Miss Doris Peterson and Mr. Roy F. Turner Are Joined in Wedding on Wednesday.

Wednesday afternoon at Papillion occurred the marriage of two of the well known and popular young people of this city, Miss Doris Peterson and Mr. Roy F. Turner.

The wedding was very quiet, the bridal couple accompanied by Mr. and Mrs. Gilbert Hirz, Miss Alice Peterson, sister of the bride and Mr. Louis Wondra, motoring to the Sarpy county city for the ceremony.

The marriage occurred at the parsonage of the Lutheran church of Papillion.

Following the wedding the bridal party motored to Omaha where a few hours were enjoyed and then Mr. and Mrs. Turner returned to this city where they are making their home for the present at the home of the groom's parents.

The bride is a daughter of Mr. and Mrs. Martin Peterson of this city and has grown to womanhood here in this city where she has a large circle of friends among the young people. She was a graduate of the class of 1932 of the local high school. The bride has been active in the younger social circles of the city and in the social life of the Methodist church.

The groom is the youngest son of Mr. and Mrs. Ben Turner and was reared to manhood in this city and received his education in the local schools, being a graduate of the class of 1930. He has been active in the athletic circles both in his school career and since. The groom is a splendid young man of fine character and who possesses a wide acquaintance among the residents of the city.

The many friends will join in their wish to this estimable young couple for a long and prosperous life in the years to come.

BUILD OWN CHURCH

The first ward school under the direction of Miss Helen Farley carried out a very unique church project. The project was organized before Christmas but because school was dismissed earlier than anticipated it was carried over into the new year.

The building of a church was suggested because we go to church and sing Christmas carols and hear the Christmas story.

The orange crates were gotten by Cary Marshall, Billy Young, Lloyd Taplett and Fredrick Lindeman. The church built out of the boxes and wrapping paper was made by Kenneth Hitzman and Leonard Bashus. The six windows were painted by Troy Cotner, Joan Tiekotter, Frederick Lindeman, Richard Espegren and Bonnie Walters.

The pews built out of orange crates were made by Leonard Bashus, Lloyd Taplett, Billy Young, and Donald Nalin. The pulpit was made by Leonard Bashus. Joan Tiekotter brought her toy piano. Billy Robertson made the pipes for the organ. Book holders were put on the back of the pews by Billy Robertson and Mike Kearns.

The third grade made up the words for two Christmas songs to be sung to the music of two songs they knew. Christmas songs were learned in the music period.

When the school played church the organ was played by Dorothy Lynch. The choir was Billy Young, Helen Hough, and Billy Robertson. The Christmas story was told by the preacher, Leonard Bashus. Christmas songs were sung. Dorothy Lynch played the songs "Silent Night" and "Away in a Manger" on the organ and accompanied them. She played a recessional at the close as they walked out.

Inauguration Day at Court House Today

Only Changes in Personnel Is in Commissioners Office, Where J. A. Pitz Takes Office.

From Thursday's Daily
The terms of the county officers elected at the last November election commenced today and the ceremony of making the changes occurred at noon when County Clerk George Sayles administered the oath of office to the new officers.

The only change in the offices was in that of the commissioner for the first district where Julius A. Pitz, former commissioner was inaugurated to succeed George L. Farley, who has held the office for the past four years.

District Judge James T. Begley and County Judge A. H. Duxbury were both re-elected at the recent election and today, laying aside their judicial duties for a few moments to take the oath of office and then going right on with the grind.

In the offices of sheriff and county surveyor, the election was to fill a vacancy and Sheriff Sylvester and Surveyor Fitch have been in charge of their respective offices since in November.

The election of Mr. Pitz makes the board of county commissioners all democrats for the first time in a great many years, altho the majority of the board for the past two years has been democratic. The board, however, does not allow political views to enter into the conduct of the office in any way.

RETURN FROM HOLIDAY

Mr. and Mrs. Arthur E. Stewart have returned home from a pleasant holiday visit of some two weeks in the east. They enjoyed a visit at Warren, Pennsylvania, with Mrs. Nina Stewart, mother of Mr. Stewart and also with a sister, Mrs. C. W. Beckley. The visit was one that all enjoyed to the utmost as it had been some time since the family had been able to be together. They found general conditions much more serious in the eastern section than through this section of the west.

Mr. Stewart, who is the manager of the Norfolk Packing Plant in this city, resumed his activities at the plant today after enjoyment of the visit with the mother and relatives and the pleasant outing.

SHELTER WANDERERS

From Thursday's Daily
The members of the police force were host last night to some twelve of the floaters who sought the warmth of the city jail to the chill of the night. The men were from groups that had traveled over a great part of the country seeking employment but failing to secure it. They were from varied sections of the country and were still on the rove after the much sought opportunity of living. The men report that they have found it difficult to secure aid in the communities they visit, as almost all of the towns are having large problems of caring for their own 'unfortunate people, this condition being nation wide.

SETTLE IN NEW HOME

Mr. and Mrs. Perry H. Murdick, whose wedding occurred here on Christmas day, are now located at their home in Elizabeth, New Jersey, where they are to reside and where Mr. Murdick will be engaged in one of the large banks of that place. Mrs. Murdick was formerly Miss Helen Wescott of this city.

