturday morning and again at 3:30 in the afternoon, turkeys will be released from the top of store buildings opposite the court house, south. As they fly to earth they become the prize or prey of anyone who will catch them. They will be released one at a time and between the turkeys live chickens will also be released. If two or more persons claim the same bird and cannot agree which shall have it that bird will be taken back and released again. This will be a lot of fun for everybody. Come in and watch the chase and get a bird for your Thanksgiving dinner. Remember the day, Saturday, November 19th.

**NOT OPERATED ON**

Attorney D. O. Dwyer of this city, who has been at the Mayo clinic at Rochester, Minnesota, for the past ten days, was not operated on there as was reported. The specialists found that a course of treatment would give the patient relief and decided not to make the operation. The patient is hoping to be able to return home in a short time.

**AN APPRECIATION**

To the voters of the second judicial district, I wish to express my appreciation for the splendid support given me at the polls. I will endeavor to continue your approval in the conduct of the office of district judge.

JAMES T. BEGLEY.

**IOWA PEOPLE LICENSED**

At the office of County Judge A. H. Duxbury on Thursday, license was issued to Wayne S. Martin and Miss Lucille Williams, both of Glenwood, to wed. A license was also issued to Chester Yeager and Miss Twyla Hummel, both of Oakland, Iowa.

**High School Holds Armistice Day Program**

H. L. Gayer, World War Veteran, Is Speaker on the Days of Service in France.

From Friday's Daily  
Plattsmouth high school observed Armistice Day this morning when the student council presented a very interesting patriotic program. The committee was composed of Virginia Semek, chairman, Lorence Rhoades and Maynard McCleary. President Greth Garnett presided.

Following the singing of the national anthem a very interesting discussion of C. M. T. C. camp life was given by Robert Bestor, '31, a four year student soldier at Fort Crook. He then gave an exhibition of the manual of arms with William Wengenkamp, James Robertson and William Jensen, also C. M. T. C. students, as the squad. This was a very unique and popular feature of the program.

The speaker for the occasion was an ex-soldier, Capt. H. L. Gayer, who gave a very interesting and vivid account of trench warfare interspersed with bits of humor in his pleasing style. He proved to be a very popular speaker. Mr. Frank Cloldt sang two numbers as the final number of the program. These were: "Goodby to Summer" and "The Hills of Home." The student body appreciated an opportunity to hear this fine singer.

**VOTE FOR SENATOR**

The second senatorial district of the state, Cass, Otoe and Sarpy county have decisively elected Hon. William B. Banning of Union, as the senator for the next two years. Senator Banning returns to familiar scenes in the state senate after an absence of two years. The newly-elected senator will find many of the veterans of the senate missing, as many of the old time republican leaders were swept away in the election of Tuesday. In fact there will be but three republican members of the senate at the coming session.

The unofficial vote for state senator in the district is as shown below:

Cass county	4,336	Total
Otoe county	4,109	
Sarpy county	2,764	11,209

Cass county	3,451	Total
Otoe county	3,271	
Sarpy county	1,191	7,913

Banning Majority -- 3,296

**START FEDERAL BUILDING**

Omaha.—J. P. Cullen of Janesville, Wis., whose firm has been awarded the contract, announced that excavation for Omaha's new ten-story federal building will begin within the next week. He said fifteen to twenty men will be used for the excavation. When work on the building reaches its peak, from 150 to 200 will be employed. Cullen said nothing but local labor will be hired.

Ganning factory, feed yards, basket factory—all new "glitz" industries secured for Platts by industries committee, C. of C.

**Death of Mrs. W. H. Lohnes of Cedar Creek**

Passed Away at 3 a. m. Today at Clarkson Hospital at Omaha—Funeral on Sunday.

From Friday's Daily  
Mrs. W. H. Lohnes, 50, a loved and highly respected resident of Cedar Creek, died this morning at 3 o'clock at the Clarkson hospital at Omaha, where she has been for the past three weeks.

Mrs. Lohnes was operated on some weeks ago, it being a very serious operation and since that time she had gradually been failing until death came to her relief.

