Attended Wedding
The family of Mr. and Mrs. R. M. Coatman were over to Elmwood to attend the wedding of Miss Ethel Coatman to Martin Zoz, which was held at the St. Mary's church and which was enjoyed by all who were in attendance. This young couple were later entertained at the home of her brother, Lee Coatman, as a recent fire at the home of the parents of the bride W. W. Coatman and wife damaged the home so that the reception could not be had. However, the reception was attended by many of the friends of this popular young couple.

Will Build New Home
It will be remembered that during the intensely cold snap in December the home of Martin J. Nickels was burned one morning, the entire house was destroyed. There has been no house built as yet to take the place of the one destroyed, but the contract for the replacement of the home has been awarded to Lawrence McMaster, of Eagle, who is at this time doing some of the preliminary work in getting ready for the replacing of the burned house in the early spring. The home is to be a four room structure and will be one suitable for the newly wedded son of Mr. Nickels, who will farm the place.

Good fortune came to the home of Mr. and Mrs. Gustav Straich one day last week when the stork brought them a brand new baby girl. The arrival of the little one has brought much happiness to the home of the parents, where all are doing nicely and joy reigns supreme. Not alone is this true at the home of Mr. and Mrs. Straich, for there is joy at the home of Mr. and Mrs. Herman R. Schmidt, who is the grandfather, and this one which has brought joy is the tenth grandchild, and you can bet Judge Schmidt was wearing a very cheery smile.

Passed Silver Wedding
Last Friday was the twenty-fifth wedding anniversary of Mr. and Mrs. John Eppings, and they were expecting to have a very fine celebration, but as work crowded too pressingly, the affair was changed and postponed for another twenty-five years, when they will have a golden wedding. The disappointment was mutual between this excellent couple and their many friends who were desirous of attending and contributing to an excellent evening and the giving of gifts as tokens of honor and respect.

Too Cold for the Boys
The members of the Murdock Farmers Elevator association were to have held their annual meeting last Tuesday at the elevator office and Henry, better known as "Slats," had everything in readiness and the office good and warm notwithstanding the very inclement weather outside and sat there and waited. Bye and bye along came A. D. Zaar and then both these gentlemen waited and waited, but to no effect, for no one else came along, for they thought it was too cold and so they have postponed the meeting until a later date, but no one knows the exact time. However, they will hold the meeting some time in the near future.