New-Deal Mystery Sales Offer Great Opportunities 11th

Series of Sales to Be Held on Wednesday Will Afford Real Interest to Shoppers.

An unusual opportunity is to be afforded the residents of the Plattsmouth trade territory on next Wednesday when the New-Deal Mystery sales will be held by the merchants of the city.

This sale is one that affords sweeping reductions in prices on all lines of merchandise and in each of the advertisements that appear in the Journal there are two items which will be offered at less than cost. The shoppers are to pick these items out themselves and secure the advantage of this unusual offer.

The stores of the city that are participating in the great bargain offer are listing some bargains that probably can never be duplicated, as all lines of stocks are being placed at figures that are almost incredible. The careful buyer can find in this sale the means of laying in supplies that will last them for many seasons as they will not have this great price reduction offer in many months, if at all.

To move the stocks the figures have been reduced and offer to the people of Cass county as well as Sarpy and Mills counties, the greatest chance that this decade has offered of the best merchandise at the rock bottom prices.

Come to Plattsmouth on New-Deal day and secure more for your dollar in merchandise than you ever thought possible.

ASSIST GOOD CAUSE

The employes at the exchange of the Lincoln Telephone & Telegraph Co., this year decided that instead of exchanging small remembrances at the Christmas time, that they would instead turn the money over to the work of the Associated Charities. The amount has been placed in the hands of the treasurer and will be devoted to the hospital fund, used to purchase medicine and supplies to be used in the care of the sick among the needy of the community. This is a fine piece of work and much appreciated as the demand on the hospital fund has been heavy, especially in the flu epidemic.

Party of Soldiers Have Revels Stopped by Police

Members of Troops From Fort Crook Find Themselves Involved With the Law.

From Friday's Daily
This morning at an early hour when all the world was waiting for the sunrise, a party of three soldiers from Fort Crook ran afoul of the law in the persons of Officers Pickrel and Stewart.

The trio of doughboys had evidently been placed, as they were filled with the luscious juice of the grape as evidenced by a half gallon jug in which a few drops of the wine remained.

The soldiers were making merry with song and cheer when their antics came to the attention of the police and they were taken to the city jail to be held for investigation. It was found that they had no driver's license to operate the car and which gas wagon belonged to a friend of one of the soldiers.

After some discussion it was decided to have the men returned to Fort Crook to be taken in charge by the military forces and avoid the necessity of having to judge and feed the trio here.

He was removed to the home of Walter Furlong, where he is receiving the best of care. Dr. Tyson of Murray is attending him, with the assistance of Mrs. Shered Graves, a trained nurse with considerable experience. Preparing for New Year in the Local C. of C.

Committees Being Arranged to Carry on the Work of Organization for Year.

President William Baird of the Chamber of Commerce is now taking up the work of planning for the year that lies before the civic organization, by selecting of his committees. Mr. Baird is meeting with the executive officers of the Chamber of Commerce in selecting those on the different committees best suited for the functions that they will be called upon to perform.

Mr. Baird has made the appointment of E. H. Wescott as secretary of the Chamber of Commerce, a splendid opening of the year's program as Mr. Wescott has been untiring in his work in civic organization and can be depended upon to give Plattsmouth and its Chamber of Commerce the highest service.

The committees are also being prepared with care to bring into the leadership of the various groups the very best that the city has among the business and professional men.

With improving general conditions which are looked forward for during the coming year, there will be many opportunities for the Chamber of Commerce to aid the city, and for this reason, the very best of the leadership will be called into service.

This organization has served ably in the advancement of the city in the past and can be depended on to continue this work in the future that awaits us in 1933. The membership of the Chamber of Commerce should be as large as in the past as there is no other body that can serve so well in the many problems of the civic life.

Platters Win from Nebraska City 27 to 17

Local Team Shows Well in Floor and Team Work Against Foes—Rummel Goes Hot.

From Thursday's Daily
The Plattsmouth high school basketball team added another to their records of victories last evening when they annexed the contest with the Nebraska City team by the score of 27 to 17, the game being played at Nebraska City.

The game was one of the hardest on the local schedule and the result is one that is very pleasing, as the Ottens have an excellent group of players which are dangerous for any team, altho their passing last evening was ragged.

The Platters opened the game with a rush and under their passing and sharpshooting drives at the baskets had annexed an eight point lead before their opponents were able to get going.

The shooting of Bob Rummel, local forward, was one of the high points of the game, as he was dropping them in from all angles of the court and accounted for fourteen of the points of Plattsmouth. Stuart Porter, center also accounted for 7 points for the Platters. McCleary, who was playing at a guard position, was especially effective in breaking up the passes of Nebraska City, he intercepting many of their passes during the game.

The entire team showed well and their passing was accurate and true and the best in this feature of the game that they have shown this season. All of the regulars were into the game to do their part in bringing victory to the blue and white.

In the curtain raiser the Plattsmouth reserves lost to the Nebraska City seconds by the close score of 21 to 17, both teams playing a hard fought battle.

The next game of the Platters will be next Wednesday night when the South Omaha high school team will play the Platters on the local court.