The deceased lady was formerly Miss Caroline Ahl, a daughter of Mr. and Mrs. Henry Ahl of Louisville, in which community she grew to womanhood and was married there to William H. Lohnes, also a member of one of the pioneer families of that section of the county. Mr. and Mrs. Lohnes have resided in the Cedar Creek community since their marriage. The death of Mrs. Lohnes will bring a deep regret to all of the friends over this community and who will share with the family their sorrow and grief.

There is surviving the husband and three children, Raymond Lohnes, Mrs. George Schroeder and Howard Lohnes, all residing at Cedar Creek. Mrs. Lohnes was a niece of Mrs. Henry Born of near this city.

**RED CROSS ROLL CALL**

To the citizens of Cass county: From Armistice day, November 11 to Thanksgiving day, Cass county will conduct the annual roll call.

The American Red Cross is facing a widespread demand for its services both local and nation-wide more than at any time since the World War. This is every person's opportunity to help in the great effort on human distress over the land, to the needy and distressed families. During the drought in Nebraska, the Dakotas, Montana and Iowa, \$1,984,416 came from the national Red Cross treasury. To carry on we must all assist to replace and increase these funds for relief.

Cass county chapter has received two carloads of flour to be distributed to needy and distressed families only.

Cotton goods have now been received and under the direction of Mrs. C. A. Rosencrans, garments will be made for needy families. Branch chapters to make requisition to Mrs. Rosencrans.

Cass county quota is 700 members. With seventeen towns and communities this should be easily accomplished; surely there are 50 people in any one precinct to give \$1.00 for membership to help others to help themselves. 50c of every dollar stays in Cass county for relief work. Every community needs the Red Cross, the Red Cross needs you. Joining makes you a member of the Cass county chapter and the national chapter.

Every town in Cass county has a roll call chairman; if he does not see you, right now you see him. We must have 700 members. That means \$350 in seventeen communities over Cass county.

I beg of you to see that a Red Cross shines from your window that will show you have joined this great organization aiding needy and distressed people. JOIN NOW.—C. Augusta Robb, chairman Cass county chapter, American Red Cross.

**ATTEND ROTARY MEETING**

From Friday's Daily  
Last evening seven of the members of the local Rotary club motored to Glenwood, Iowa, where they were guests of the club of that city. The occasion was the tenth anniversary of the foundation of Rotary in Glenwood and the meeting attended by representatives from Omaha, Council Bluffs, Red Oak, Shenandoah, Nebraska City and Plattsmouth. A most interesting program was given and which all enjoyed to the utmost. Those who attended the meeting from this city were Dr. P. T. Heinemann, president of the local club, L. O. Minor, Fred Lugsch, E. H. Schulhof, Rev. H. G. McClusky, Superintendent L. S. Devoo and Arthur Troop.

**PLATE SUPPER AND PROGRAM**

Given Wednesday, November 16th at Woodbine, Dist. 29. Everyone welcome.

**MISSIONARY SOCIETY MEETS**

At the home of Mrs. C. O. Troy, on Wednesday afternoon, occurred the November meeting of the Women's Foreign Mission society.

Devotions given by Mrs. C. C. Westcott were Thanksgiving in nature, the scripture being the 84th Psalm. A short business session followed, presided over by Miss Margaret Mapes, vice-president.

Mrs. E. H. Westcott pleased the members and their guests with a vocal solo "Leave it to Him."

The lesson began the study of the text for the year, Lady Fourth Daughter of China." The various topics were given by Miss Mapes, and Mesdames Ralph Anderson, R. B. Hayes, Frank Barkus and W. I. Howland.

Mrs. Howland gave a short discussion on our "Social Contacts," emphasizing the truth that we can make

our pleasures clean and wholesome, and free from danger of harm to those whom we might influence.

Mrs. Barkus explained the mystery daughter plan, by which each member sponsors a member of the Standard Bearer group and seeks to hold her interest in the best things of life.

The meeting was then adjourned to gather in December at the home of Mrs. R. B. Hayes, for the Christmas meeting.

Road paving in Cass county this year will run about ten miles. Not so bad, for "depression" times.
